1.6 Single Bargaining Unit

The Tourism Queensland Employing Office has a Single Bargaining Unit (SBU), which is responsible for:

- (a) negotiating this Agreement as representatives of all employees and management; and
- (b) the ongoing education and implementation of this agreement.

This SBU is made up of staff and management representatives of Tourism Queensland Employing Office as well as a representative from the Queensland Public Sector Union of Employees. Members of the SBU will meet no less than half-yearly to review the operation of the agreement and address other relevant issues that may be raised from time to time. The SBU will be responsive to requests from some or all of its representatives for more frequent meetings if the need arises.

1.7 Facilitating Union and Employee Involvement

It is recognised that the obligations under this Agreement regarding co-operation and consultation in the development and implementation of change initiatives will place obligations, duties and responsibilities on Union officials, and/or other staff representatives. To assist in meeting this, the Tourism Queensland Employing Office will negotiate appropriate arrangements with the Union and Single Bargaining Unit representatives to facilitate joint involvement in ongoing workplace reform.

1.7.1 Industrial Relations Education Leave for Union and staff representatives

- (a) Industrial relations education leave is paid time off to acquire knowledge and competencies in industrial relations. Such knowledge and competencies can allow union and staff representatives to effectively participate in consultative structures, perform a representative role and further the effective operation of the grievance and dispute settlement procedures.
- (b) Union and staff representatives may be granted up to five (5) working days paid time off per calendar year to attend industrial relations education sessions approved by the Chief Executive Officer or delegate. Leave exceeding five (5) working days may be granted where approved structured training courses extend beyond five working days.

It supports constructive relations between management and unions and recognises the need for the parties to work collaboratively in an open and accountable way.
- (b) The Tourism Queensland Employing Office as an employer recognises that provisions relevant to union membership and coverage are contained in the *Industrial Relations Act 1999* and determinations of the Queensland Industrial Relations Commission.
- (c) The Tourism Queensland Employing Office is committed to collective agreements for employees covered by the *Queensland Tourist and Travel Corporation Employees' Award - State 2003*.

1.7.4 Union Delegates

- (a) Tourism Queensland Employing Office acknowledges the constructive role that democratically elected union delegates undertake in the workplace in relation to union activities that support and assist members. That role will be formally recognised, accepted and supported through the SBU.
- (b) Tourism Queensland Employing Office employees will be given full access to union delegates/officials during working hours to discuss any employment matter or to seek union advice, provided that there is no impact on customer service and work requirements are not unduly affected.
- (c) Provided that customer service and work requirements are not affected, delegates will be provided with convenient access to reasonable facilities for the purpose of undertaking union activities. It is expected that management and delegates will take a reasonable approach to the responsible use of such facilities for information and communication purposes.

1.8 Employment Security

The Tourism Queensland Employing Office recognises that employment security is an important consideration for employees in their working and private lives.

While the parties acknowledge and accept that employment security cannot be guaranteed, one of the major goals of this agreement is to maximise employment security.

It is further acknowledged that there is a shared responsibility between the Tourism Queensland Employing Office and employees for achieving this goal.

1.8.1 Productivity, efficiency and flexibility - shared responsibility

In their day-to-day work environment, employees can have a positive influence in enhancing the productivity, efficiency and flexibility of Tourism Queensland Employing Office. This in turn has a direct impact on Tourism Queensland Employing Office's ability to meet and exceed customer and stakeholder needs. Employment security is ultimately dependent upon Tourism Queensland fulfilling these needs.

This Agreement specifically identifies initiatives and establishes mechanisms that will enable employees to act upon their shared responsibility for the goal of maximising employment security.

1.8.2 Natural Attrition

Furthermore, the parties are committed, as much as possible, to achieving any required reduction in permanent employees by natural attrition or by voluntary departure (which is where employees choose to resign or retire from the organisational of their own accord).

Where this is not possible, the provisions of the Tourism Queensland Employing Office Redundancy Policy (Appendix E) will apply.

