This clause does not preclude increases that may occur as a result of reclassifications under the Award.

## **1.9 Implementing Local Area Agreements (LAA's)**

- 1.9.1** The parties recognise the need for “across the board” arrangements as outlined in this Agreement, together with supporting Local Agreements which address issues of concern for specific sections of the workforce.
- 1.9.2** Accordingly, it is intended that this be an overarching Agreement and that, progressively, a series of Local Area Agreements (hereafter called “LAA's”) may need to be developed to ensure that all Employees and Council have the opportunity and flexibility necessary to be able to provide services which are viable, cost effective and competitive within certain work groups.
- 1.9.3** The aim of the LAA is to allow sufficient flexibility for those specific sections of the workforce so that Council can provide cost effective and competitive services.
- 1.9.4** LAA's are not intended to supplant or in any way derogate from the minimum work conditions set out in the parent Agreement. The parties recognise that a LAA may vary the conditions of employment; however, when viewed as a whole the Employee must not be in an inferior overall position in terms of conditions than they would be under the terms of this Agreement or the relevant Award.

## **1.10 Process for LAA's**

- 1.10.1** LAA's will be encouraged and implemented subject to the following requirements:
- 1.10.2** The majority (65%) of Employees covered by the introduction of a LAA must agree to the change.
- 1.10.3** The LAA will be in writing and will be subject to Agreement between the Council and the relevant Union(s), and signed by the Council and Branch/State Secretary of the relevant Union(s).
- 1.10.4** Development of the LAA will involve the Council, Council Employees directly affected and relevant Union/s.
- 1.10.5** The scope of areas covered by the LAA may include all of a service unit or a section or group of employees as determined by the parties. A LAA shall not be made in respect of an individual Employee.
- 1.10.6** Where local initiatives have implications for other Branches, employee representatives from those Branches will be invited to participate in the discussions.
- 1.10.7** Where local initiatives seek to alter the Award or this Agreement, the LAA will specify the clauses of the relevant Award and/or this Agreement to be overridden as a consequence of the operation of the LAA.
- 1.10.8** It is acknowledged by the parties that any Local Area Agreements agreed to during the life of this Certified Agreement will not form a part of this Certified Agreement, unless a variation to this Certified Agreement is made to incorporate its terms. However by approval of the relevant Union(s), a new LAA developed during the life of this Certified Agreement may come into operation prior to the Agreement's expiry, provided it does not disadvantage the employees involved.
- 1.10.9** All existing LAA's will form part of this Agreement. Refer to the schedules at the back of this Agreement.
- 1.10.10** The content of the LAA may be extensive and will examine all areas of employment conditions which may be considered relevant to the improved and continuous efficiency and effectiveness of the workplace.
- 1.10.11** Any dispute relating to the operation of a LAA will be managed in accordance with the agreed procedures and the timelines under the grievance and dispute clause of this Agreement.
- 1.10.12** During the life of this Agreement, if the parties determine a LAA is required, consultation with the relevant Union will occur in regard to the process and content of such Agreement(s).

## **2.1 Hours of Work and Overtime - General**

Hours of work and overtime provisions for all employees shall apply in accordance with the provisions of the relevant section of the Award unless specifically varied in this Agreement.

## **2.2 Hours of work under the 9 day fortnight arrangement Stream A employees**

- 2.2.1** The standard hours will be worked as a 9 day working fortnight by employees working 36.25 hours per week as follows:-
- 8.00 am - commence work
  - 10 minute tea break to be taken mid-morning - paid
  - 46 minute lunch break to be taken within 5 hours of start time - unpaid
  - 10 minute tea break to be taken mid-afternoon - paid
  - 5.00 pm - finish work
- 2.2.2** The maximum ordinary hours of duty shall not exceed 8 hours 14 minutes per day which shall include 10 minutes additional time worked per day to be banked and taken as Christmas Leave.
- 2.2.3** Employees shall in accordance with the Award be required to observe the nominated starting and finishing times for the work day, including designated breaks to maximise the available working time. Any change to nominated starting and finishing times shall only occur following consultation with the affected employees and where relevant their Union.
- 2.2.4** Provided that Supervisors of 38 hour per week employees shall be paid an additional 1.75 hours per week at their ordinary rate to compensate for the additional hours worked above 36.25 hours per week.

## **2.3 RDO Stream A employees**

- 2.3.1** Each employee working pursuant to the above arrangement shall be entitled to a Rostered Day Off (RDO) in each fortnight. The RDO shall be either a Monday or Friday as may be mutually agreed, provided that Council may determine the RDO to be either a fixed Monday or Friday where for operational reasons a uniform RDO is required.
- 2.3.2** Provided further that the RDO may be determined by Council to be a mid-week day, where specific customer service requirements necessitate uniform staffing levels across the working week. In the first instance expressions of interest will be sought in the affected area, and only where this cannot be satisfied, will Council exercise its discretion. In doing so, Council will ensure appropriate equity in terms of rostering for mid-week RDO. This proviso shall apply to Council's Customer Service and Community Engagement Branch, and may apply to other Branches in Council following consultation with the JCC and the relevant Unions.
- 2.3.3** The Council and an individual employee and/or the majority of employees concerned may agree to accrue up to a maximum of 5 rostered days off or may agree to change the day on which an RDO is taken. Where such Agreement has been reached, the accrued rostered days off shall be taken within 12 calendar months of the date on which the first rostered day off was accrued. Consent to accrue or change rostered days off shall not be unreasonably withheld by either party.

