Preamble

This Agreement provides a framework for management and employees to ensure a productive work environment that is well placed to strengthen and support the health and creativity of the organisation and the Sunshine Coast region.

Sunshine Coast Council has embraced a long-term aspirational vision to be Australia's most sustainable region - healthy, smart, creative.

This vision continues to reflect a balance in our economic, social and environmental objectives. It acknowledges our region's unprecedented growth and the rapidly evolving digital age that are significant drivers influencing council's strategic direction, priorities and services for the next five years.

Everything council does is underpinned by its values which define the culture of the organisation and the behaviours that shape our interaction with the community, partners and each other. These values are:

Respect for Each Other • Being our Best • Working as One Team • High Standards • Service Excellence

The 2017-2021 corporate plan goals – a smart economy, a strong community, a healthy environment, service excellence, outstanding organisation – provide the community and the organisation with a line of sight from the vision to the programs, projects and services that are provided by council to residents, businesses and visitors across our region every day.

The strategic pathways link these five goals to the transformational actions detailed in council's endorsed regional and supporting strategies.

Our vision, values, goals and strategic pathways address every aspect of life on the Sunshine Coast – how we live, work, and learn, raise our children, connect with our communities and enjoy all our region has to offer.

Council values the diversity of skills and experience that all employees bring to the organisation, and our workforce remains our greatest asset. Our people are physically doing the work of the council and delivering outcomes for our community every day – region-building projects, capital works projects, support programs, community services, environmental acquisitions, forward planning initiatives and community engagement – whilst continuing to provide the highest customer service standards.

We need to sustain a workplace that is engaging, collaborative and inspires excellence, whilst building a productive culture, gearing up for exciting and positive times ahead.

This 2017 – 2020 Certified Agreement supports Council's vision, values and goals. The content of this Agreement supplements the existing provisions of the *Queensland Local Government Industry (Stream A) Award – State 2017* and will prevail to the extent of any inconsistency.

12. DISPUTE SETTLEMENT & RESOLUTION PROCEDURE

12.1. Effective communication between employees and management is a prerequisite to good industrial relations and the following procedure is set down in order that any dispute may be resolved quickly to maintain efficient and sound working relationships.

12.2. In the event of any dispute/grievance arising between Council and its employee in relation to this Agreement and any employment related matter arising subject to the Queensland Industrial Relations Commission (Commission) having the jurisdiction to deal with the dispute, the following procedures shall be applied:

Step 1

Any employee/s with a dispute/grievance will promptly raise the matter/s with the immediate supervisor who will endeavour to resolve the matter as soon as possible. The employee/s may request union representation or a nominated support person.

Step 2

If the matter is not resolved at this level, the employee/s shall discuss the matter/s at issue with the next higher level of management and the employee/s. The employee/s may request union representation or a nominated support person.

Step 3

Should the matter remain unresolved, it should then be referred to the CEO who will attempt to facilitate a resolution with the employee/s. The employee/s may request union representation or a nominated support person.

Note: Where practical, the above steps shall take place within seven (7) working days.

12.3. If after the above steps the matter remains unresolved, the dispute may be referred by either party to the Commission for conciliation and if it remains unresolved either party may utilise the Commission's arbitration provisions, subject to the Commission having jurisdiction to deal with the matter. The parties agree that any arbitrated decision by the Commission will be binding on all parties to the dispute, subject to the parties' rights of appeal under the relevant legislation.

12.4. Whilst the dispute procedure is being followed, the continuation of work and customary work practices (status quo) shall prevail until such time as a settlement is reached, except where a bona fide Work Health and Safety issue is involved. Where a bona fide Work Health and Safety issue is involved, an employee shall not work in an unsafe environment. Where appropriate, the employee shall accept reassignment to alternative suitable duties or an alternative work environment whilst a resolution to the dispute is pending.

12.5. The above procedures do not restrict the Council or an authorised officer of the relevant Union from making representations to each other at any stage in this procedure.

