9. Dispute Settlement/Resolution

Effective communication between employees and management is a pre-requisite to good industrial relations and the following procedure is set down in order that any grievance or dispute may be resolved quickly to maintain sound work relationships.

The following procedures shall be adopted by the parties in circumstances where a dispute/grievance arises. In circumstances where Council's issues resolution or grievances procedures do not resolve the complaint, the parties may refer the matter to the QIRC for conciliation and, where appropriate, arbitration

Any disagreement between the parties as to the interpretation or implementation of this Agreement or any workplace dispute shall be subject to the following steps:

At the workplace

During the dispute the status quo existing immediately prior to the matter giving rise to the dispute will remain and work shall continue as it was prior to the dispute without stoppage or the imposition of a ban, limitation or restriction. However, where the dispute involves a bona fide health and safety issue, affected employees shall not work in the unsafe environment but shall accept reassignment to alternative works / work environment in the meantime.

No party shall be prejudiced as to final settlement by the continuance or work in accordance with this clause.

Any disagreement between the parties as to the interpretation or implementation of this Agreement or any workplace dispute shall be subject to the following steps:

- (a) Stage 1 -the employee is to notify (in writing) their immediate supervisor of the nature of the grievance and the remedy being sought. Employees may elect to be accompanied by a union representative/support person. In the event that the dispute/grievance is with the immediate supervisor, then the employee can progress direct to Stage 2.
- (b) Stage 2 -if the matter remains unresolved after Stage 1, the employee may request that the supervisor refer the matter to the relevant Department Head. Again this meeting should be held within five working (5) days of the employee request. Employees may elect to be accompanied by a union representative/support person.
- (c) Stage 3 -if the matter remains unresolved after Stage 2, the employee may request that the supervisor refer the matter to the Chief Executive Officer. These discussions should be held within five working (5) days of the employee request. Employees may elect to be accompanied by a union representative/support person.
- (d) Stage 4 -if the matter remains unresolved, then either party may refer the matter to the QIRC. The parties agree that a dispute referred to the Commission will request conciliation in the first instance and arbitration as a final resort if necessary.

Once referred to the QIRC the parties are bound by the outcome.

Either party may raise the issue to a higher stage at any time having regard to the issue involved. Provided that dispute shall not be referred to the next stage until a genuine attempt to resolve the matter has been made at the appropriate stage.

There shall be a commitment by the parties to achieve adherence to this procedure including the earliest possible advice by one party to the other of any issue or problem that may arise to a grievance or dispute. Throughout all stages of the procedures all relevant facts shall be clearly identified and recorded.

The parties are committed to providing for more flexible working arrangements, enhancing the productivity of Council, improving the quality of working life, enhancing skills and job satisfaction and assisting positively in the operation of the Regional Council.

The parties agree that there is a need to address workplace efficiencies, effectiveness and services and agree to investigate further flexible working arrangements and continue existing arrangements, provided the increased flexibility contributes to greater productivity.

The parties commit to the following principles:

- (a) Acceptance in principle that new structures may be more suitable for the needs of Council, reflecting the different skill levels of the tasks to be performed and which shall incorporate the ability for an employee to perform a wider range and/or variation of duties where appropriate.
- (b) Co-operation in the transition from current structures and definitions to new structure without creating false expectations or disputation.

- (f) Must be within proper time management guidelines.

This clause will operate at the discretion of the Chief Executive Officer.

11.5 Rostered Days Off (RDO)

The parties agree that the principle behind RDOs is for the RDO to be taken when due.

11.5.1 External Staff

Employees associated with the Works Department of Council operations will work a nine (9) day fortnight cycle. This work cycle will provide a rostered day off each fortnight.

Generally, no banking of RDO's will be permitted, however in line with the flexibility previously agreed to, and if required to work RDO's by Management, employees may bank up to a maximum of five (5) days with three (3) days to be used either during the Christmas closedown or at Easter (depending on operational requirements).