## **2.4 Additional Variations to hours of work Stream A employees**

- 2.4.1** Council may exclude employees defined in clauses 2.2 and 2.3 from this arrangement in accordance with the following criteria and processes:
- a) There is a regulatory or legislative requirement for the officer to be available for a 10 day period; or it would prejudice Council's efficient operation.
  - b) The type of work or specialisation required to be performed by the employee is beyond the capacity of the resources of other employees at Council and alternative arrangements utilising other employees cannot be made without adversely affecting productivity and/or service levels of Council.
  - c) The removal of employees from the 9 Day Fortnight Arrangement will not be used to avoid increasing employees' requirements to meet developing work demands or to circumvent the availability and delivery of training to other employees. Equally, and subject to Clauses (d, e and f) hereof, the retention of a person in a Key Position on the 9 Day Fortnight should not require

additional or temporary employees to cover the absence of the officer on an RDO, nor the provision of training exceeding normal developmental standards generally expected in the context of the relevant Award and this Agreement.

- d) Council will provide the relevant Union with a list of Key Positions to which this criteria applies on a quarterly basis. A review of the Key Position Register will be undertaken quarterly through the JCC process to ensure the continuing applicability of the 10 day fortnight criteria. Key Positions may be nominated to a maximum of 100, as approval by the CEO, if the positions meet the above criteria and following consultation with the relevant Union. Positions may be deleted following consultation with the relevant Union if the position circumstances change and they no longer meet the Key Positions Criteria.
- e) Should the maximum 100 key positions be reached the parties agree to consult in relation to the operation of the cap, with the objective of adjusting the 100 key position limit in line with increases to Council's staff establishment. Where Council's establishment, on a year to year basis, grows, the JCC agrees to consult with the relevant Unions about increasing the cap to meet relativity requirements.
- f) If an occupied Key Position is currently worked on a 9 day fortnight, this shall remain in force and only convert to a 10 day fortnight if the existing incumbent is prepared to do so on a voluntary basis or when the position next becomes vacant. Council will monitor the work expected to be performed by incumbents in Key Positions to ensure they continue to meet the Key Position Criteria.
- g) Council will provide an employee who occupies a Key Position and who works a 10 day fortnight with a salary loading of 10% of the appropriate salary point of the substantive grading for their position.

## **2.5 Libraries & Creative Industries Branch Hours Stream A employees**

- 2.5.1** The 9 Day Fortnight Arrangement will not be applicable to those employees engaged in Council's Libraries and Creative Industries Branch performing shift work in accordance with the Award.
- 2.5.2** The Parties acknowledge that a number of Libraries and Creative Industries Branch positions (maximum of 20) may be required to operate on a regular rostered Tuesday to Saturday work arrangement, while other positions in this area will continue to be employed on a Monday to Friday basis.
- 2.5.3** Employees currently working Monday to Friday may only have their hours altered by mutual Agreement.
- 2.5.4** The incumbents rostered to work Tuesday to Saturday shifts, are required to cover the spread of hours from 8.00 am to 8.08 pm. Employees required to finish any shift after 6.00 pm, will be paid a shift premium of 15% in addition to the employee's ordinary rate of pay for that day.
- 2.5.5** Where an employee is required to work a shift commencing on a Saturday as part of the normal Tuesday to Saturday shift roster, they will qualify for payment at their ordinary rate of pay for that day plus a 50% loading.
- 2.5.6** Employees required to work on a permanent Tuesday to Saturday shift arrangement will be paid for their annual leave at their projected roster rate when they proceed on such leave.
- 2.5.7** Employees engaged to work on the Tuesday to Saturday roster shall be paid at single time rates or time off in lieu, by mutual Agreement, for statutory holidays which fall on a Monday.

## **2.6 Hours of work under the 9 day fortnight arrangement Stream B and C employees**

- 2.6.1** The standard hours to be worked during the 9 day working fortnight by employees working 38 hours per week are as follows:
  - 6.45 am - Commence work
  - 20 minutes Morning Tea break paid
  - 45 minutes Lunch break to be taken within 6 hours of start time

4.06 pm - Cease work

**2.6.2** The maximum ordinary hours of duty shall not exceed 8 hours 36 minutes per day which shall include 10 minutes additional time worked per day to be banked and taken as Christmas Leave. Provided that starting and ceasing time specified above may be altered by mutual Agreement.

**2.6.3** Employees shall in accordance with the Award be required to observe the nominated starting and finishing times for the work day, including designated breaks to maximise the available working time. Any change to nominated starting and finishing times shall only occur following consultation with the affected employees and, where relevant, their Union.

## **2.7 RDO Stream B and C employees**

**2.7.1** Each employee working pursuant to the above arrangement shall be entitled to an RDO in each fortnight.

**2.7.2** The RDO shall be either a Monday or Friday as may be mutually agreed provided that Council may determine the RDO to be either a fixed Monday or Friday where for operational reasons a uniform RDO is required.

