1.6.2 This Agreement operates in conjunction with the following awards and industrial agreements:

- (a) *Teaching in State Education Award – State 2016*; and
- (b) *Practice Teaching in State Schools Industrial Agreement*.

1.6.3 Where there is any inconsistency between this Agreement, the above Award and Industrial Agreement this Agreement will prevail to the extent of any inconsistency.

- (a) provide efficient and high quality services;
- (b) support initiatives in school-based planning, management and accountability frameworks;
- (c) implement fair and equitable employment practices; and
- (d) develop more highly skilled teachers capable of achieving more effective and efficient working arrangements, and committed to client service, continual improvement, employee accountability, ongoing learning, team work and team problem solving.

- (b) any improvements in conditions that are determined on a whole-of-government basis; and
- (c) reclassifications.

(*Note: For the purpose of this clause "General Rulings" does not include State Wage Case decisions).

PART 2 – WORKING AND LEARNING CONDITIONS

2.1 Class Sizes

2.1.1 Schools will be funded for staffing in accordance with a student/teacher ratio based on established class size targets. The parties acknowledge the fundamental importance of class size contributing to the learning outcomes of students and the health and welfare of teachers.

2.1.2 Accordingly, the Department is committed to the following maximum class size targets:

Prep, Years 1-3, Years 11-12.....25 students per teacher
Years 4-1028 students per teacher

2.1.3 The class size targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class target would be the lower cohort target.

2.1.4 Classroom teacher numbers are allocated for the purpose of facilitating class size target achievement as part of the school Day 8 staffing allocation. Classes in excess of these maximum target sizes should only occur in exceptional circumstances.

2.1.5 Where there is the possibility of class sizes in excess of these targets, the class arrangements shall be the subject of a timely, collaborative and consultative process with staff in accordance with the consultative principles contained in this Agreement including through the local consultative committee (LCC) in schools required to have one.

2.2 Use of Non-Contact Time

2.2.1 This clause is to be read in conjunction with the Award.

2.2.2 The main function of non-contact time is to undertake the necessary planning, preparation and correction to effectively carry out the role as teacher.

2.2.3 The Award entitlement to non-contact time may be used for the preparation, planning and correction of class activities. During non-contact time, teachers make decisions regarding what tasks they will complete during this period. These tasks may include:

- (a) collaborative preparation, planning and correction;
- (b) planning for class and group teaching instruction;
- (c) curriculum planning;
- (d) setting and correction of assessment items;
- (e) evaluating and assessing;
- (f) compilation of assessment records; and
- (g) planning for excursions.

2.2.4 Non-contact time will be allocated during timetable development. In primary and special schools, the timetabling of non-contact time should be by agreement at the school level between the Principal and the teacher. In those circumstances where agreement is unable to be reached, the Principal will determine the method of implementation of non-contact time. Parties are required to bargain in good faith and will not unreasonably withhold agreement.

2.2.5 Where non-contact time is unable to be accessed by a teacher due to planned school activities, timely consultation will occur to make alternative arrangements with the teacher for the replacement of such time, where appropriate.

2.2.6 Use of non-contact time provided in excess of the Award entitlement will be determined by the Principal.

2.3 Allocation of Duties – Heads of Department

2.3.1 The administration time of a Head of Department (HOD) will be as follows:

Department Description	Administration Time
Program: Less than 80 hours of program taught. Staff: Less than four full time equivalent teaching staff. Complexity: usually a small department confined to discrete subject area responsibilities.	0.4 FTE

Program: 80 - 150 hours of program taught. Staff: More than four but less than eight full time equivalent teaching staff. Complexity: Medium/average sized department (e.g. core areas in most schools including many 'non-curriculum' positions).	0.5 FTE
Program: More than 150 hours of program taught. Staff: More than eight full time equivalent teaching staff. Complexity: Large sized department (often across subject area or core in very large schools or dealing with extremely complex management or welfare issues).	0.6 FTE

2.3.2 The administration time for a HOD includes non-contact time.

2.3.3 The allocations outlined above may be varied following consultation at the school level provided that the minimum release time for HODs with greater than 80 hours of the school program taught is 0.5 FTE.