Also, upon the request of an employee or management representative, a rostered day/s off can be reallocated to a different day with the agreement of a majority of staff within a work group. This decision would then apply to all staff within the work group.

This clause shall not preclude the parties agreeing to a different work cycle depending on operational circumstances.

11.5.2 Internal Staff

Employees associated with the Administrative Department of Council operations will work a nineteen (19) day month. This work cycle will provide one (1) rostered day off each four (4) weeks of work.

Also, banked RDO's may be taken at any other time subject to agreement between the employee and supervisor. All RDO's will be available when required subject to employees giving at least one (1) weeks notice in writing to their supervisor and provided that Council operations and provision of services are not interrupted or rendered less efficient or more costly.

This clause shall not preclude the parties agreeing to a different work cycle depending on operational circumstances.

11.6 Time Off In Lieu (TOIL)

Overtime can only be worked with the prior approval of Management. Any overtime worked by employees covered by this agreement shall be paid at the appropriate penalty rate. Provided, however, where the employee elects to take time off in lieu of such overtime, and the employer agrees, he/she shall be allowed time off duty the number of hours worked on overtime.

Such time off shall be on a one for one basis, paid at the ordinary time rate of pay, and may be taken at any time subject to the following conditions:

- (a) The employee has accumulated an appropriate amount of 'Time Accrued' at the commencement of the day upon which the period of accrued time off is required;
- (b) Operational needs are to be considered when time off is granted and employees time off will only be approved when it doesn't impose on operational demands.
- (c) Prior approval of the supervisor has been obtained. Where four or more hours accrued time off is to be taken such requests must be submitted to the supervisor with at least 24 hours notice.
- (d) In the case of an emergency an employee may contact their manager and arrange take this time off without 24 hours notice.

Generally, time off in lieu of overtime shall be given and taken within 3 months of the occurrence of the overtime. However with management approval, time off in lieu, up to a maximum of three (3) days may be banked and used during the annual closedown period. (Annual closedown banked time - RDO and/or TOIL cannot exceed the 3 days). All other time off in lieu not taken within the 3 months will be paid on a one for one basis.

Where time off in lieu is not granted by the Council within the prescribed period, the time off shall be either added to the employee's annual leave (no loading) or paid to the employee at the applicable overtime rate.

If however, during this period the employee requests to be paid out instead of time off, the time off will be paid at single time.

13. Miscellaneous Conditions

13.1 Higher Duties

For the purpose of this agreement, each employee who performs higher duties will be paid at the higher rate for the actual hours worked. If an employee was to work more than four hours at a higher level then they will be paid for the whole shift.

13.2 Employee Development/Training

The parties recognize that in order to increase the efficiency and productivity of the Council, a significant commitment to structured training and skill development is required.

Council is committed to training staff and developing a more highly skilled and flexible workforce. Training and skill development, where possible, is to be carried out in normal working hours, and where possible travel will be undertaken during normal business hours.

It is acknowledged that training is of mutual benefit for both Council and the Employee; as such any training provided outside of Working hours shall be accrued or paid at ordinary time.

13.2.1 Reclassification (External Workforce)

Where it is identified that an employee performs a duty on a regular basis that is of a higher classification rate he/she shall be reclassified to the higher level rate.

Regular basis is defined as working greater than fifty percent (> 50%) of their working time in the previous year on a consistent basis at the higher rate, however does not prevent the Council from reclassifying an employee at any time.

Provided that in all other cases, the Higher Duties clause above is to apply.

13.2.2 Training on Plant and Equipment

Whilst not removing the responsibility of Council to provide training for employees, the utilization of Council plant/equipment, which is not required for Council projects at a given time, may be authorised by the CEO for training/gaining of experience. It is envisaged that, in selected circumstance, the Council would make such plant/equipment and an operator available for employees to gain experience and operator's qualification. Such training would be done in the employee's time. The Council in turn would provide the item of plant and an operator to carry out the training.