**2.7.3** Provided further that the RDO may be determined by Council to be a mid-week day, where specific operational requirements necessitate uniform staffing levels across the working week.

## **2.8 Additional Variations to Hours of Work (All Employees)**

**2.8.1** Where an RDO falls on a public holiday, the RDO shall be moved to either the working day before or the working day after the public holiday.

**2.8.2** All work performed on an RDO shall be paid for at overtime rates.

**2.8.3** While staggering of hours of a limited number of employees or classifications over the full spread of hours shall still be permitted, Council will not adopt "split shifting" of employees so as to commence a substantial part of the workforce at the beginning of the day before 8.30 am and commence another substantial part of the workforce (more than 50%) so as to conclude at the end of the day after 5.30 pm.

## **2.9 Flexible Working Hours (All Employees)**

**2.9.1** The ordinary hours of work shall be worked Monday to Friday inclusive between the hours of 6.00 am and 6.00 pm.

**2.9.2** Notwithstanding clauses 2.2 to 2.6, Council and the relevant Union(s) may mutually agree to the introduction of a system of flexible working hours. A system of flexible working hours assists employees to combine work and family responsibilities, as well as providing productivity benefits, including the potential of improved customer service. Flexible hours can involve changing of starting and finishing times, RDOs, shift work, flexi-time, staggered hours, compressed working weeks and a range of other flexible working practices.

**2.9.3** Any change of the standard hours outlined in clauses 2.2 to 2.6 to an alternate flexible working hours arrangement outlined above shall be by mutual Agreement in writing between the employee and relevant supervisor/manager provided that where a proposed flexible working hours arrangement involves a number of employees, the majority of such employees must agree to the change.

## **2.10 Casual Employees**

**2.10.1** Casual employees shall be engaged under the full provisions of the Award provided that casual employees engaged under this Agreement shall work and be paid according to the starting and ceasing times of the standard hour's provision set out in clauses 2.2 and 2.6 before overtime applies.

**2.10.2** Council guarantees that casuals will not be used to reduce the number of permanent full time, part time or temporary employees in Council.

## PART 3 : LEAVE PROVISIONS

### 3.1 Leave Provisions – General

Leave provisions for all employees shall apply in accordance with the provisions of the Act and supplemented by the Award unless specifically modified in this Agreement.

### 3.2 Equity of Long Service Leave and Personal Leave Entitlements

Council commits to the equalisation to Long Service Leave and Personal Leave entitlements to the standard prescribed by the Queensland Local Government Industry (Stream A) Award – State 2017.

### 3.3 Sick Leave

3.3.1 Sick Leave Entitlements shall be recorded in hours and fractions thereof.

3.3.2 The actual duration of such absence shall be deducted from sick leave entitlements.

3.3.3 Employees shall be entitled to take the RDO, with no reduction in Sick Leave Credits.

3.3.4 An employee who falls ill on the RDO shall not receive any further day off in lieu.

### 3.4 Payment of accumulated Sick Leave

3.4.1 In order to promote productivity and encourage employees who wish to reduce their sick leave absenteeism levels, Agreement has been reached to introduce a program, on a strictly voluntary basis, whereby for every 5 days of unused sick leave employees are entitled to accrue per sick leave year they will be paid 1 days' pay, with their sick leave balance reducing by 1 day.

3.4.2 Accordingly employees may register, on a voluntary basis, for a payout of part of their unused sick leave whereby:

- a) For every 5 days of unused sick leave employees are entitled to accrue per sick leave year, employees will be paid 1 days' pay, with their sick leave balance reducing by 1 day; for example:

<i>Sick Leave Taken</i>	<i>Paid Entitlement</i>	<i>Sick Leave Balance Reduced By</i>
0 days	3 days	3 days
1-5 days	2 days	2 days
6-10 days	1 day	1 day
11-15 days	Nil	Nil

- b) Payment will be made in the first pay period following the employee's sick leave anniversary date.

3.4.3 The initial entitlement for new employees who register upon commencement shall be calculated at their first anniversary date.

3.4.4 The initial entitlement for existing employees who register shall be calculated for the 12 months from their next sick leave anniversary date to the following anniversary date.

3.4.5 An employee's registration will be ongoing, but can be withdrawn at any time by advising the Pay Office in writing.

### 3.5 Sick Leave Taken Prior To RDO

In concert with Council's absenteeism reduction strategies, the parties agree that, subject to local management approval, employees will be able to elect, in the situation where they fall sick in a fortnight period prior to them taking their RDO, that the employee will have the option of working the RDO rather than using their sick leave entitlement. Where this occurs, the employee will receive their ordinary time earnings for the RDO worked and not overtime.

### 3.6 Sick leave Credit To Annual Leave

3.6.1 Employees who have been incapacitated during periods of annual leave, may claim a credit for that annual leave from their sick leave entitlements, provided that they produce an original copy of a signed

medical certificate from a duly qualified Medical Practitioner stating the duration of the incapacity and covers a minimum of 1 working day for that employee. Where this occurs the employee's annual leave entitlement and sick leave entitlement will be re-credited accordingly.

