If the matter is not resolved at this level, the employee/s shall discuss the matter/s at issue with the next higher level of management and the employee/s. The employee/s may request union representation or a nominated support person.

Step 3

Should the matter remain unresolved, it should then be referred to the CEO who will attempt to facilitate a resolution with the employee/s. The employee/s may request union representation or a nominated support person.

The parties agree that any arbitrated decision by the Commission will be binding on all parties to the dispute, subject to the parties' rights of appeal under the relevant legislation.
- 13.4. Whilst the dispute procedure is being followed, the continuation of work and customary work practices (status quo) shall prevail until such time as a settlement is reached, except where a bona fide Work Health and Safety issue is involved. Where a bona fide Work Health and Safety issue is involved, an employee shall not work in an unsafe environment. Where appropriate, the employee shall accept reassignment to alternative suitable duties or an alternative work environment whilst a resolution to the dispute is pending.

- 16.5. The coverage of the LAWAs may include changes in hours of work, working arrangements, annualisations, allowances and other working conditions which may be considered relevant to the improved and continuous efficiency and effectiveness of the work group. Where these changes seek to alter this Agreement or any relevant Award, the LAWAs will specify the clauses of the Award and/or this Agreement to be overridden as a consequence of the operation of the LAWAs.
- 16.6. It is acknowledged that any LAWAs agreed to during the life of this Agreement operating under a "Memorandum of Understanding" will not form a part of this Agreement, unless a variation is made to incorporate its terms.
- 16.7. By the signing of a "Memorandum of Understanding" between Council and the relevant union/s, a new

LAWA may commence prior to the expiration of this Agreement on the date specified in the LAWA and continue until the expiration of this Agreement, provided it does not disadvantage the affected employees.

- 19.2. All time worked in excess of the hours mutually agreed between Council and an employee will be overtime and paid at rates set out in accordance with the Award.

- 19.3. It is agreed that all parties to this Agreement will facilitate part-time employment where it can be demonstrated that such an arrangement does not result in any extra cost to Council, the job is appropriate to part time employment and that any arrangement proposed by the employee/s has been agreed by management in the particular work area.

20. Permanent Conversion

- 20.1. A casual or maximum-term employee working on a systematic and regular basis for a period of twelve (12) months may apply to convert their casual or maximum-term employment status to permanent full-time or part-time depending on the average hours worked over the preceding twelve (12) months. Council will take into account the following factors:

- a. Business needs specific to work areas;
- b. Regularity of hours and length of employment;
- c. Likelihood of ongoing funding available for the position; and

21. Secondments

- 21.1. Secondments are placements whereby an employee is placed temporarily in a position at the same or higher level and that the employee meets the requirements of the position.

- 21.2. The purpose of the secondment is to enable the employee to develop new or enhance their existing competencies, or enable Council to utilise an employee's unique knowledge and skills. Secondments will take place by mutual agreement between the employee and Council and details shall be documented in a written agreement between the employee, Council and the organisation sponsoring the secondment.
- 21.3. A secondment may be to an internal position or to an external organisation and any secondment to an external organisation shall be treated as leave without pay and will not constitute a break in service for the purposes of calculating long service leave.
- 21.4. On completion of a secondment, the permanent employee will return to their substantive position.

22. Job Sharing Arrangements

- 22.1. It is agreed that all Parties to this Agreement will facilitate job sharing and/or part-time employment where it can be demonstrated that such an arrangement does not result in any extra cost to Council, the job is appropriate for job sharing or part-time appointment and that any arrangement proposed by employee/s has been agreed by management in the particular work area. In particular:
- a. Job share arrangements may involve up to four (4) incumbents;
 - b. The position that job share takes place in will be treated as a single position and the hours can be split in any proportion between the incumbents as negotiated between the Manager and the incumbents;
 - c. Accrual of entitlements is proportional, based on the proportion of a full-time job being performed;
 - d. Job share positions will have a roster system that equitably distributes all public holidays proportionally to the split of hours worked;
 - e. In circumstances where one of the job share partners is absent (e.g. annual leave, sick leave etc.) or extra work is available, additional hours will be offered to the other job share partner/s at ordinary time rates within the ordinary start and finish times but with no obligation on that employee to accept the offer of additional hours;
 - f. Any additional hours outside the ordinary start and finish time will be paid at the applicable overtime rates;
 - g. Job share positions may be trialled for a period of up to three months to establish the effectiveness of the job share arrangements; and