2.4 Allocation of Duties – Heads of Curriculum

2.4.1 The following administrative time arrangements apply for Heads of Curriculum (HOC) in primary and special schools:

225 < 300	0.6 FTE	0.2 FTE	0.2 FTE
300 > 325	0.5 FTE	0.2 FTE	0.3 FTE

2.4.2 Schools with model allocated HOCs will contribute 0.2/0.3 administration time from their school CCT allocation.

2.4.3 Schools with school funded HOCs will be required to fund the administration time for these HOCs with a minimum 0.4/0.5 according to the above thresholds.

2.4.4 Primary and special HOC are allocated pro rata non-contact time according to their teaching load.

2.5 Allocation of Duties – Heads of Special Education Services

ST 2 – 4 (Band 7)	0.5 FTE

2.5.2 The administration time for a HOSES does not include non-contact time.

2.8 Extension of Spread of School Hours

2.8.1 The parties recognise the existence and currency of the hours of work provisions of the Award.

2.9 Access to Long Service Leave as Cultural Leave

2.9.1 An employee may apply for long service leave as cultural leave provided that the period of leave sought is not less than one day.

2.10 Productivity, Service and Reform Initiatives

2.10.1 The parties commit to productivity, service enhancement and long-term reform initiatives as characterised by workforce management initiatives including:

(a) provision for the secondment allowance under the Award to be adjusted so that it is commensurate with the allowance paid to a three year trained Senior Teacher. The secondment allowance should be adjusted in line with the increases to the Senior Teacher allowance provided that teachers who are currently receiving a higher amount shall continue to receive that amount for the life of this Agreement; and

(b) consolidation of leave loading.

2.11 Promotional Positions

2.11.1 Broad banding

(a) Broad banding of Principal and HOSES positions will involve the grouping of adjacent bands in

order that a person appointed on merit or through relocation to a school of a particular band may progress to the higher band in cases where that school has been re-evaluated to the next band. These broad banding arrangements will also apply to a Deputy Principal located in a Band 8 primary or special school in the event that a school is re-banded to a Band 9 school. It will not be possible for a Principal to broad band into an Executive Principal position.

- (b) A Principal or HOSES shall be eligible for only one such progression in accordance with this provision without an appointment to a higher band through merit selection process.
- (c) A second progression may occur for Principals following a closed merit selection process. This process will include the substantive Principal and at level Principals who have submitted an application for relocation.

2.11.2 Position re-evaluation

For the purposes of this Agreement, clause 12.3.5 of the Award will apply to all employees remunerated under Stream 2 Heads of Program and Stream 3 School Leaders of this Agreement.

2.11.3 Deputy Principal – Special Education

- (a) As determined by the Evaluation Review Committee (ERC):
 - All employees on HOSES Stream 2 level 4 (Band 7) at 1 July 2016 will transition to the relevant Deputy Principal (Special Education) i.e. Deputy Principal School Leader Classification (Band 7).
 - After 1 July 2016 programs determined as warranting a HOSES Stream 2 level 4 will transition to the relevant Deputy Principal (Special Education) i.e. Deputy Principal School Leader Classification (Band 7).

Above employees will be remunerated in accordance with the relevant Deputy Principal classification applicable to the school.

- (b) A HOSES who broad bands to the School Leader stream under these circumstances will be entitled to hold school leadership positions within special education programs or special schools only.
- (c) A Deputy Principal (Special Education) may apply for relocation to school leadership roles in other sectors but their entitlement to access these roles will be determined by the Applicant Review Panel.

2.12 Recognition of Service – Special Leave

- 2.12.1 The parties agree that from the date of certification of this Agreement approved service as a teacher while on special leave without salary will be recognised for classification purposes only. Such service will be recognised upon provision of required documentation. The parties are to determine the definition of approved service.

