- 8.3.5 Provided that it shall not be necessary for an employee to produce such a doctor's certificate if an employee's absence from work on account of illness does not exceed two days.
- 8.3.6 Sick leave shall be cumulative, but unless Western Downs Regional Council and employee otherwise agree, no employee shall be entitled to receive, and no employer shall be bound to make, payment for more than thirteen weeks absence from work though illness in any one year.

- 8.3.10 *Procedure for Monitoring Sick Leave Usage*
- (a) The parties recognise that sick leave is conditional upon an employee being ill or injured to the point of being unfit for duty. It is an insurance to protect the employee and family against hardship should he/she be unable to continue in the employee's normal occupation when injured or ill.
  - (b) This procedure is designed to equitably scrutinise Sick Leave usage by employees and to identify employees who have a proven pattern of recurring absences, and to implement a system of counselling.
  - (c) At the end of each three monthly period the Organisation will review attendance of employee's records who have been absent from work for more than three days on sick leave.
  - (d) The Organisation will then have the matter examined in the following manner:

- (i) Check the pattern of leave;
  - (ii) Check the past history of absences to see if this pattern is unusual for the employee
  - (iii) The results of the above checks should be recorded for future information;
  - (iv) If the results of the two consecutive periods show possible unsatisfactory attendance and reasons for absence, then the following actions should be taken subject to notification.
- (e) Formally notify the employee of a forthcoming interview between Western Downs Regional Council, in the presence of his/her Care Manager and notify the employee he/she may have an Industrial Organisation representative present if that employee so requests. The employee shall be afforded full opportunity to explain the absences and to examine the evidence against the employee. If no satisfactory reason is given for the absences, then a letter is to be sent to the employee, stating the employee will be required, in order to be entitled to payment for any time he/she is absent from work in future, to produce a medical certificate. The employee will be entitled to have his/her explanation placed on his/her personal file.
- (f) If a similar pattern is observed in the next period, the employee is again interviewed, as in clause 8.3.6 above, and if the interview results give unsatisfactory reasons again, then a second letter is to be sent to the employee, also indicating proof of illness or a certificate may be required for any absence for the next six months.
- (g) If the above action still results in further unsatisfactory attendance at work then the employee may face termination of employment.
- (h) The above procedure does not limit the Organisation's right to dismiss or discipline an employee with a proven pattern of recurring absences or sick leave, nor does it omit the employee's union's right to seek redress through the QIRC for any employee so disciplined or dismissed.
- (i) The parties recognise that the above procedure must be implemented on a fair and equitable basis having regard to the need to promote co-operation and industrial harmony in the workplace.