- 3.6.2** This clause will not apply if the illness was caused, or contributed to, by the employee's own negligence or their participation in sport, games or other activities in respect of which such employee receives any payment by way of fee or bonus.

### **3.7 Sick Leave Absenteeism Strategy**

- 3.7.1** The parties acknowledge that personal leave entitlements are designed to assist and protect employees who are genuinely ill or injured.
- 3.7.2** Managers will be provided with both corporate absenteeism figures as well as the specific absenteeism data relating to employees in their specific Branch. Managers will, as part of their EPMS accountabilities, be required to manage sick leave absenteeism, in their area of control, on an ongoing basis.
- 3.7.3** Managers will review the Absenteeism Report as it relates to employees under their control to determine any particular patterns emerging with respect to sick leave taken.
- 3.7.4** The following will constitute particular patterns:
- a) 1 or 2 day absences either side of an RDO or a weekend or public holiday after the fourth occurrence in any 12 month period.
  - b) 1 or 2 day absences on a regular basis amounting to 5 or more occasions in a 12 week period.
  - c) 1 or 2 day absences totalling 10 days or more in any 6 month period.
- 3.7.5** If any or all of the patterns above are occurring Managers shall, in consultation with Council's People and Culture Branch:
- a) Require the employee to submit a medical certificate or a Statutory Declaration for any or every subsequent absence on sick leave for the following 12 month measuring period.
  - b) In the event that a recurring pattern is observed in the subsequent 12 months, indicating a lack of remedial action by the officer, either by way of failing to undertake recommended courses of action by Council's Medical Practitioner or ignoring the advice of Council's Medical Practitioner, the employee will be subject to formal Diminished Work Performance action which may lead to disciplinary action and finally separation from Council's employ.
- 3.7.6** Where an employee's record of attendance at work deteriorates to a point where it can be deemed to be unsatisfactory as per clause 3.7.4 (a), (b), or (c) above, taking consideration of medical advice and personal circumstances, Council may introduce a system whereby the employee will be required to produce satisfactory evidence, which may include a doctor's certificate, before payment of any sick leave is made.
- 3.7.7** Where, in consultation with the employee, it is determined that the services of Council's Employee Assistance Program may assist in re-establishing normal work patterns, employees will accept referral as an appropriate remedial action. Corporate absenteeism figures shall also be reported to the JCC on a quarterly basis to enable the parties to determine relevant strategies and actions to address emerging trends.
- 3.7.8** Appointments being made to attend non urgent medical matters, e.g. routine medical or dental check-ups or other medical appointments which are not the result of an incapacity to perform work are to be made after hours, on weekends or on the employee's RDO, or by accessing their annual leave. Re-crediting of annual leave due to emergent incapacitation should be addressed under Clause 3.6.1.
- 3.7.9** All employees who are unable to attend work due to illness on any work day or shift shall notify their immediate Supervisor, Manager or Director of their inability to attend work as soon as possible after normal starting time, but in any event, within half an hour of their normal starting time for the day or shift on which they are absent and shall, unless exceptional circumstances exist, advise of the reason for the absence and of the expected duration of such absence.
- 3.7.10** Notwithstanding the above, employees are not expected, nor encouraged to present for work when they are clearly unwell and should always consult with their medical practitioner when they are unsure of whether to present for work. The aim of these measures is to reduce the level of lost productivity caused by unsatisfactory absences and not to force employees who are feeling genuinely unwell to present for work.

- 3.7.11** The above procedure does not operate to withdraw the Council's right to take termination action or other disciplinary action against any officer if that officer has been found guilty of filling out a false sick leave application form and claiming sick leave pay when that person was not genuinely sick.
- 3.7.12** Employees who are members of a recognised Union may request their Union Representative to be present at the interview in relation to absenteeism where managing diminished performance or discipline is being contemplated.

### **3.8 Vested Sick Leave**

- 3.8.1** The parties are in Agreement that any person employed on or after the 18 July 1995, shall not be entitled to any benefit prescribed in clause 9.3 of the Agreement to Pay Accumulated Sick Leave.
- 3.8.2** The parties further agree that the benefits of the Agreement to Pay Accumulated Sick Leave Scheme now available to employees of Council who commenced employment prior to 18 July 1995, shall be preserved by the deletion of Clause 3 of the said Agreement to Pay Accumulated Sick Leave.
- 3.8.3** The parties also agree that the operation of this scheme is to be fully explained in writing to all new and prospective employees prior to commencement.
- 3.8.4** The parties further agree that employees who as at 1 January 2009 have an entitlement under the "Agreement to Pay Accumulated Sick Leave" shall, provided that a minimum sick leave balance of 8 weeks is retained, be able to access, on a voluntary basis, 1 or more of the following arrangements to facilitate the payment of this benefit:
- a) Apply for 1 or more payments, up to the limit of their entitlement, prior to cessation of employment; and/or
  - b) Have a designated amount sacrificed into Superannuation; and/or
  - c) Convert their accrued entitlement to unloaded annual leave; and/or
  - d) Payment of the accrued entitlement upon cessation of employment, for other than serious misconduct.
- 3.8.5** Access to any of the above options does not affect the ongoing accumulation of future entitlements under this scheme.
- 3.8.6** It is recommended that employees prior to exercising any of these options seek professional advice.