2.13 Maximisation of Permanency and Conversion

- 2.13.1 In accordance with current state government policy, the Department reaffirms its commitment to the maximisation of permanent employment and the maintenance of job security for permanent employees. As such, temporary teacher numbers as a proportion of teacher establishment numbers will be carefully monitored with a view to identifying any significant data that would exceed current levels of temporary employment.
- 2.13.2 Whilst the Department will commit to restrict temporary or casual employment to bona fide short-term engagements (12 months or less), the Unions recognise the need to maintain the use of temporary or casual employment in respect of vacancies for transfers or bona fide short term projects. The parties recognise the use of temporary and casual employment as legitimate organisational options.
- 2.13.3 Where a temporary teacher is engaged for three year's continuous service in the same role or cumulative service of three years in the same role, provided that breaks in employment do not exceed a total of three months in the previous years, will be eligible for conversion to tenured status under a process agreed between the parties.
- 2.13.4 Where an individual case or a trend has been monitored of an alleged inappropriate temporary or casual engagement, the issue shall be raised in the first instance with the Principal and, if still unresolved, with the

regional office and then central office, if required. If still unresolved, the issue may be referred to the QIRC or the Public Service Commission as appropriate.

- 2.13.5 During the life of the Agreement the parties agree to explore and implement options regarding the conversion of temporary employees under school-purchase arrangements with a view to maximising permanent employment.

PART 3 - DISPUTE RESOLUTION

All workplaces covered by this Agreement shall operate on the basis that effective consultation between teachers and administrators is an essential measure to ensure that change within the workplace is managed in a manner consistent with the principles established through this Agreement.

The requirement for workplaces to operate in a consultative manner is not intended to impinge on the capacity of School Leaders to make operational decisions except where such decisions would have an impact on the industrial entitlements of teachers, administrators and support staff covered by this Agreement.

The parties agree that any significant changes to the operation or organisation of the Department which may adversely affect the conditions, workloads and/or work-life balance of employees covered by this Agreement shall be the subject of timely consultation between the parties.

Consultation involves more than a mere exchange of information. For consultation to be effective, the teacher must be contributing to the decision-making process, not only in appearance, but in fact.

3.1 School-based Consultation

- 3.1.1 LCCs are the principal workplace level consultative forum for industrial organisations and the employer and, where one is established, the LCC shall be representative of all employee groups.
- 3.1.2 A LCC shall be established in all workplaces with 20 or more employees although smaller workplaces are not prevented from establishing an LCC where this is desirable.
- 3.1.3 Where the formation of an LCC is required, a formal record of meetings shall be maintained.
- 3.1.4 LCC shall meet at least once a term and on an ongoing basis as required.
- 3.1.5 Membership of LCC shall comprise equal representation of employees nominated by management and by the Unions. While the size of the LCC is not prescribed, an LCC will usually consist of eight members: that is, four management representatives and four Union representatives provided that two Union representatives are QIU members.
- 3.1.6 Management representatives on a LCC shall include the Principal and other members as nominated by the Principal.
- 3.1.7 Union representatives on a LCC shall be determined by the relevant union through whatever processes they deem appropriate.
- 3.1.8 Broadly, the role of the LCC shall include at least the following:
- (a) to act as the school's management/staff/union consultative forum;
 - (b) to oversee the implementation and application of the terms of this Agreement within the school;
 - (c) to resolve, wherever possible at a local level, disputes on the general application of matters contained within this Agreement;
 - (d) to contribute to the planning of smooth change management (including significant changes to work practices) at a school level, wherever possible, towards fulfilment of the parties' commitment to cooperate in the implementation of the model of school-based management; and
 - (e) other roles as agreed by the parties.
- 3.1.9 The LCC will be a key mechanism for managing workload issues at the workplace level.

- 3.1.10 Matters requiring consultation with LCC shall include: flexible student free days; school staffing proposals; bus and playground duty staffing needs; meal break variations; extensions to the spread of school hours and areas as required by Joint Statements between the Department and the QTU.
- 3.1.11 Without limiting the provisions of the *Education (General Provisions) Regulation 2006* (Qld), the purpose, frequency and duration of staff meetings will be subject to consultation with the LCC.
- 3.1.12 All representatives shall have access to training on the principles and processes pertaining to the operation of LCC. The parties commit to provide joint training for LCC members on the functions of a LCC, and their roles and responsibilities. Such training shall be agreed between the parties.