1.9 Equity Considerations

The parties are committed to ensuring that no discrimination exists in the workplace and that all people have the same opportunities to enter and progress in the Tourism Queensland Employing Office. The parties will jointly monitor the implementation of changes as a result of this Agreement to ensure that there is no adverse impact in terms of existing equity provisions or in terms of creating any new situation of inequity. Information on the Equal Opportunity Employment (EOE) related outcomes from this agreement is reported to the Public Service Commissioner on an annual basis.

1.10 Workplace Health and Safety

The parties to this Agreement are committed to achieving healthier and safer jobs through workplace changes aimed at improved efficiency and productivity. This will be achieved through:

- (a) The established Workplace Health and Safety (WH&S) committee will be comprised of at least two representatives from management and staff and a qualified rehabilitation officer. This committee will be responsible for workplace safety audits, monitoring workplace compensation claims and initiating rehabilitation programs.
- (b) Nomination of an appropriate number of staff to be fire wardens and to participate in building owner's emergency training where required.
- (c) The provision of basic WH&S knowledge and awareness as part of orientation training.

1.11 No Further Claims

This Agreement is in full and final settlement of all parties' claims for its duration. It is a term of this Agreement that no party will pursue any extra claims relating to wages or conditions of employment whether dealt with in this Agreement or not.

1.12 Provision to Amend the Agreement

The Agreement may only be amended under the provisions of section 169 of the *Industrial Relations Act 1999*.

PART 2 – PURPOSE AND OBJECTIVES

2.1 General Purpose and Objectives

2.1.1 (a) This agreement is the outcome of negotiations between the parties to achieve gains in productivity, efficiency, cost savings and flexibility at Tourism Queensland Employing Office.

(b) The ability to fund salary increases under this Agreement will arise from a combination of the measures set out in clauses 2.2 and Part 3.

2.1.2 The parties to this agreement commit to the achievement of the objectives and strategies outlined in the Tourism Queensland Corporate and Business Plans. As a global leader in destination management Tourism Queensland's vision is:

“To be the champion of world's best practice in sustainable tourism”.

2.1.3. It is the shared aim of the parties to this Agreement to:

- (a) Continue to develop a positive and productive workplace culture that encourages parties to adopt co-operative and consultative approaches to work including the performance framework which aligns an employee's goals and behaviours to corporate goals and values.
- (b) Pursue initiatives that will lead to improved productivity.

- (c) Ensure work practices are flexible and based on skills where all employees are trained, committed and accountable for their responsibilities.
- (d) Implement measures to enhance productivity and efficiency through simultaneous improvements to costs, quality, delivery, work organisations as well as flexibility and training.
- (e) Ensure continued improvement at Tourism Queensland Employing Office as envisaged by this Agreement, using agreed formalised consultative mechanisms.
- (f) Ensure that appropriate resources are available to assist in achieving Tourism Queensland's vision.

2.2 Corporate Goals

2.2.1. The parties agree to address the Corporate Goals and Targets of Tourism Queensland and, through the performance framework, to link individual and departmental performance reviews to ongoing assessment of the rate of achievement of the Corporate Goals and Targets.

2.2.2

- (a) The Tourism Queensland Employing Office management will address the key performance indicators for each corporate goal on at least two occasions during each year. These will be based upon the results of the six (6) monthly individual Performance Review plan and business plan reviews. This will form a basis for determining the level of achievement of the corporate goals.
- (b) These assessments will be a factor in determining the Corporation's ability to pass on salary increases in accordance with the measurement of individual performance.

2.3 Learning and Development

2.3.1. The parties to this Agreement recognise an ongoing commitment to learning and development and share the following objectives:

- (i) to develop a more highly skilled and flexible workforce;
- (ii) to provide career opportunities through appropriate learning and development;
- (iii) to improve the efficiency and productivity of Tourism Queensland Employing Office through real change in the way we carry out our core tasks;
- (iv) to promote a wider utilisation of skills by our workforce, supported by appropriate training where needed, and to lessen the degree of direct supervision; and
- (v) to remove unnecessary barriers that may prevent the full utilisation of the skills of Tourism Queensland Employing Office employees.