28. Weekend Penalty Rates

- 28.1. Clause 28 (Weekend Penalty Rates) applies to employees of Council covered by *Queensland Local Government Industry (Stream A) Award – State 2017* only.
- 28.2. The ordinary hours of work shall be in accordance with the Hours of Duty Clauses contained within the Award.
- 28.3. Any alteration to the ordinary span of hours, start/finish times or spread of days on which the employee works, must be by agreement in writing, with no compulsion by either party to agree.
- 28.4. Where an employee agrees to alter the spread of days for the ordinary hours of work (e.g. any five days in seven), Council shall pay a weekend penalty rate of time and one half for all ordinary hours worked on a Saturday, and a penalty rate of double the ordinary hourly rate for all hours worked on a Sunday.

- 28.5. Where the employee seeks to alter the spread of days to include weekends to suit their personal circumstances, the agreement in writing shall indicate the change was at the employee's request, and Council shall not be liable for the weekend penalty rates.
- 28.6. Where Council seeks to alter the ordinary span of hours, start/finish times or spread of days for a new or vacant position, they must refer the matter to the relevant union for discussion and consensus prior to advertising the position.
- 28.7. This clause applies to all officers whether full-time or part-time.

29. Work Locations and Transfers

- 29.1. This clause refers to short-term and permanent transfers to different work locations and does not refer to daily "Starting work on the Job", which is dealt with by the Award.

Work Location

- 29.2. All employees at Council will have a single designated usual start/finish work location.
- 29.3. For the purposes of this clause a usual start/finish location shall mean a designated area, administration office, depot, library etc.
- 29.4. The designated usual work location shall be the employee's permanent location as per the Letter of Appointment or where amended by mutual agreement and in writing with a copy provided to the employee.

Short Term Work Location Transfers

- 29.5. For short term operational purposes, up to six (6) weeks but extendable to twelve (12) with agreement and consultation with the effected employee and relevant union, Council may require an employee to alter their usual start/ finish work location to an alternative work location from the usual starting point. Where Council requires employees to start at an alternative work location the travel/transfer allowances payable and contained within relevant Awards shall apply where such travel is to be undertaken outside of ordinary working hours.
- 29.6. The parties agree that short-term transfers are designed to provide Council with flexibility to meet specific, genuine, short-term operational work requirements.
- 29.7. Short-term transfers will not be used to unnecessarily transfer an employee or rotate employees between fixed work locations, except in the case of where on-the job training is required under a traineeship or cadetship program. When the short-term work location transfer period has been exhausted, the employee will return to their usual start/finish work location.

30. Permanent Work Location Transfers

- 30.1. Council may permanently transfer an employee to another work location within the Council Shire to meet operational needs.
- 30.2. An employee can only be permanently transferred once during the life of this Agreement, unless there is mutual agreement for otherwise.
- 30.3. Where Council makes a definite decision to permanently transfer an employee to a new designated work location after certification of this Agreement, Council will provide notification in accordance with [clause 72](#), "Workplace Change Notification" of this Agreement. The employee and any relevant union will be given eight (8) weeks' notice of the change, unless a lesser period is mutually agreed between Council, the employee and any relevant union/s.
- 30.4. Council will have available an Undue Hardship Claim form. On the form the employee must outline information so as to provide to the Council a submission it may consider on whether the permanent transfer not proceed or whether special arrangements might be considered for the employee for the permanent transfer. To meet 'Undue Hardship' consideration the employee needs to satisfy the Council that undue hardship relevant to the permanent transfer exists. In this clause, Undue Hardship is defined as circumstances where the permanent transfer has an excessive or substantial impact on the employee because of the permanent transfer of the employee to a new location.
- 30.5. Examples of this may include:
- a. Travelling costs inclusive of time and/or distance that would be reasonably seen as excessive considering the size of the Council Shire and/or the personal circumstances of the affected employee;