3.2 School-based Consultation – Staffing Flexibility

- 3.2.1 The LCC will be consulted with respect to school staffing proposals in accordance with the following terms:
- (a) funds allocated to staff must be used for the employment or professional development of employees;
 - (b) the effect of any proposed change on class size;
 - (c) changes to staffing mix will only occur in the event of a substantive vacancy; and
 - (d) where the staffing proposal seeks to vary the role, or the fraction of that role as performed immediately prior to the substantive vacancy arising, workload management considerations are to form part of the consultation.
- 3.2.2 Staffing proposal decisions will be made by consensus, wherever possible.
- 3.2.3 The parties commit to use their best endeavours to resolve any issue preventing consensus being reached at the school level.
- 3.2.4 Where consensus cannot be reached, the LCC views are to be noted by the final decision-maker, being the Chief Executive or their nominee.
- 3.2.5 Copies of the staffing proposal considered and endorsed by the LCC shall be kept on record at the school and forwarded to the Department for distribution to the Unions who are a party to the Education Consultative Committee (ECC).
- 3.2.6 Where one of the parties believe a staffing proposal subject to LCC consultation may contravene this Agreement, the Award or relevant legislation, that party will advise the other such that there will be timely consultation in an endeavour to resolve any dispute at the local level wherever possible.

3.3 Consultation Processes for Small Schools

- 3.3.1 Where a school is not required by the terms of this Agreement to establish a LCC, in addition to the principles of consultation outlined in this Agreement the procedures outlined in this section shall be deemed to be the minimum standard of consultation to be undertaken.
- 3.3.2 Small schools must consider the following issues in consultation:
- (a) review of existing committee structures so as to avoid overlap and duplication of effort;
 - (b) when considering staffing mix decisions within school/staffing budget and issues affecting the working conditions of employees, consultation with those staff who will be affected should be undertaken as a first step; and
 - (c) staff involvement in meetings should be assisted by scheduling meetings in a way that accommodates employees with family responsibilities.

3.4 The Education Consultative Committee

- 3.4.1 The ECC is the peak Employer/Union body for workplace reform and other significant employee relations issues. The committee has a coordinating role with regard to departmental consultation.
- 3.4.2 Membership of the ECC will comprise equal representation of management and Union nominees.

- 3.4.3 The composition of the ECC will comprise employer representatives of the Department and representatives from the QTU, the Together Queensland, Industrial Union of Employees, and the United Voice, Industrial Union of Employees, Queensland Branch.
- 3.4.4 The ECC will meet in accordance with the terms of references outlined in the *State Government Departments Certified Agreement 2015*.
- 3.5 Dispute Resolution Procedures**
- 3.5.1 The objectives of this procedure are:
- (a) the avoidance and resolution of any dispute over matters covered by this Agreement, by measures based on the provision of information and explanation, consultation, cooperation and negotiation;
 - (b) reduction in the level of disputation; and
 - (c) the promotion of efficiency, effectiveness and equity in the workplace.
- 3.5.2 Subject to legislation, while the dispute procedure is being followed, normal work is to continue except in the case of a genuine safety issue. The status quo existing before the emergence of a dispute is to continue whilst the procedure is being followed. No party shall be prejudiced as to the final settlement by the continuation of work.
- 3.5.3 There is a requirement for management including the Principal or the person in charge of the centre to provide relevant information and explanation and consult with the appropriate Union representatives.
- 3.5.4 In the event of any disagreement between the parties as to the interpretation or implementation of this Agreement, the following procedures shall apply:
- 3.5.5 Stage 1 – Resolution at the school level
- (a) In the first instance, the employee will inform the Principal or the officer in charge of the school or centre of the existence of the dispute and they will attempt to resolve the dispute. It is recognised that an employee may wish to exercise their right to consult with the relevant Union during the course of Stage 1.
 - (b) Discussions should take place between the employee and the employee’s supervisor within 24 hours. This procedure should not exceed five working days (i.e. this time commences after the employee has informed the Principal or the officer in charge of the school or centre of the existence of the dispute or grievance).
- 3.5.6 Stage 2 – Resolution at regional office
- (a) If the dispute remains unresolved, the employee shall refer the dispute to the relevant Union representative or industrial officer, if any, and to the Regional Director or nominee, who will arrange a conference of the parties with a view to resolving the matter. The employee may exercise the right to consult or be represented by their Union representative during the course of Stage 2.
 - (b) This process must not extend beyond seven working days from the date that the matter is referred to the regional office.
- 3.5.7 Stage 3 – Resolution at central office
- (a) If the dispute or grievance remains unresolved it will be referred to the Joint Department/QTU Resolution Committee (Resolution Committee). - 8.2.6 Temporary teachers engaged from the commencement of the school year for a minimum of one semester will be required to attend the two mandatory student free days that fall in the period prior to the commencement of student instruction. Schools will be required to fund attendance of such temporary teachers for one of the two mandatory student free days prior to the commencement of student instruction.
- 8.2.7 The Department will provide casual and temporary employees' access to professional development opportunities as follows:
- (a) Temporary teachers engaged on contract at a school will be invited to access in service/professional development opportunities offered by the school provided that their attendance does not incur additional costs for the Department. These costs may include program costs and costs associated with the engagement of relief teachers for professional development held during rostered duty time.
 - (b) Temporary and casual relief teachers who are engaged with or have an active application with the Department may be invited to access professional development opportunities provided at a Regional, District or cluster level offered by the Department. Such access will be offered on the basis that their attendance does not incur additional costs for the Department and that any fees or contributions required of permanent employees for attendance and materials shall be payable by casual and temporary teachers, where applicable.