2.3.2. Learning and development is defined to include:

- (i) on-the-job or off-the-job coaching;
- (ii) learning programs offered external to Tourism Queensland Employing Office; and
- (iii) formal training sessions internal to Tourism Queensland Employing Office.

Where this training occurs outside of ordinary hours of work, an employee will be compensated for the hours trained by either payment at the ordinary rate of pay or by time off in lieu of payment. The form of compensation will be by mutual agreement.

2.3.3. Learning and development as defined in this agreement does not include industry familiarisations that employees may undertake in the course of their employment.

2.3.4. The Tourism Queensland Employing Office will aim to provide learning and development programs accredited through appropriate training authorities, however, recognise in certain circumstances, non-accredited training may best fulfil the learning needs of employees.

2.3.5. All learning and development activities will be for the purpose of enhancing skills relevant to the role to be performed.

2.3.6. Due to the agreed objectives and commitment of the parties, it is an expectation that employees will readily attend learning and development activities and management will support this activity.

2.4 Supportive Leadership & Innovation

The parties to this Agreement recognise that Leadership and Innovation are qualities that should exist at all levels within the Corporation. They will be guided by Tourism Queensland's Leadership Charter, which defines the values that we champion both internally within the Corporation and externally in partnership with industry. These values outline that leaders:

Lead by example
Embrace change
 are Approachable
 inspire a shared Direction
Empower others to act
Respect the values and beliefs of others

2.5 Role Clarity and Congruence

Every employee will be involved in the setting of individual goals on an annual basis. These goals are recorded on the summary page of the employee's performance plan. This plan outlines what the employee will achieve during the next financial year, as well as how it will be achieved and how it will be measured. The employee and their supervisor will review this plan on a six (6) monthly basis.

The individual goals are set in relation to the department business plan, which in turn is evolved from the Tourism Queensland Corporate Plan.

Role clarity will continue to be achieved through the reviewing and when required updating of all Position Profiles within the organisation. The Position Profile template ensures that all positions have an outline of the skills, knowledge, attributes and behaviours required in relation to the core values of the organisation.

2.6 Participative Decision Making

The Corporation is committed to participative decision making, which enables better communication flow across the organisation.

At an organisational level, all People and Leadership initiatives are developed with the core philosophy that employees are an integral part to the success of any initiative. As such, working parties of employees will be drawn from relevant areas of Tourism Queensland Employing Office that are involved in the outcome of an initiative.

2.7 Addressing Workload

The definition of overtime and its recognition will apply to staff on the following basis:

- (a) Staff in Levels 1 and 2 will have access to paid overtime on the conditions outlined in clause 6.7.
- (b) Due to the nature of Levels 3 to 7 roles, employees will have access to time in lieu in recognition of hours that may have been worked due to, special project work, or in the hosting of familiarisations. The time off in lieu arrangements are provided in the Time Off In Lieu Guidelines as stated in clause 6.7.8.

2.8 Amendment to Employment Conditions

Throughout the life of the Agreement the SBU will investigate reviewing other employment conditions with a view to assisting staff retention. These changes will be subject to government approval where necessary.

2.9 Performance Framework

The performance framework will ensure that an individual's goals and behaviours are linked to the attainment of corporate goals through business plans.

2.10 Reward and Recognition

The Tourism Queensland Employing Office believes in providing appropriate and genuine reward and recognition to all employees when due. Guidelines ensure a consistent approach is taken across the organisation to recognise exceptional

performance and manage the process in a fair and equitable way for all involved. The Executive maintains an active interest in how Tourism Queensland celebrates the success of both individuals and teams.

One of the most prominent ways in which the Tourism Queensland Employing Office celebrates individual and team success is through the annual Awards for Excellence program.

Recognition programs are viewed as a successful tool for attracting and retaining high performing employees, enhancing performance and promoting continuous improvement.