- b. Medical conditions that prohibit travelling such long distances, which Council may request the employee to verify through the provision of medical information;
 - c. Family or carer responsibility and/or additional cost incurred that requires direct and regular assistance that cannot be changed or carried out by another person - for instance the care of a disabled or elderly family member that requires lunch time visits for their care for which the employee has no alternative arrangement;
 - d. Inconveniences will not be considered as undue hardship.
- 30.6. CEO/Executive Director will determine an Undue Hardship Claim within fourteen (14) days of receipt of the claim and will take into consideration the following:
- a. The individual employee's specific circumstances;
 - b. Council's reason for the location change;
 - c. Costs to Council and the affected employee involved;
 - d. Availability of alternative arrangements;
 - e. Fairness and equity for all employees; and
 - f. Ability of Council to deliver efficient customer-focused service.
- 30.7. All Undue Hardship Claims require the employee to provide current information on the relevant cost burdens and other relevant information at the time of assessment or at any review.
- 30.8. If Council decides there is a valid Undue Hardship Claim, Council will either:
- a. Maintain the position in its current location; or
 - b. Allow the transfer subject to the provision of one or more of the following special arrangements:
 - Provision of commuter or operational use of a vehicle;
 - Car-pooling arrangements;
 - Work remotely;
 - Rotating location between old and new locations;
 - Changing commencing and finishing times;
 - A special travel allowance whereby the employee will receive a travel allowance as per [clause 26.5](#) for any additional kilometres which is more than ten (10) kilometres in commuter distance from home to their previous location of work (and calculated each way). This allowance will be paid at commencement of travel; or
 - Other arrangements that will assist in reducing the undue hardship including any suggested assistance detailed by the employee in their Undue Hardship claim.
- 30.9. In the situation where a position is required to be moved to another location for operational and service delivery needs; and at the same time the employee has a valid claim for Undue Hardship, then CEO/Executive Director may require the employee to be redeployed to another position in the current location, provided the employee meets the requirement of that position and is at the same classification level.
- 30.10. The CEO may offer voluntary redundancy as a last resort option following exhaustion of any redeployment options.
- 30.11. If the CEO/Executive Director does not grant an Undue Hardship Claim, it will provide the employee and any relevant union with a written reason, within seven (7) days of the determination being made at Clause 30.6.
- 30.12. If an employee's Undue Hardship Claim is denied by Council, the employee may use this Agreement's Dispute Resolution Procedure ([clause 13](#)).
- 30.13. If CEO/Executive Director grants an Undue Hardship Claim, the period of the claim may be ongoing or for a specified period normally a maximum of twelve (12) months, at the end of which time, the claim will be reassessed by Council based on any new information provided by the employee. This period may be shortened if the employee's circumstances change during the period granted for undue hardship.

31. Voluntary Work Location Transfers

- 31.1. An employee may seek voluntary transfer due to another location being more beneficial to the employee in terms of being closer to their home of residence.
- 31.2. Consideration of any such request will be at the discretion of CEO/Executive Director based on operational and service delivery requirements and availability of positions in the requested location.
- 31.3. In this case no travel allowance is payable on voluntary transfer of location.

- 32.3. The amount the employee sacrifices must be sufficient to cover the cost to Council of the benefit the employee wishes to receive, including any Fringe Benefit Tax payable on the benefit and the cost to Council of the non-deductibility of that Fringe Benefits Tax. The employee authorises Council to make those deductions from her/his remuneration, and the employee, not Council, will be responsible for any salary sacrifice arrangements established. That includes retaining or taking over from Council any ongoing legal obligations in respect of any benefits for which the employee has salary sacrificed, upon termination of the employee's employment.
- 32.4. The earnings base for calculating the employee's entitlements such as overtime, and employer superannuation contributions will not be affected by any salary sacrifice arrangements the employee enters into with Council.
- 32.5. Council recommends employees consult a taxation adviser to ensure any possible Taxation and Fringe Benefits Tax implications are understood and if any are related to a salary sacrificing agreement, before the employee signs this document. Fringe Benefits Tax is reported on the employees annual Payment Summary.

- 35.3. Where a mid-career break is approved, the terms of the break should be in writing, stating the length of the break and agreed return date and must guarantee the employees substantive position and all existing remuneration and employment benefits upon return. Any employee on an approved mid-career break shall

not accrue any leave entitlements whilst absent, however any mid-career break will not constitute a break in the employee's continuous service.

Career Development

- 36.1. The parties are committed to supporting employee career progression in accordance with the merit-based principles in the areas of recruitment, selection, training and development.
- 36.2. In order for employee career development all positions will be advertised internally first. The CEO/Delegate will only approve the simultaneous advertising both internally and externally of a position if it has been assessed as a high priority and there is a limited internal market. Where a position has been advertised simultaneously (both internally and externally), any internal applicant should be assessed for suitability before external applicants are considered based on the merit principle.
- 36.3. All advertised positions shall be made available to employees on the Council's intranet site and notice boards to enable existing employees to apply.
- 36.4. It is acknowledged and understood by the parties that external applicants include contractors and their employees.