8.3 Paid Leave During Summer and School Vacation Periods – Temporary Teachers

- 8.3.1 Temporary teachers who are engaged from the commencement of a school year (including student-free days) for the full school year and are re-engaged in a permanent or temporary capacity by no later than the beginning of the third week of the next school year will be entitled to paid leave for the duration of the summer vacation period.
- 8.3.2 Temporary teachers who are engaged as secondary school teachers who work a full school year and cease employment two weeks or less prior to the end of that school year will be entitled to paid leave for the duration of the summer vacation period if re-engaged in a temporary contract by at least the beginning of the third week of Term One of the next school year.
- 8.3.3 The Department undertakes to work pro-actively with those teachers who may be eligible to receive the full vacation pay if they are employed in Term One of the next year to identify potential positions and appoint them to those positions prior to the end of the school year in an endeavour to enable payments to continue over the summer vacation period.
- 8.3.4 Temporary teachers who are engaged no later than the beginning of the third week of a school year for the remainder of the school year and then are re-employed in a permanent or temporary capacity from the commencement of the following school year (including student-free days) will be entitled to pro rata paid leave calculated in accordance with sub clause 8.3.6 below.
- 8.3.5 Temporary teachers who have breaks in service during the course of the school year will receive pro-rata paid leave for the summer vacation period provided that there is not more than nine school days (excluding student-free days) during the school year when they did not work, and who are re-employed by at least the beginning of the third week of the following school year, will be entitled to pro rata paid leave calculated in accordance with sub clause 8.3.6 below.
- 8.3.6 Eligible temporary teachers' pro rata entitlement to paid leave during the summer vacation period in accordance with sub clauses 8.3.4 and 8.3.5 above will be calculated as follows:
- (Number of school days engaged in school year ÷ Number of school days in school year) x Duration of summer vacation period
- 8.3.7 Except where otherwise entitled to any period of paid leave during the summer vacation period, temporary teachers who work a minimum of 100 days in any one school year and work on a temporary contract for a minimum of ten days in total during Term Four of that school year will be entitled to paid leave during the summer vacation period calculated in accordance with sub clause 8.3.8 below provided that a teacher

- 8.3.8 Eligible temporary teachers' pro rata entitlement to paid leave during the summer vacation period in accordance with sub clause 8.3.7 above will be calculated as follows:

(Number of school days engaged in school year ÷ Number of school days in school year) x 20 days

- 8.3.9 Entitlement to pro-rata paid leave during the summer vacation period will not affect the entitlement of temporary teachers to paid leave during mid-year school vacation periods in accordance with the Award.

- 8.3.10 In calculating the entitlement to paid leave during summer vacation periods for temporary teachers, the total period of employment shall include periods of casual supply teaching. However, because casual payments include a loading in lieu of leave benefits, supply teaching service will be counted only to determine eligibility and does not itself attract a pro-rata vacation entitlement

These initiatives will be reviewed by the RAIS advisory committee no later than July 2018 and extended to other RAIS centres in accordance with aggregate expenditure and as agreed between the parties.

10.4 The parties acknowledge that the RAIS advisory committee will continue in its roles of advising the Department on proposed strategies to continue attracting and retaining quality teachers in rural and remote Queensland and reviewing Compensation Benefits on an annual basis.