13. COPY OF AGREEMENT

13.1. All current employees will be given ready access to a copy of this Agreement and all future employees will be provided with access to a copy upon commencement of employment.

14. LOCAL AREA WORK AGREEMENTS (LAWA)

14.1. The aim of LAWAs is to allow sufficient flexibility for those specific sections of the workforce so that Council can provide cost effective and competitive services. LAWAs are not intended to supplant or in any way derogate from the minimum work conditions set out in this Agreement. The parties recognise that a LAWA may vary the conditions of employment; however, when viewed as a whole the employee must not be in an inferior overall position in terms of conditions than they would be under the terms of this Agreement and/or the Award.

14.2. Developing a New LAWA

14.2.1. During the life of this Agreement, either a work group or Council may initiate the development of a new LAWA. The work group may include all or part of the branch, section, unit or team members as determined by the parties, but a LAWA shall not be made in respect solely of an individual employee.

- 14.2.2. As soon as possible consultation should take place between the relevant parties – i.e. Council, affected employees of the relevant Work Group and any relevant Union/s. This consultation should involve discussion of the LAWA's purpose, changes in working conditions and process for developing the new LAWA.
- 14.2.3. Establishment of a new LAWA will require approval by:
- a. Council; and
 - b. The majority (i.e. 75%) of the affected employees by a secret ballot.
- 14.2.4. All LAWAs are to be in writing and will be subject to agreement between the Council and the affected employees and any relevant Union/s.
- 14.2.5. The coverage of the LAWA may include changes in hours of work, working arrangements, annualisations, allowances and other working conditions which may be considered relevant to the improved and continuous efficiency and effectiveness of the work group. Where these changes seek to alter this Agreement or any relevant Award, the LAWA will specify the clauses of the Award and/or this Agreement to be overridden as a consequence of the operation of the LAWA.
- 14.2.6. It is acknowledged that any LAWA agreed to during the life of this Agreement operating under a "Memorandum of Understanding" will not form a part of this Agreement, unless a variation is made to incorporate its terms.
- 14.2.7. By the signing of a "Memorandum of Understanding" between Council and the relevant union/s, a new LAWA may commence prior to the expiration of this Agreement on the date specified in the LAWA and continue until the expiration of this Agreement, provided it does not disadvantage the affected employees.
- 14.2.8. Such a LAWA may be certified with the next agreement, if all parties are in agreement, provided not been terminated in accordance with clause 14.4.
- 14.3. Termination of LAWAs**
- 14.3.1. Memorandum of "Understanding" LAWA
- a. A LAWA established via a Memorandum of Understanding (see clause 14.2.6) may be terminated by either party providing eight (8) weeks' notice.
- 14.3.2. Certified Agreement LAWA:
- a. A LAWA certified with this Agreement will continue until such time as it is terminated or replaced by a new Certified Agreement, unless an earlier termination date is specified in the LAWA.
 - b. When either party seeks to terminate a LAWA which forms part of the existing Certified Agreement, then either party will be required to give eight (8) weeks' notice prior to the expiry or replacement of the current Certified Agreement.
- 14.3.3. Any dispute relating to the operation of a LAWA will be managed in accordance with the agreed procedures under the Dispute Settlement and Resolution Procedure (clause 12) of this Agreement.

PART 2 – EMPLOYMENT

15. TYPES OF EMPLOYMENT

- 15.1. The types of employment will be based on the full provisions of the Award.

16. PART-TIME EMPLOYMENT

- 16.1. Work rosters will be mutually agreed in advance and may be altered to meet operational requirements and/or work-life balance issues. Changed work rosters, including any increased or decreased hours are to be mutually agreed.
- 16.2. All time worked in excess of the hours mutually agreed between Council and an employee will be overtime and paid at rates set out in accordance with the Award.
- 16.3. Existing part-time employees employed under the Award who currently receive a Part-Time loading will continue to receive the loading until:
- The employee is no longer employed by Council;
 - The employee's hours have increased equal to the level of the previous remuneration; or
 - The employee is appointed to a position where the salary is equal to or more than the salary of the previous position.
- 16.4. It is agreed that all Parties to this Agreement will facilitate part-time employment where it can be demonstrated that such an arrangement does not result in any extra cost to Council, the job is appropriate to part time employment and that any arrangement proposed by the employee/s has been agreed by management in the particular work area.