- 39.4. Nine-Day Fortnight standard working arrangements are detailed in [Appendix 2](#).
- 39.5. Flex-Time standard working arrangements are detailed in [Appendix 3](#).
- 39.6. For Flex-Time employees it is important that at all times they follow directions given by their supervisors regarding hours of attendance.  - 45 minute lunch break taken between 12.00 noon and 2.00pm
 - 10 minute afternoon tea break to be taken as agreed
 - 5:04pm finish work.
- 1.2 The ordinary hours of duty of any employee will be as provided in the Award, subject to the total ordinary hours of duty to be worked in any one day (including tea break(s) but excluding lunch break) not being in excess of 8 hours and 4 minutes.

The following clauses apply to employees covered by the Queensland Local Government Industry (Stream B) Award – State 2017 and the Queensland Local Government Industry (Stream C) Award – State 2017:

- 1.3 Standard Hours to be worked by employees working 76 hours per fortnight during the nine (9) day working fortnight are as follows or such other times as may be mutually agreed between management and employees from time to time:
- 7:00am commence work
 - 20 minute morning tea break to be taken as agreed
 - 33 minute lunch break taken between 12:00 noon and 2:00pm
 - 4:00pm finish work.
- 1.4 The ordinary hours of duty of any employee will be as provided in the relevant Awards, subject to the total ordinary hours of duty to be worked in any one day (including mid-morning tea breaks but excluding lunch breaks) not being in excess of 8 hours and 27 minutes.

Rostered Days Off (RDO)

- 1.5 The employee shall be entitled to a day off without reduction in pay each fortnight of employment, except as is otherwise provided for in this Agreement. This RDO will normally be a Monday or Friday based on a mutually agreed rotating roster. Where it can be demonstrated that Monday or Friday RDOs are having proven significant negative effects on employees, customers and/or team operations, an attempt will be made to reach agreement on alternative arrangements suitable to both.
- 1.6 Employees who supervise or support employees who work 38 ordinary hours per week shall have the same day off without reduction in pay as the employees they supervise or support.

Temporary Suspension

- 1.7 The temporary suspension of the taking of RDOs, will be permitted during periods of intense activity associated with construction work, project work, rates levy and payment period, and the like, by agreement between the CEO (or delegate) and employees. Rostered Days Off that would normally be taken during a period of suspension, may be stored as accrued leave and taken at a time more convenient to Council operations. Accrued leave will be payable only at ordinary time rates.

Accrual of RDO's

- 1.8 There will be a maximum accrual of unused RDOs of up to five (5) days. No employee will accrue in excess of five (5) days without specific written authorisation of the CEO (or delegate).

- 1.9 This sub-clause will take effect on subsequent accruals of RDOs as and from the date of certification of this Agreement. RDOs stored prior to the signing of the Agreement must be taken within twelve (12) months of the signing of the Agreement.

Overtime

- 1.10 Subject to this Agreement, for the purpose of the overtime provisions of the various Awards which cover Council employees, the agreed hours provided for in “*Hours of Duty*” (above) will be the ordinary hours of duty. Where an emergency or work demands require the CEO (or delegate) to recall an employee on their rostered day off to work on a particular day, then that employee will be entitled to claim overtime in accordance with the relevant provisions of this Agreement. Where an employee works a full day, the employee may elect to have one (1) day added to their accrued leave entitlement, in lieu of overtime. Accrued leave will be payable only at ordinary time rates.

Sick Leave

- 1.11 Sick leave entitlements will be recorded in hours and fractions thereof.
- 1.12 With regard to absences on sick leave within the span of hours specified in “*Hours of Duty*” (above), the total length of the absence will be deducted from the individual's sick leave entitlement (i.e. $72.5/9 = 8.06$).
- 1.13 Notwithstanding the above, during a pay fortnight in which sick leave is taken, employees will be entitled to take their rostered day off, with no reduction in sick leave credits.
- 1.14 An employee who falls sick on their rostered day off will not receive any further day off in lieu.

Annual Leave

- 1.15 Annual leave entitlements will be recorded in hours and fractions thereof.
- 1.16 With regard to absences on annual leave taken within the span of hours specified in “*Hours of Duty*” (above), the total length of the absence taken will be deducted from the individual's annual leave entitlement.
- 1.17 Notwithstanding the above, during pay fortnights in which annual leave is taken, employees will be entitled to take their rostered day off, with no reduction in annual leave credits.