13.3 Travel/accommodation

Council agrees to pay and recognize all reasonable costs and time off incurred when employees are required to attend courses, lectures and other agreed activities which:-

- Satisfy organizational development needs.
- Are directly related to employee work areas.
- Provide skills appropriate to employees' career paths.
- Are required to provide professional/trade credentials, and which shall be reimbursed by Council provided that this does not contravene any existing Award provision.

Any training outside normal working hours shall have regard to an employee's family responsibilities.

All reasonable travelling and/or out-of-pocket expenses including meals incurred by an employee in the course of the employee's duties shall be reimbursed, and no employee will suffer from loss of pay.

An employee required to travel as part of the employee's duties at hours outside the prescribed ordinary hours of work shall be paid for such traveling time at ordinary rates, provided that such payment shall not exceed the ordinary hours on any day.

However if an employee attends a conference/seminar which is approved by Council, but not essential to the employee's role, and travel to the conference/seminar requires the officer to travel outside of normal working hours, such travel may be undertaken on the officer's own time; that is, no labour cost will be incurred by Council by the traveling outside of normal working hours. Council will be responsible for all reasonable costs associated with the accommodation/bus fares/airfares/motor vehicle costs/meals, etc. of the employee attending the conference/seminar.

13.4 Service Time

If service time is not worked and services are carried out during ordinary working hours, service overtime is not to be claimed or paid.

13.5 Maximum Use of Plant

One object of this Agreement is to get the maximum benefit and use of Council's plant. Where necessary, particularly on specific projects more than one driver may be used to operate an item of plant over an extended period of time.

13.6 Compensation Top-Up

It is agreed between the parties that where employees are receiving Work Cover payments, after 6 months of receiving Work Cover payments, such payments shall be topped up to the employee's normal weekly wage by the Council up to a period of 12 months of receiving Work Cover payments. (ie between 6 months and 12 months)

To facilitate this, a written request to the Chief Executive Officer is required.

13.7 Employment Security/Use of Contractors

The parties recognise that Council wishes to preserve as many of the positions at each centre that currently exist within Council. Council will take steps to ensure that the Council has the benefit of a stable and committed workforce.

Such steps shall include measures to increase the security of employees' employment, however, the parties recognize that the Council will require the use of contractors to carry out council work:

- (a) Where the work volume is beyond the capacity of Council resources or existing staff;
- (b) Where the type of work or specialisation required is beyond the capacity of Council resources or existing staff;
- (c) Subject to these provisions, Contractors and/or their employees will not be appointed to any position as permanent employees unless normal recruitment and selection processes have been followed.
- (d) Council will formally include in all Contractor Tender Specifications that Contractors are required to ensure that the wages and conditions of those contract employees are not in breach of any Federal and/or State Regulations, Acts or relevant Awards pertaining to their employment.

The use of contractors/labour hire personnel will be managed in a manner that ensures the best business needs are met without eroding the job security of existing permanent employees.

13.8 Redeployment

The Council will provide income maintenance with EBA wage increases for a period of 12 months from the date the employee is made a redeployee.

Employees, who are redeployed to a lower level position, when leave is taken, will have all accrued entitlements up to the date of being a redeployee paid at the pre income maintenance rate of pay.

13.9 Employment Relations

13.9.1 Union Encouragement

Council recognizes its responsibility under the Full Bench of the Queensland Industrial Relations Commission issued "Statement of Policy on Union Encouragement" (reported V165QGIG Folio 221) that encourages an Employee to join and maintain financial membership of the Union.

Council will provide for Union Participation as per the Local Government Employees' (Excluding Brisbane City Council) Award -State 2003 -Clauses 11.4 and 11.5.

13.9.2 Documentation to be provided by employer

At the point of engagement, the Employer shall advise employees that a Statement of Policy on Union Encouragement has been issued by the Commission, a copy of which is to be kept on the premises of the Employer in a place readily accessible by the employee.

