

QUEENSLAND INDUSTRIAL  
RELATIONS COMMISSION

**NUMBER:**

**Form 31 - Certificate of Lawyer under Rule 64D**

*Version 1*

Applicant/Appellant: **(NAME OF APPLICANT/APPELLANT IN MATTER)**

AND

Respondent: **(NAME OF RESPONDENT IN MATTER)**

I am the Lawyer for the requesting party in matter (*matter number*). My client on (*date*) has caused to be issued and served on (*identify non-party*) a Notice of Non-Party Disclosure.

That notice affected (*state name of non-party affected*) because:

- (a)\* *it sought information about [him/her, etc.];*
- (b)\* *[he/she, etc.] was the owner of [a] document(s) the notice required to be produced, namely (specify any such document).*

The person affected will not be served with the Notice under Rule 64D because I believe on reasonable grounds that (*he/she etc.*) is likely to fabricate evidence or perpetrate fraud if aware of the notice.

I state that the interests of justice are likely to be jeopardised if the person is served with the notice.

This certificate is prepared for purposes of being tendered to the Commission after the close of my client's case at the hearing.