Termination of Employment

- 1.14 If an employee leaves the employment of the Council for any reason, they will be paid their accrued leave credit for that period, at the ordinary rate.

APPENDIX 3 – Flex-Time

Introduction

- 1.1 Flex-time is designed to allow employees maximum flexibility in determining their own working hours. In operation, the necessary constraints will be that present work outputs and service to the public must not be reduced. It is important for supervisors to recognise that employees should be allowed the greatest possible freedom to select their working hours within these constraints. It is essential for the smooth running of any large organisation that there be co-operation.
- 1.2 Employees must at all times obey directions given by their supervisors regarding hours of attendance. If a supervisor directs any of his employees to commence or cease work at a time at which the individual would prefer to be absent, the supervisor's directions are to be followed.
- 1.3 It is essential therefore, that all employees working flex-time be aware that the first priority is the maintenance of acceptable workflows. Accordingly, there will need to be co-operation between employees, supervisors and management in planning of working time so that during flex periods resources are available to service the needs of the public, other departments and organisations, and to enable the continuance of inter-office communication and services. This has to be carefully balanced against the objective of the system that employees should be afforded maximum flexibility in choosing their working hours consistent with the requirements of the system and the ultimate achievement of the groups and the department's work objectives.
- 1.4 The success or failure of the system and its continuance depends greatly on the attitudes, responses and co-operation of both employees and management. It is to be remembered that flex-time has been designed primarily to enable employees to work more efficiently and to enable them to have greater say in planning their working hours, and not to reduce the number of hours worked, nor result in reduced output, or to extend the hours worked beyond an acceptable level.

Definitions

- **Bandwidth:** Refers to that time during which work may be carried out.
- **Nominal Hours:** Nominal hours of duty are those defined in the Award.
- **Standard Day:** A standard working day is 7 hours 15 minutes.
- **Span of Hours:** Span of Hours are 6:00am to 6:00pm
- **Maximum Hours:** The maximum number of hours that can be worked in any one day (exclusive of overtime) is 8¼ hours.
- **Core Time:** These are the times during a standard day when employees must be at work, unless on approved leave.
- **Flex Debit:** A flex debit is an allowable amount below the normal hours that one is required to work, e.g. an officer who has worked only 6 hours on the one day has a flex debit of 1 hour and 15 minutes for that day. Flex debits may be shown as "DR" or "(-)".
- **Flex Credit:** A flex credit is an allowable amount above the normal hours that one is required to work, e.g. an officer who has worked 8 hours on the one day has a flex credit of 45 minutes for that day. Flex credit may be shown as "CR" or "(+)"
- **Settlement Period:** This is a period of ten (10) working days (two (2) weeks) during which employees are required to work a nominal total of 72 hours 30 minutes. Settlement periods will correspond to pay periods.
- **Core Time Leave:** This refers to an approved absence during core time using the flex-time provisions.
- **Carry Over:** This is the amount of flex credit or flex debit that may be carried over into the next settlement period. The maximum carry over is 21 hours 45 minutes of credit or debit.

Provisions of Flex-time

1.5 *Span of Hours*

Earliest starting time – 6:00am

Latest finishing time – 6:00pm

1.6 Daily Working Pattern

6:00am	9:00am	Flex Period
9:00am	11:30am	Core Time
*11:30am	2:00pm	Flex Period
2:00pm	3:30pm	Core Time
3:30pm	6:00pm	Flex Period

* During the flex period 11.30am to 2.00pm, a minimum half an hour lunch break must be taken.

1.7 Core Time

During the Core Time 9:00am to 11:30am and 2:00pm to 3:30pm, employees must be at work unless on approved leave (see later section on leave).

1.8 Flex Period

Subject to the requirements of the duties of your position and reasonable direction of your supervisor, employees are free to elect their hours of duty and times of attendance during the flex periods 6:00am to 9:30am, 12 noon to 2:00pm, and 3:30pm to 6:00pm.

1.9 Notification of Absence

Under flex-time the normal requirements apply for notification of absences where prior approval for leave has not been given. Employees who for any reason will not be attending for duty when expected and who have not received prior approval, are required to notify their supervisor as soon as possible.

1.10 Lunch Break

There is no fixed lunch break. Employees may take a lunch break between 11:30am and 2.00pm, the only requirement being that a minimum of half an hour has to be taken, and a lunch break must be taken after an employee has worked continuously for 5 hours, that is, an employee who commences duty at 8.00am must begin a lunch break not later than 1.00pm.

