dispute is to continue whilst the procedure is being followed. No party shall be prejudiced as to the final settlement by the continuation of work.

10.1.3 In the event of any disagreement between the parties as to the interpretation or implementation of the parent Awards, the following procedures shall apply:

- (a) the matter is to be discussed by the employee's union representative and/or the employee/s concerned (where appropriate) and the immediate supervisor in the first instance. The discussion should take place within 24 hours and the procedure should not extend beyond 7 days;

10.2.2 The following procedure applies to all industrial matters within the meaning of the Act:

- (a) Stage 1: In the first instance the employee shall inform such employee's immediate supervisor of the existence of the grievance and they shall attempt to resolve the grievance. It is recognised that an employee may exercise the right to consult such employee's union representative during the course of Stage 1.

The employee may exercise the right to consult or be represented by such employee's representative during the course of Stage 2.
- (c) Stage 3: If the grievance is still unresolved, the manager will advise the Chief Executive Officer and the aggrieved employee may submit the matter in writing to the Chief Executive Officer if such employee wishes to pursue the matter further. 10.2.8 Subject to legislation, while the grievance procedure is being followed normal work is to continue except in the case of a genuine safety issue. 12 JOB SECURITY

12.1 Council will endeavour to maintain the current workforce for the life of this Agreement. However, matters outside Council's control, such as cuts in external funding or changes to legislation, or Government policy may result in the need to reduce staff levels. In this event Council commits to consult with the affected staff and, where relevant, their union/s prior to any reductions in staff numbers.

12.2 Council will consider the merits of calling positions internally in the first instance where there is a demonstrated and suitably qualified applicant pool internally.

13 USE OF CONTRACTORS

13.2 Where possible and where operations permit, Council's permanent employees shall first be given the option of applying for higher duties positions prior to the engagement of contractors. Selection to those positions shall be made based on merit.

13.3 Council may use Contractors where the work volume is beyond the capacity of Council resources or existing staff.