PART 3 –ENHANCING PRODUCTIVITY & CAREER OPPORTUNITIES

3.1 Career Development

The Tourism Queensland Employing Office is committed to ensuring employees have the appropriate opportunities to professionally develop and grow in their careers. As part of this commitment, the Tourism Queensland Employing Office has a number of initiatives that contribute towards enhancing an employee's professional skill set and further energising an employee's motivation for work. Maximum flexibility of our workforce will be created through the use of the professional and career development opportunities outlined in this section.

3.1.1 Career Development Break (CDB)

A Career Development Break is up to one (1) year's leave without pay to be utilised as a sabbatical for study or career enhancement opportunities upon the completion of twelve (12) months continuous service.

- (a) Permanent employees who are not on secondment may apply for a career development break.
- (b) An employee shall request in writing access of up to twelve (12) months leave without pay. An employee must make this request one (1) month in advance and provide evidence of the career development opportunity they are wishing to undertake.
- (c) Application for a 'CDB' shall be made to the director of the employee's department. The director shall decide, in conjunction with their executive director, on the viability of approving the CDB, taking into consideration the operational requirements of the business as well as the reasons of the employee for accessing the break. Each request will be considered on a case-by-case basis. In some instances a CDB may be declined if the prospective employment is deemed to be a conflict of interest to Tourism Queensland.
- (d) CDB is limited to:
 - (i) Full-time higher education study relevant to the tourism industry or the employee's profession e.g. Accountancy; or
 - (ii) Employment (excluding casual) within Australia or overseas which will provide the employee professional growth in their career, e.g. an employee may spend one (1) year working for a Regional Tourism Organisation (RTO) to gain a better understanding of the Queensland Tourism industry.
- (e) CDB may not be utilised for:
 - (i) travel domestically or overseas;
 - (ii) work in a role that does not relate to an employee's current or future employment opportunities at Tourism Queensland; or
 - (iii) permanent work opportunities with another employer (i.e. the position must be on contract).
- (f) Whilst on a CDB an employee shall be required to:
 - (i) If studying, produce assessments results each semester; or
 - (ii) If employed, produce a statement of service upon return to Tourism Queensland
- (g) If a CDB is being utilised to complete further full-time higher education studies an employee may be eligible for the further learning program subsidies. Application to access the further learning program subsidies must be made and approved prior to commencing the CDB. Application cannot be made once on a CDB. Any eligible payments will be made after the employee has returned to work for the same period the employee was absent.

- (h) One (1) month's notification of return from the CDB is required.
- (i) In the event that the purpose of the CDB ceases to exist prior to the employee's proposed return date, employment must be resumed within one (1) month. If not, the employee will be deemed to have abandoned their employment.
- (j) The employee's position or equivalent position will be available upon return from a CDB.
- (k) A CDB may not be taken in conjunction with any other form of leave provided under this agreement including annual leave, long service leave, maternity, paternity or adoption leave, career break or LWOP
- (l) The first three (3) months of an approved CDB shall be taken into account in calculating the period of service for any purpose of any relevant award or agreement. The CDB shall not break continuity of service.
- (m) Employees shall be limited to one (1) CDB during the life of this Agreement.

3.1.2 Career Planning

Upon completion of two (2) years' service, all permanent employees shall have an opportunity to receive career coaching.

The aim of this coaching is to provide employees with the tools and knowledge on how they may be able to further advance their careers with Tourism Queensland and/or to further advance their skill sets in their current role.

Where possible, flexibility will be provided to employees to attend seminars, networking meetings, work experience and other mediums of career opportunities employees may identify which will assist them in their quest to further their own professional development.

3.1.3 Multi-hiring

Multi-hiring provides permanent employees the opportunity to work on a casual basis in a role different to their permanent position.

An employee who is multi-hiring in a position, which is different to their permanent position, and they have the skills to perform the role; will be paid the casual rate. For example, an Office Coordinator may perform work as a Project Coordinator (in International Media & Trade Relations) and host a familiarisation/s, but work performance that is of an administration/coordination nature would not be deemed multi-hiring.

Multi-hiring is to be performed outside of the employee's ordinary hours.