17. PERMANENT CONVERSION

- 17.1. A casual employee working on a systematic and regular basis for a period of six (6) months may apply to convert their casual employment status to permanent full-time or part-time depending on the average hours worked over the preceding six (6) months. A maximum-term employee working on a systematic and regular basis for a period of twelve months may apply to convert their maximum-term employment status to permanent full-time or part-time depending on the average hours worked over the preceding twelve months. Council will take into account the following factors:
- a. Business needs specific to work areas;
 - b. Regularity of hours and length of employment;
 - c. Likelihood of ongoing funding available for the position; and
 - d. Legislative requirements pertinent to particular business areas.
- 17.2. Conversion would not occur if the casual/maximum-term appointment was for a specific project or relieving staff on leave for a specific period of time where there is a defined end date.
- 17.3. If an application is not approved Council will outline the business reasons for this decision in writing and the employee may discuss these with their Team Leader/Manager. If an employee is dissatisfied they have the right of appeal through the Dispute Settlement and Resolution Procedure.

18. SECONDMENTS

- 18.1. Secondments are placements whereby an employee is placed temporarily in a position at the same or higher level and that the employee meets the requirements of the position.
- 18.2. The purpose of the secondment is to enable the employee to develop new or enhance their existing competencies, or enable Council to utilise an employee's unique knowledge and skills. Secondments will take place by mutual agreement between the employee and Council and details shall be documented in a written agreement between the employee, Council and the organisation sponsoring the secondment.

- 18.3. A secondment may be to an internal position or to an external organisation and any secondment to an external organisation shall be treated as leave without pay and will not constitute a break in service for the purposes of calculating long service leave.
- 18.4. On completion of a secondment, the permanent employee will return to their substantive position.

19. JOB SHARING ARRANGEMENTS

- 19.1. It is agreed that all Parties to this Agreement will facilitate job sharing and/or part-time employment where it can be demonstrated that such an arrangement does not result in any extra cost to Council, the job is appropriate for job sharing or part-time appointment and that any arrangement proposed by employee/s has been agreed by management in the particular work area. In particular:
- a. Job share arrangements may involve up to four (4) incumbents;
 - b. The position that job share takes place in will be treated as a single position and the hours can be split in any proportion between the incumbents as negotiated between the Manager and the incumbents;
 - c. Accrual of entitlements is proportional, based on the proportion of a full-time job being performed;
 - d. Job share positions will have a roster system that equitably distributes all Public Holidays proportionally to the split of hours worked;
 - e. In circumstances where one of the job share partners is absent (e.g. annual leave, sick leave etc) or extra work is available, additional hours will be offered to the other job share partner/s at ordinary time rates within the ordinary start and finish times but with no obligation on that employee to accept the offer of additional hours;
 - f. Any additional hours outside the normal start and finish time will be paid the applicable overtime rates;
 - g. Job share positions may be trialled for a period of up to three (3) months to establish the effectiveness of the job share arrangements;
 - h. Should the job share position be deemed unsuitable the incumbents will return to their original status and position following a minimum of four (4) weeks' notice; and
 - i. If an application is not approved the employer will outline the business reasons for this decision in writing and the employee may discuss these with their Team Leader/Manager.