### **3.9 Carers Leave**

- 3.9.1** Personal leave used to care for an immediate family or household member. For the purposes of this clause the term immediate family includes:
- a) Spouse, (including a former spouse, a de facto spouse and a former de facto spouse of the employee);
  - b) Child (including adopted child, foster child, step child or an ex-nuptial child) of the employee;
  - c) Parent, grandparent, grandchild or sibling of the employee or spouse of the employee.
- 3.9.2** Notwithstanding clause 3.9.1 above, provided that a member of the immediate family or household is admitted to hospital, carer's leave, of not more than 1 day on each occasion, shall be granted under this provision to enable the employee to accompany and support the immediate family or household member.
- 3.9.3** The employee shall, if required, establish by production of a medical certificate or statutory declaration, the illness of the person concerned.
- 3.9.4** The employee shall, wherever practicable, give the employer notice prior to the absence of the intention to take leave, the name of the person requiring care and their relationship to the employee, the reasons for taking such leave and the estimated length of absence. If it is not practicable for the employee to give prior notice of absence, the employee shall notify the employer by telephone of such absence at the first opportunity on the day of the absence.
- 3.9.5** An employee may take unpaid carer's leave by Agreement with the Council.
- 3.9.6** An employee taking unpaid carer's leave may with the consent of their employer work "make up time" under which the employee takes time off ordinary hours and works those hours at a later time, during the spread of ordinary hours provided by the Award.

- 3.9.7** An employee may elect with the consent of the employer to take annual leave in single day periods not exceeding 10 days in any calendar year and may elect to defer the payment of annual leave loading until 5 consecutive days of annual leave are taken.
- 3.9.8** Where an employee has exhausted all paid personal leave entitlements, they are entitled to take unpaid personal leave to care for members of their immediate family or household who are sick and require care and support or who require care due to an unexpected emergency. The employer and the employee shall agree on the period. In the absence of Agreement, the employee is entitled to take up to 2 days (up to a maximum of 16 hours) of unpaid leave per occasion.
- 3.9.9** Casual employees are entitled to carers leave in accordance with the Act.

### **3.10 Purchasing of additional annual leave**

- 3.10.1** The parties have agreed that employees may apply for, and Council may consider, extended annual leave as an attractive alternative to the standard 4 weeks annual leave provided by Council. Subject to management approval and the operational needs of Council, employees may make application to extend their absence on annual leave by a minimum of 1 week or a maximum of 2 weeks each year, purchased on a weekly basis. Council shall not unreasonably withhold Agreement for employees to purchase of annual leave.
- 3.10.2** If approval is given for this to occur, the employee's annual salary/wage will be divided by 52, then multiplied by the relevant divisor. This reduced annual salary/wage will then be the employee's annual salary/wage for all purposes of the Award and will be paid throughout the year, including when they proceed on annual leave. The 17.5% annual leave loading will be paid on the employee's normal salary/wage rather than at the reduced rate, to a maximum of 4 weeks paid annual leave.
- 3.10.3** Reduced salary has superannuation impacts and employees wishing to avail themselves of this provision will need to be satisfied as to the superannuation rules that will apply and meet any financial consideration as necessary.

### **3.11 Pro-rata Annual Leave / Part day Annual Leave**

The parties agree that subject to prior approval, annual leave may be taken prior to the due date of the employee's entitlement to annual leave. In such cases the leave entitlement shall be calculated on a pro-rata basis. The parties further agree that subject to prior approval, annual leave may be taken in single days or part of a single day not exceeding a total of 10 days in any calendar year. Employees granted leave under this arrangement must have accrued the leave prior to its being taken.

### **3.12 Christmas Leave**

- 3.12.1** In order to facilitate a closedown (excluding skeleton staff requirements) period at Christmas, all employees, excluding casuals, will be required to work additional time each working day to accumulate 4 days as paid time to be taken during the Christmas Closedown period.

- 3.12.2** This arrangement shall operate as follows:

#### **Full time employees working:**

- a) A 9 day fortnight shall work an additional 10 minutes per day; or
- b) A 10 day fortnight shall work an additional 8 minutes per day; or
- c) Any other fortnightly hours arrangement, shall work additional time sufficient to accrue 4 paid days of Christmas Leave.

#### **Part time employees shall work an additional 8 minutes per day.**

- 3.12.3** The above accumulated time will be credited for full time employees at the rate of 1 day's ordinary time for each employee in employment as at the following dates; 14 February, 16 May, 15 August, and 15 November in each year.
- 3.12.4** A full time employee requested to work during the Christmas period shall be required to take the time accumulated in clause 3.12.2 above prior to 31 May in the year following.
- 3.12.5** Part time employees shall be credited with 8 minutes per rostered shift and be paid out for all accumulated hours in the pay week prior to Christmas in each year.
- 3.12.6** Part time employees shall not work their normal roster during the closedown period for which they have been paid as per clause 3.12.5 above, unless they have been requested to work by their Branch Manager for operational reasons.