Casual employment conditions apply whilst an employee is multi-hiring. An employee may mutually agree with their manager to work a minimum of one (1) hour per multi-hire engagement.

3.1.4 On the Job Learning

In support of the Career Development initiatives employees may seek where possible and practicable, opportunities to further enhance their skills in the work place by working in the role they seek to gain.

- (a) Work Experience

An employee undertakes a structured work experience program, which is completed outside of the employee's ordinary hours of work, is unpaid and may continue for no longer than three (3) months. Whilst completing the work experience program the manager of the employee's base department must be made aware and may at their discretion cease the program if they determine that the program is impacting upon the employee's work productivity.
- (b) Multi-skilling

An employee is paid the minimum ordinary rate of pay for a position (other than their permanent position), for which they do not have the skills. This skill development activity may occur either during or outside an employee's ordinary hours and may continue for no longer than three (3) months.

3.1.5 Other Career Development Activities

Other career enhancement activities will be investigated, developed and implemented over the life of the Agreement. Other professional growth opportunities are available through Tourism Queensland Employing Office Learning & Development Framework. This framework offers learning and development programs for identified generic learning and development needs across the Corporation. In addition to these programs Tourism Queensland Employing Office

employees will also have access to the Further Learning Program for tertiary studies, and external courses, which address specific individual needs.

3.1.6 Secondment

Where an internal vacancy arises that will exist for a limited period of no more than twelve (12) months, a current employee with the required skills and experience for the position will be actively sourced. The process for determining selection for such a secondment will involve assessing the skills and experience of potential candidates through written applications. The availability of the employee for the period of secondment will also be taken into consideration. The full recruitment procedure will not necessarily be followed. During secondment the employee will be paid at a rate within the level appropriate to the secondment position. An employee who is fulfilling a secondment opportunity for six (6) consecutive months and is performing at a fully proficient level may have the opportunity to transfer permanently to the role should the role become available on a permanent basis whilst the employee is fulfilling the secondment.

3.2 Flexibility and Work/Life Balance Initiatives

The Tourism Queensland Employing Office aims to help support employees to maintain a balance between work and their personal lives. Tourism Queensland Employing Office believes it is important to recognise and support a work/life balance as this contributes positively towards an employee's productivity and job satisfaction. As such, this agreement offers initiatives that provide employees with a degree of flexibility to enable them to adapt their work arrangements to suit family responsibilities and personal lifestyles. This will provide the Tourism Queensland Employing Office with improved productivity and assist in retaining employees through a more effective work environment.

The parties agree to provide the measures outlined in this clause in a way that is consistent with the operational requirements of Tourism Queensland.

3.2.1 Career Break

Upon the completion of three (3) years service, a permanent employee may apply for a career break of up to twelve (12) months leave without pay.

- (a) An employee must apply in writing three (3) months in advance of the proposed start of the career break. Applications for a career break will be considered less than three months in advance of the proposed start date in circumstances that are beyond the control of the employee.
- (b) The written application for a career break shall be made to the Executive Director of the employee's Group and must include the following information:
 - (i) purpose of the career break;
 - (ii) proposed start and finish dates of the career break;
 - (iii) proposed start and finish dates of any leave to be taken in conjunction with the career break. (Please refer to clauses d and e.)
- (c) The Executive Director, in consultation with other Executive Directors, shall consider each application, on a case-by-case basis, taking into account the operational and strategic requirements of the business. Examples of this include, but are not limited to:
 - (i) where the proposed break occurs during a critical activity or period of peak demand for their work area;
 - (ii) where the employee is engaged in a key project;
 - (iii) where the employee's absence would cause significant disruption to the provision of internal or external services; and
 - (iv) if the employee is engaged in a work area or occupation where TQ is experiencing a staff shortage.
The timing and/or length of the break applied for will be considered and, where this causes the application to be declined, a suitable alternative timing and/or length may be suggested to the employee.
- (d) A career break may not be taken in conjunction with any other form of unpaid leave and may not extend beyond twelve (12) months.