The Employer shall also identify the existence of a Union encouragement clause in this Award.

13.9.3 Union delegates

Union delegates and job representatives have a role to play within a workplace. The existence of accredited Union delegates and/or job representatives is encouraged.

The Employer shall not unnecessarily hinder accredited Union delegates and/or job representatives in the reasonable and responsible performance of their duties.

13.9.4 Deduction of union fees

The Employer shall, on the request in writing of any employee, pay to a Union nominated by the employee out of the money due to such employee in respect of wages, the annual contribution of such employee as a member of that Union.

13.9.5 Trade Union Training Leave

Paid leave of absence of up to five (5) days per calendar year *may* be granted to employees who are recognized Union delegates to attend trade union training, ACTU or specific union courses approved by the Branch Executive of the union. *Provided that the operations of Council will not be unduly disrupted*

13.9.6 Trade Union Entry to the Workplace

Following consultation with relevant management (or Human Resources), authorized officers of the Union will have rights of access and entry to the premises of Council for the following purposes;

- (a) Meeting with workplace delegates; and
- (b) Meeting with members of staff, and
- (c) Meeting with relevant management team members on matters associated with this agreement or current industrial workplace issues

14. Leave

14.1 Bereavement Leave

Employees may be granted up to a maximum of five (5) days off work upon the death of an immediate family member (as defined by the award). These five (5) days shall be comprised of three (3) days Bereavement leave, on each occasion, plus part of their leave entitlements to a maximum of two (2) days with sick leave entitlements.

Employees may be granted up to two (2) days leave from sick leave entitlements on each occasion where the deceased person is a relative but falls outside the definition of an immediate family member (as defined by the award).

The taking of bereavement leave shall be subject to the production of evidence of death satisfactory to the Chief Executive Officer or an Executive Manager delegated in writing, or the completion of a statutory declaration, if so requested.

Access to bereavement leave in other circumstances may be available subject to the agreement of the Chief Executive Officer or an Executive Manager delegated in writing.

14.2 Annual Leave

All employees covered by this agreement will be entitled to five (5) weeks annual leave each year and 17.5% loading.

Annual Leave due shall be taken within two (2) years of the due date unless Council approves accrual beyond two (2) years.

Annual leave entitlements as at 1 July 2009 are preserved as applicable at the time.

14.2.1 External Staff

Employees will take a minimum annual leave of three (3) calendar weeks over the Christmas/New Year period shutdown and the balance of leave to be taken at the employee's discretion.

The balance of leave is to be taken as a minimum one week block after the request for such leave has been given in writing to the Chief Executive Officer at least two (2) weeks before the commencement of such leave. The Chief Executive Officer's decision on the granting or not of this leave will be final. Leave will not be unreasonably withheld.

Such annual leave shall be exclusive of any statutory holiday which may occur during the period of that annual leave.

Employees working on essential services (as determined by Council) are to be excluded from this clause.

14.3 Leave without Pay

After 12 months satisfactory service leave without pay for special circumstances will be available to all employees at the discretion of the Chief Executive Officer up to a maximum of 1 year and such leave will not constitute a break in the continuity of service of the employee.

Leave without pay for periods greater than six (6) months under these circumstances is on the understanding that Council may backfill the position and that the employee on their return will be placed in a relative vacancy at their same rate of pay, and not necessarily in their previous position. For periods less than six (6) months Council will return the employee to their previous position.

14.4 Long Service Leave

Long service leave provisions of thirteen (13) weeks leave entitlement after ten (10) years service will apply. Pro-rata long service leave will be available upon termination of service after seven (7) years service.

Long service leave is to be taken in minimum periods of two (2) weeks.

Long Service Leave entitlements as at 1 July 2009 are preserved as applicable at the time.

14.5 Sick Leave

15 day's sick leave will be available per annum in the first and subsequent years of service to be taken and approved in accord with Council Policies.