**3.12.7** In the event the part time employee has not accrued sufficient time to equal their normal roster then they may take annual leave to make up the equivalent time to their normal roster for that closedown week. Part time staff who receive payment for their accumulated hours may not take annual leave for which they have received payment of their Christmas leave.

**3.12.8** An employee who leaves Council's employ during the year shall be paid for the time accumulated at the employee's ordinary time rate.

### **3.13 Long Service Leave at Half Pay**

**3.13.1** The parties have agreed that on a voluntary basis employees may apply for, and Council may consider, applications for Long Service Leave to be taken at half pay.

**3.13.2** Having regard to Council's operational and organisational resourcing requirements, where approval is given for Long Service Leave to be taken at half pay it must also be taken at twice the period the employee would normally be required to take such Long Service Leave on full pay. The salary or wage rate applicable in these circumstances is therefore effectively apportioned over the total period of Long Service Leave taken, at the rate of half pay.

**3.13.3** Taking long service leave at half pay has superannuation impacts. It is therefore necessary for employees to satisfy themselves that they are complying with the superannuation rules and where necessary make financial adjustments to meet those rules.

### **3.14 Long Service Leave Taken In 5 Day Blocks**

The parties have agreed that, and subject to Council's operational requirements, employees will be permitted to take Long Service Leave in minimum periods of 5 working day blocks at any one time. This is conditional on the employee having completed sufficient continuous service and having an accrued Long Service Leave entitlement to cover such absence.

### **3.15 Pro-Rata Long Service Leave**

**3.15.1** Employees who have completed 5 years continuous service with Council, shall be entitled to take a period of long service leave up to the equivalent of accrued long service leave. This leave must be taken in accordance with Clause 3.14 of this Agreement i.e. in not less than 5 day blocks. Provided that this leave shall be recovered from an employee's accumulated leave entitlements and any salary/wages held in hand in the event they terminate prior to reaching 7 continuous years' service with Council.

**3.15.2** Where there has been service with a prior relevant entity (see definition below), the payment of the above pro rata long service leave entitlements shall be subject to there being sufficient credit received by Council from such previous employing relevant entity.

A "relevant entity" in accordance with the Queensland Local Government Regulations 2012 is:

- a) a local government; or
- b) a distributor-retailer; or
- c) a water entity; or
- d) another entity that is controlled or owned by a local government.

### **3.16 Payment of Long Service Leave Entitlements in Hardship Cases**

The parties have agreed that employees may seek the Agreement of Council to pay out long service leave in hardship circumstances.

### **3.17 Bereavement Leave**

**3.17.1** Employees shall be entitled to the following bereavement leave arrangements. For the purposes of this clause the term immediate family includes:

- a) Spouse, which includes a former spouse, a de facto spouse and a former de facto spouse of the employee; and
- b) Child (including adopted child, foster child, step child or ex-nuptial child), parent, grandparent, grandchild or sibling of the employee or spouse of the employee.

**3.17.2** Council acknowledges that the above definition of immediate family or household member may not always cover the diverse and varying range of potential personal circumstances that may exist for employees in relation to family and caring responsibilities. Employees with extraordinary circumstances may make application for Bereavement Leave for the purpose of this clause to be determined at the discretion of Council.

### **3.18 Paid Bereavement leave Entitlement**

**3.18.1** A full time employee is entitled to up to two days bereavement leave on each occasion, and on production of satisfactory evidence (if required by the employer) of the death of either a member of the employee's immediate family or household.

**3.18.2** A part time employee is entitled to 2 days bereavement leave without loss of pay, up to a maximum of 16 hours on the same basis as prescribed for full time employees in clauses 3.18.1 and 3.18.3 except that leave is only available where a part time employee would normally work on any of the 2 working days following the death.

**3.18.3** Where an employee is required to travel excessive distances to attend a funeral, Council is prepared, on compassionate grounds, to treat each case on its merits. This could result in employees receiving additional paid bereavement leave above their 2 days Award entitlement on each occasion there is a death of an immediate family or household member and excessive travel is involved within or outside of Australia.

### **3.19 Unpaid Bereavement Leave Entitlement**

**3.19.1** Where a full time or part time employee has exhausted all bereavement leave entitlements, including accumulated leave entitlements, the employee is entitled to take unpaid bereavement leave. The employer and employee should agree on the length of the unpaid leave. In the absence of Agreement, an employee is entitled to take up to 2 days unpaid leave.

**3.19.2** The employer and a casual employee shall agree on the period for which the casual employee will be entitled to not be available to attend work. In the absence of Agreement, the casual employee is entitled to not be available to attend work for up to 48 hours (i.e. 2 days) per occasion. The casual employee is not entitled to any payment for the period of non-attendance.

**3.19.3** An employer must not fail to re-engage a casual employee because the casual employee accessed the entitlements provided for in this clause. The rights of an employer to engage or not to engage a casual employee are otherwise not affected.

### **3.20 Paid Long Birth Related (Parental) Leave**

**3.20.1** Paid long birth related leave shall be made on the basis that the total leave taken by an employee absent on parental leave will not result in the employee being absent from work for greater than the maximum 12 month long birth related leave period.