- (e) A career break may be taken in conjunction with paid leave when the total period of leave taken does not extend beyond twelve (12) months.
- (f) The employee's position or equivalent position will be available to the employee upon return from a career break, subject to them providing TQ with at least three (3) months notice in writing of their intention to return from their career break.
- (g) Subsidies for further learning will not be paid to an employee whilst on a career break.
- (h) The first three (3) months of an approved career break shall be counted as service. The career break will not break continuity of service.
- (i) Employees shall be limited to one (1) career break during the life of this Agreement, subject to the requirements above.

3.2.2 Flexible Working Hours

The parties to this agreement acknowledge that work can be effectively performed outside the traditional working day, notwithstanding that hours worked need to meet the demands of specific projects, customer needs and resourcing requirements. Hours of work are detailed in clause 6.1.

3.2.3 Job Sharing

Job sharing is a work arrangement whereby two people share a full time position, dividing the workload, hours, pay, holidays and other benefits between them according to the proportion of the full time hours component that they work. The Tourism Queensland Employing Office acknowledges that for some positions, job sharing may not be a workable option. Where a job share partner leaves Tourism Queensland Employing Office, the remaining job share partner must be prepared to undertake the full-time duties until a new partner is found. Notwithstanding this, Tourism Queensland Employing Office commits to examining the feasibility of each potential job share arrangement on a case-by-case basis.

3.2.4 Leave Without Pay

In addition to the above work/life balance initiatives outlined, employees may apply for periods of up to eight (8) weeks leave without pay, noting that all leave without pay will be handled on a case by case basis, by the relevant manager and dependant upon the operational requirements of a department or team not being sacrificed as a result of other employees accessing other work/life balance initiatives.

3.2.5 Part Time

The use of part time employment is recognised as a useful tool that, where appropriate, can be used to better accommodate Tourism Queensland's operational requirements as well as assist employees who have responsibilities outside of the workplace to better manage their work and family commitments. The flexible hours as outlined in clause 6.2 of this agreement, assist part-timers to meet outside responsibilities.

3.2.6 Purchase Additional Leave

The purchase of additional leave aims to assist employees in accessing leave over and above their annual leave entitlements. The purpose of such an initiative will benefit those employees seeking a greater balance between their work and personal life. Such examples include but are not limited to employees with young families who wish to access leave during school holidays; employees who are keen on travel and seek extended leave to undertake such a sabbatical and employees who participate in activities such as sport or religious interests outside of work which may require periods of leave in excess of four (4) weeks. For further information in relation the purchase of additional leave refer to clause 7.1.4.

3.2.7 Work from home policy

The Tourism Queensland Employing Office will introduce a work from home policy in consultation with the ECC during the term of this Agreement. This policy shall set out the principles to be adhered to in relation to working from home in such a way as to provide appropriate flexibility to managers and employees to tailor arrangements to suit their needs whilst promoting transparency and greater consistency in working from home arrangements across the organisation.

PART 4 - TERMS AND CONDITIONS OF EMPLOYMENT**4.1 Contract of Employment**

4.1.1 Except as provided by the Tourism Queensland Act 1979 (as amended), employees shall be subject to the provisions of this Agreement.

4.1.2 The Tourism Queensland Employing Office will ensure employees receive sufficient training in order to carry out duties and/or use equipment and resources as directed to undertake.

4.1.3 (a) The Employer shall not dismiss an employee without giving the employee appropriate notice except:

- (i) in the case of an employee on probation as referenced in clause 4.2.2 (a)
- (ii) in the circumstances referred to in clause 4.5 Management of Organisational Change (Redundancy);

An employee may be allocated and subsequently reallocated any reasonable duties of any position within their current classification on a temporary or permanent basis.