1.11 Rest Pauses

In accordance with the Award, rest pauses of 10 minutes duration can be taken during the morning and afternoon Core Times. There is no requirement to sign off during these periods.

Settlement Period

1.12 For flex-time the settlement period is a fortnight corresponding to the pay period. The nominal requirement is for employees to work 72 hours 30 minutes during the settlement period, except that employees will be able to 'carry over' credits or debits into the next settlement period.

Flex Debit and Flex Credit Build Up

1.13 Employees are able to build up flex credits and incur flex debits, that is, they are not required to work 7 hours 15 minutes each and every day.

1.14 The following conditions will apply to the accrual of flex credits and flex debits:

- a. Flex Credit the maximum flex credit that can be accrued in any one day is one hour, and the maximum credit that can held at any time during the settlement period is three nominal working days (21 hours 45 minutes).
- b. Flex Debit the maximum flex debit at any time during the settlement period is three nominal working days (21 hours 45 minutes).

Core Time Leave

- 1.15 Employees are required to be present during core time that is between 9:00am to 11:30am, and 2.00pm to 3:30pm unless on approved leave. However, in order to give more flexibility to the scheme, you are allowed to have a maximum of two periods of core time leave in any settlement period. For example, two (2) mornings, two (2) afternoons or one (1) morning and one (1) afternoon (separately or as a full day).
- 1.16 Core time leave can only be taken subject to the following conditions:
- a. Generally flex credits must be established prior to being used for core time leave.
 - b. Prior approval from your supervisor must be obtained (verbal approval only is required).
- 1.17 Supervisors will not unreasonably refuse applications for core time leave where the applicant has sufficient credits.
- 1.18 Employees must be able to use some of their flex credits within a settlement period if they wish; the taking of accumulated time shall be by mutual agreement, and if this is not able to be reached it will be paid out in overtime rates.

Leave and Public Holidays

- 1.19 In addition to core time leave under flex-time provisions, the Award provides for other types of leave. The following general conditions will apply with respect to all recreation, sick leave, and public holidays.
- 1.20 For the purposes of leave debits the nominal hours will be 8:45am to 5:00pm, with a 1:00pm to 2:00pm lunch period (unless other standard hours have been established in a work area). The standard day is 7 hours 15 minutes.

1.21 Sick Leave

Sick leave can only be taken during the specified nominal hours of duty on normal working days Mondays to Fridays.

The rate of accrual of sick leave for all employees, is equal to one tenth of the ordinary hours normally worked in a fortnight by the employee, (ie. $72.50/10 = 7.25$ or $76/10 = 7.6$).

Those employees on Flex-time have their sick leave deducted using the formula shown above.

1.22 Miscellaneous Leave (short periods)

Under flex-time procedures, special leave for short periods of absence taken by employees to attend to private business, or to attend to doctor's or dentist's appointments of short duration outside of core time, is not required, as these absences can be accommodated during the flex periods. Where rosters are in place it is expected that employees will advise their supervisor of such short absences so that relief arrangements can be put in place. Absence during core time must be covered by an appropriate approval for core time leave, or an application for the appropriate type of leave.

Overtime

- 1.23 Overtime is payable, with prior approval from the relevant supervisor or manager, in accordance with the Award, and generally as described below:
- a. For all work outside the Span of Hours;
 - b. For work performed in excess of $7\frac{1}{4}$ hours unless the employee elects to accumulate flex-time or TOIL credits for the first hour, and in all cases for work performed in excess of $8\frac{1}{4}$ hours in any one day;
 - c. For work performed outside nominal hours when a flex credit of $21\frac{3}{4}$ hours is exceeded; and
 - d. For work performed after five hours have elapsed from commencement of work until such time as a lunch break may be taken in which case, the provisions of Clause 13.3.3 of the Award shall apply.
- 1.24 An employee may refuse to work more than $7\frac{1}{4}$ hours on any day unless overtime rates are paid for the time worked in excess of $7\frac{1}{4}$ hours, subject to the following constraints:
- a. The obligation of an officer to work during core time is not diminished;
 - b. Overtime shall not be performed without the express approval of an authorised officer.

Nominal Hours

- 1.25 The Council retains the right to insist that the employee work during nominal hours. Employees retain the right to

insist that they work during nominal hours.

Rosters

- 1.26 Where work functions require employees to provide customer services within specified opening times, rosters may be drawn up, in consultation with the employees, within the general framework of the working hours specified.