**3.20.2** The following amounts of paid long birth related leave which may be taken at double the length at half pay will be available to all full time and part time employees covered by this Agreement, after a period of 12 months continuous service and who proceed on parental leave:

- a) 1-3 years' service - 8 weeks paid long birth related leave
- b) 4-6 years' service - 12 weeks paid long birth related leave
- c) >7 years' service - 14 weeks paid long birth related leave

**3.20.3** The period of paid long birth related leave is payable once only in connection with each birth, adoption or surrogacy arrangement of a child/children to an employee or employees of council.

### **3.21 Paid Short Birth Related (Parental) Leave**

**3.21.1** Paid short birth related leave under this Agreement will be paid to a maximum of 3 days.

### **3.22 Domestic and Family Violence Leave**

**3.22.1** Council is committed to providing a safe workplace for all employees. Council aims to support employees who are involved in domestic violence. Domestic and family violence is an extremely sensitive issue that affects individuals, families, and communities.

**3.22.2** The Parties to this Agreement commit to the following principles that underpin this clause:

- a) Paid leave for employees experiencing domestic and family violence as outlined in this clause;

- b) Confidentiality of employee details;
  - c) Enabling Zero Harm by having safety planning strategies to ensure protection for employees;
  - d) Support for employees affected by domestic and family violence by providing information and referral to a professional external agency;
  - e) Support for employees to access relevant leave/flexible work arrangements;

It is available to all Council employees and their immediate family members (those residing in the same household).
- 3.22.4** An employee, other than a casual employee, is entitled to ten (10) days of domestic and family violence leave on full pay in a year if:
- a) The employee has experienced domestic violence; and
  - b) The employee needs to take domestic and family violence leave as a result of the domestic violence.
- 3.22.5** A long term casual employee is entitled to ten (10) unpaid days of domestic and family violence leave in a year if:
- a) The employee has experienced domestic violence; and
  - b) The employee needs to take domestic and family violence leave as a result of the domestic violence.
- 3.22.6** A short term casual employee is entitled to two (2) unpaid days of domestic and family violence leave in a year if:
- a) The employee has experienced domestic violence; and
  - b) The employee needs to take domestic and family violence leave as a result of the domestic violence.
- 3.22.7** Without limiting clauses (3.22.4), (3.22.5) or (3.22.6), the employee may need to take domestic and family violence leave if the employee is:
- a) Recovering from an injury caused by the violence; or
  - b) Attending an appointment related to the violence, including an appointment to attend counselling, to obtain legal advice, for medical treatment or with police officers; or
  - c) Preparing for a court appearance related to the violence; or
  - d) Attending court for a proceeding related to the violence; or

- 3.22.9** Domestic and family violence leave may be taken for part of a day.
- 3.22.10** An employee's entitlement to domestic and family violence leave under clauses (3.22.4), (3.22.5) or (3.22.6), does not accumulate from year to year.
- 3.22.11** The Council must not fail to re-engage a long term casual employee or short term casual employee only because the employee has taken domestic and family violence leave.
- 3.22.12** In this section — day, for an employee mentioned in clause (3.22.4) who is paid on the basis of the number of hours worked, means one-fifth of the number of the employee's ordinary hours of work for a week, averaged over each completed six (6) weeks of employment with the Council.
- 3.22.13** An employee's entitlement to domestic and family violence leave is conditional on the employee giving the Council notice of:

- a) The employee's absence from work; and

**3.22.14** The employee must give the Council notice under clause (3.22.13):

### **3.23 Natural Disaster or Severe Weather Event Leave**

**3.23.1** Where a declared natural disaster or severe weather event occurs e.g., a flood, cyclone, severe storm, bushfire or earthquake event, employees shall be permitted to take up to a maximum of 5 days leave without loss of pay. The determination of what constitutes a severe weather event will be at the sole discretion of the CEO.

**3.23.2** The philosophy behind Natural Disaster or Severe Weather Event Leave is that it is always the responsibility of the employee to attend and travel to and from work. It is not the responsibility of Council to ensure that the employee can get to work nor does Council have any control over where an employees' usual place of residence is located or where they choose to spend their leave or non-working hours.

**3.23.3** If the employee elects to live in a location where a small creek on their property regularly blocks access and/or egress from their residence or in an area where local road access is impacted by regular storms, then this is not the responsibility of Council and leave would not normally be granted under this clause. The benefits under this clause are intended for use when a declared natural disaster or severe weather event affects the broader community.

**3.23.4** Natural Disaster/Severe Weather Event Leave may be granted in the following circumstances:

- a) an employee is unable to perform the required functions and reasonable duties or where continuing to work under extreme conditions is unadvisable or not practical;

- d) an employee must out of necessity remain at home to safeguard family or property as a result of a natural disaster or severe weather conditions; or
- e) an employee remains at home to have temporary repairs effected, restore belongings, clean up etc. as a result of a natural disaster or severe weather conditions.

- a) Employees will need to advise their supervisor of their circumstances within 30 minutes of the commencement of their normal shift, or as soon as practicable of their normal shift.