The parties agree that the Mercer job evaluation methodology will be utilised to determine the appropriate classification for each position, unless an alternative comparable job evaluation methodology is proposed and mutually agreed by the parties. Through the life of the Agreement, the Tourism Queensland Employing Office will aim to evaluate any positions that have not previously been evaluated or that have experienced significant work value change

5	Refunding of Severance Benefit upon Re-employment.....	36

1. POLICY

1. The redundancy provisions apply only when an employee's position has become redundant, and where all redeployment options have been exhausted.
2. A position becomes redundant where a function in Tourism Queensland is no longer required and the position is no longer needed as a result of some organisational change.
3. Retrenchment will only occur in exceptional circumstances where deployment/redeployment are no longer viable options, and then only with the approval of the Chief Executive Officer.
4. Where changes to employment arrangements are necessary, the Tourism Queensland Employing Office and the employee will actively pursue retraining and deployment/redeployment opportunities.

2. REDEPLOYMENT

Prior to a redundancy payment being available, it must first be ascertained if there is a position that is the same or similar and at level to the position being made redundant, to which the employee could be redeployed. If this is available, then this redeployment automatically occurs.

If this is not possible, the following options are investigated and made available where applicable:

1. Transfer to lower level position that the employee has the skills and ability to fulfil. The employee's permanent salary immediately prior to accepting the lower level role is held for twelve (12) months.
2. Transfer to a different position at same level (where there is known to be a skill set match)
3. The employee may apply for a substantially different position at the same or higher level. The full recruitment process will be followed, including internal and external advertising if appropriate.

3. REDUNDANCY

1. Where an employee is unable to be deployed/redeployed as outlined in section 2, the manager should forward to People & Leadership a report outlining specific details in regard to the position no longer being available and the actions taken to place the employee in suitable employment within Tourism Queensland.
2. The Director People & Leadership together with the relevant divisional Executive Director will prepare a submission to the Chief Executive Officer recommending that the employee be retrenched.
3. Following approval, the Chief Executive Officer, or the delegated authority, will formally advise the employee that as the Tourism Queensland Employing Office is unable to place them in suitable employment, they will be retrenched from a specified date.
4. The specified date should be calculated on a case by case basis, dependant on the situation of each retrenchment and the role involved.

5. People & Leadership will arrange the calculation of the employee's retrenchment entitlements and make the necessary arrangements for the payment of all entitlements on the termination date.
6. Once the date the employee will cease duty is known, the employee's supervisor should commence the normal exit procedures as soon as is operationally convenient.

4. ENTITLEMENTS

The retrenchment package shall consist of the following entitlements:

4.1 Notice period

The notice period to be worked or paid in lieu of notice will be in line with the applicable terms of employment as outlined in the Enterprise Agreement or Contract of Employment.

- 4 Where the period of continuous relieving is less than twelve (12) months, long service leave shall be calculated at the employee's permanent rate, however annual leave shall be at the higher duties rate.

4.3 Severance Benefit

- 1 Full Time Employees

Two (2) weeks pay per year of recognised service and a proportionate amount for an incomplete year and paid at the employee's permanent level, with a minimum of four (4) weeks up to a maximum of 52 weeks.

- 2 Part-time Employees

A part-time employee shall be entitled to a severance benefit, on a pro rata basis, of two (2) weeks full time pay per year of recognised service and a proportionate amount for an incomplete year. A year of service is calculated on the total full-time equivalent years of service.

(Example: If an employee worked as a full-time employee for 10 years and then converted to part-time employment at 0.5 FTE for a further 5 years and 6 months, the total full time equivalent years of service would be 12.75.)

4.4 Recognition of Service

In addition to the severance package an additional payment of \$6,500 or eight (8) weeks pay pro rata whichever is the greater will be made.

4.5 Superannuation

An employee's superannuation benefit is calculated according to the prescribed conditions of the superannuation scheme of which the employee is a member.

5. REFUNDING OF SEVERANCE BENEFIT UPON RE-EMPLOYMENT

- 1 An employee who has received a retrenchment package under this policy and who is subsequently re-employed in a Queensland Government entity as a consultant or on a casual, part-time or full-time basis for a total cumulative period of more than 20 working days during the period of time covered by the severance benefit, is not entitled to retain that portion of the benefit applicable to the period of re-employment.