PART 3 – REMUNERATION

25.4. **Permanent Work Location Transfers**

The employee and any relevant union will be given eight (8) weeks’ notice of the change, unless a lesser period is mutually agreed between Council, the employee and any relevant union/s.
- 25.4.4. Where an employee is disadvantaged by being required to permanently transfer to another work location with Council which is more than ten (10) kilometres in the commuter distance from home to their previous location of work (and vice-versa) then the employee shall receive a travel allowance for the additional kilometres unless the employee has been alternatively compensated by the provision of car-pooling, commuter use of a vehicle and/or changing the commencement/finishing times to cater for the additional travelling time. This arrangement shall remain in place for a period of six (6) months from the date of transfer. Any allowance will be paid at commencement of travel.
- 25.4.5. In the event that an employee seeks consideration for Undue Hardship the employee must outline information to the Council as to whether the permanent transfer may proceed or whether special arrangements might be considered for the employee. To meet ‘Undue Hardship’ consideration the employee needs to satisfy the Council that undue hardship relevant to the permanent transfer exists. In this clause, Undue Hardship is defined as circumstances where the permanent transfer has an excessive or substantial impact on the employee because of the permanent transfer of the employee to a new location.
- 25.4.6. Examples of undue hardships which might be considered for the employee may include:
- a. Travelling costs inclusive of time and/or distance that would be reasonably seen as excessive considering the size of the Council region and/or the personal circumstances of the affected employee;
 - b. Medical conditions that prohibit travelling such long distances, which Council may request the employee to verify through the provision of medical information;
 - c. Family or carer responsibility and/or additional cost incurred that requires direct and regular assistance that cannot be changed or carried out by another person - for instance the care of a disabled or elderly family member that requires lunch time visits for their care for which the employee has no alternative arrangement.
 - d. Inconveniences will not be considered as undue hardship.
- 25.4.7. The CEO/ delegate in consultation with Human Resources will determine an Undue Hardship Claim within fourteen (14) days of receipt of the claim and will take into consideration the following:

- 25.4.9. If the delegated officer decides there is a valid Undue Hardship Claim, Council will either:
- a. Maintain the position in its current location;
 - b. Delay the transfer until a later time when suitable arrangements can be made; or
 - c. Allow the transfer subject to the provision of one or more of the following special arrangements:
 - provision of commuter or operational use of a vehicle;
 - car-pooling arrangements;
 - work remotely;

- rotating location between old and new locations or other locations that are suitable;
 - changing commencing and finishing times;
 - a special travel allowance whereby the employee will receive a travel allowance as per clause 23.2 for any additional kilometres which is more than ten (10) kilometres in commuter distance from home to their previous location of work (and calculated each way). This allowance will be paid at commencement of travel; or
 - other arrangements that will assist in reducing the undue hardship including any suggested assistance detailed by the employee in their Undue Hardship claim.
- 25.4.10. In the situation where a position is required to be moved to another location for operational and service delivery needs; and at the same time the employee has a valid claim for Undue Hardship, then CEO or delegate officer may require the employee to be redeployed to another position in the current location, provided the employee meets the requirement of that position and is at the same classification level.
- 25.4.11. The CEO may offer voluntary redundancy as a last resort option following exhaustion of any redeployment options.
- 25.4.12. If the CEO or delegate officer does not grant an Undue Hardship Claim, he/she will provide the employee and any relevant union with a written reason, within seven (7) days of the determination being made.
- 25.4.13. If an employee's Undue Hardship Claim is denied by Council, the employee may use this Agreement's Dispute Settlement & Resolution Procedure (clause 12).
- 25.4.14. If the CEO or delegate officer grants an Undue Hardship Claim, the period of the claim may be ongoing or for a specified period normally a maximum of twelve (12) months, at the end of which time, the claim will be reassessed by Council based on any new information provided by the employee. This period may be shortened if the employee's circumstances change during the period granted for undue hardship.
- 25.5. Voluntary Work Location Transfers**
- 25.5.1. An employee may seek voluntary transfer due to another location being more beneficial to the employee to them in terms of being closer to their home of residence.
- 25.5.2. Consideration of any such request will be at the discretion of CEO or delegate officer based on operational and service delivery requirements and availability of positions in the requested location.
- 25.5.3. In this case no travel allowance is payable on voluntary transfer of location.