There shall be no limit on the maximum amount of sick leave that an employee may accrue.

Sick Leave entitlements as at 1 July 2009 are preserved as applicable at the time.

14.6 Parental Leave

14.6.1 Maternity Leave

On application, Council will pay six (6) weeks Maternity Leave at full pay or twelve (12) weeks at half pay, in addition to the existing parental leave conditions. Maternity Leave applies to eligible Council employees who are pregnant or have given birth to a child. This shall also include adoption of a child under one (1) year of age. To be eligible for this payment, employees must have completed two (2) years service. Employees who have less than 2 years but greater than 1 years service will be entitled to half this amount.

14.6.2 Enhanced Parental Leave

Staff must qualify for parental leave in accordance with the provisions of the relevant parent award to gain additional access to annual leave and long service leave as prescribed below:

- (a) Staff may nominate to take annual leave as part of their parental leave on the basis of doubling their current available annual leave days and being paid at half pay, and /or
- (b) Staff eligible for long service leave after seven years may nominate to take their long service leave as part of their parental leave in accordance with the terms of this agreement.
- (c) The combination of paid maternity leave (if applicable), annual leave at half-pay and early access to long service leave together with unpaid parental leave shall not exceed 52 weeks in total.

For Part time employees this clause will apply on a pro-rata basis.

14.6.3 Paid Paternity Leave

On approved application, Council will pay one week's Paternity Leave at full pay to the eligible employee subject to the employee having had two (2) years continuous service with Council.

14.7 Emergency Services Leave

Where an employee is a member of the Emergency Services (including Rural Fire Brigade) and who attends an emergency during working hours, such employee will suffer no loss of pay.

On approach from an Emergency service, an employee may be granted leave for training purposes provided such training is in line with Council's Training Policy, and does not affect the operations of Council.

14.8 Jury Service Leave

Leave without pay shall be granted to officers required to attend for jury duty. Where the amount of jury fee is less than the normal salary of the officer, Council shall pay the employee their normal salary and the employee shall refund to Council any monies received from the Court.

15. Annual Closedown

Council operations shall be closed during the Christmas and New Year period. A skeleton crew as identified by management will be maintained on duty for the duration of the shutdown.

Staff will initially self-roster for the shutdown periods acknowledging that if agreement cannot be arrived at by staff, management will appoint staff to the skeleton crew as necessary. Final approval of the roster is with management to ensure that the necessary skilled personnel remain on the skeleton crew.

During the shutdown period staff acknowledge that they will undertake a variety of duties, as tasks require.

Employees will be required to take leave over this period.

16. Superannuation

Council, on behalf on employees, shall pay into the Local Government Superannuation Fund (LG Super) payments at least at the minimum prescribed by the *Local Government Superannuation Act 1985*.

This agreement binds Council to pay such superannuation payments only into the approved fund on behalf of all employees both current and future for the life of the agreement. This agreement further binds all employees both current and future to have superannuation payments paid into the approved fund on their behalf for the life of the agreement.

17. Performance / Productivity Measures

The parties agree that the use of Key Performance Indicators (KPI's) are an important measure of productivity and efficiency and will be implemented to monitor progress towards the achievement of critical business goals of the Council and will be a key component of future Enterprise Bargaining Agreements.

As such, the consultative committee will establish a set of KPI's.

KPI data will be available to all employees and will be regularly reviewed by the Consultative Committee to assess achievement of performance targets. Outcomes of the review and subsequent changes (if required) will form part of the ongoing process of continuous improvement.

Whilst the achievement of the KPI's are not linked to salary increases, it is the intention of Council for all future EBA's to have a direct correlation between salary increases and achieved of agreed KPIs'.

Examples of KPI's which could be considered include but not limited to:

- Workplace Health and Safety
- Quality Assurance
- Stores Stocktakes
- Plant Revenue/Utilization
- Absenteeism
- Leave Accruals
- Performance Appraisals completed