- b) In providing this advice employees must indicate the reasons why they are unable to travel and whether they are able to attend and work at any of the depots, offices etc. of Council.
- c) Employees must advise how long they believe the circumstances may prevail.
- d) Any leave in excess of 5 days or in circumstances which are not classified as a declared natural disaster or severe weather event approved by the CEO, would require employees to take annual leave, TOIL, banked RDOs or LWOP.
- e) In addition, Carers Leave may also be available in accordance with clause 3.1 of this Agreement.

- a) Employees engaged for a specific period of time, or for a specific project, or projects where the finishing date is specified at the commencement of employment and not extended for any reason other than to complete specific project(s);
  - b) Casual employees;
  - c) Employees engaged under Council's EPMS arrangements;
  - d) Employees whose termination is in accordance with disciplinary action;
  - e) Employees whose termination is in accordance with ill health retirement; and
  - f) Employees on probation where this relates to the employee's initial appointment to the Council.
- 7.1.2** Where Council proposes to make changes to its organisational structure or the way in which work is performed or services are delivered to the Community, and those changes are likely to have significant effects on employees, Council shall, before making a decision to introduce such changes, notify affected staff and relevant unions of the proposed changes.
- 7.1.3** An organisational change is likely to have 'significant effects' on an employee(s) if it is likely to result in:
- a) The termination of the employment of employees; or
  - b) A major change to the composition, operation or size of the Council's workforce, or the skills required of employees; or
  - c) The elimination or diminution of job opportunities (including opportunities for promotion or tenure); or
  - d) An alteration of hours of work; or
  - e) The need to retrain employees; or
  - f) The need to relocate employees to another workplace; or
  - g) The restructuring of jobs.
- 7.1.4** Consultation shall commence as early as practicable after notification has been made to affected employees and relevant Union(s). Consultation with the employees affected and the relevant Union(s) on the proposed changes shall include:
- a) the reasons for Council considering that positions are likely to be significantly affected;
  - b) the effects the proposed changes are likely to have on the employees, and including the number, classification, location and details of the significantly affected positions;

  - e) redesignation, retraining and redeployment prospects for the employees concerned;
  - f) the appropriateness of using Voluntary Redundancy (VR); and
  - g) the method of identifying positions as redundant, having regard to the efficient and economical workings of the Council.
- 7.1.5** The consultation process will provide sufficient time (a minimum of 2 weeks) for parties to consider and respond to the relevant information of the proposed change. Council will be guided by the outcome of the consultation process to make a final decision on the organisational change to be implemented.

## **7.2 Managing Organisational Change - Employee Support Processes**

- 7.2.1** Throughout a process of organisational change, management shall provide as much support and assistance as practicable to employees to enable them to participate effectively in the change and to make employment transitions.
- 7.2.2** It is recognised that the change process can be extremely stressful for all employees of the Council.
- 7.2.3** Actions that may be taken to provide support and to minimise stress may include:
- a) informing employees of the changes that are occurring in the workplace as soon as possible, and providing reasons for why the changes are necessary;
  - b) listening to and being empathetic with employees' concerns regarding the change process;
  - c) developing, organising and facilitating various courses to assist the employees involved in the change process. Examples of such courses could include: coping with change, understanding change, stress management, career planning, resume writing and interviewing skills (in situations where long serving employees are involved the option of the Council's counselling service should be considered);
  - d) assisting employees by providing advice and actively assisting and supporting them to pursue redeployment opportunities;
  - e) providing redeployees with information as to the process that will be followed in seeking alternative employment for them; and
  - f) promoting and facilitating the use of the Council's Employee Assistance Service as a resource for individual confidential counselling.
- 7.2.4** Council may wish to engage outplacement specialists or otherwise source suitable external employment for displaced employees as a result of organisational change. This option may be a suitable alternative or addition to extending the redeployment process outlined, where the likelihood of finding a suitable internal role remains low.

## **7.3 Managing Organisational Change - Post implementation management of staff whose roles have undergone significant change**

- 7.3.1** In the first instance when a structure is proposed, Council shall, where possible, redesignate "like" positions into the proposed structure.
- 7.3.2** The term "redesignate" refers to a change of the title or part of the title of an establishment position. Redesignation should be used when the duties of the position are not substantially changed and the classification level remains identical. The process of redesignation enables the employee who held the position, prior to it being redesignated, to be directly appointed to the redesignated position in the new structure. This is an efficient method to manage organisational change and is an acceptable practice provided that the classification of the redesignated position has not changed and the employee has already demonstrated that he or she meets the selection criteria of the redesignated position.
- 7.3.3** As soon as it is evident that organisational change will necessitate a change in structure, training and development opportunities should be utilised for employees likely to be significantly affected. The purpose of training is to assist employees to further develop existing skills, or to develop new skills, in order to enhance eligibility for appointment to new positions within the organisation's structure.
- 7.3.4** All training provided should be in accordance with the Council's Organisational Development Program.

## **7.4 Managing Organisational Change - Post Implementation Management of Staff Deemed Surplus to Requirements**

- 7.4.1** Redeployment processes shall commence when Council deems an employee to be surplus to the requirements of the organisation and the provisions contained within 7.3 above have not been enacted or successful. The objective of the redeployment process in the first instance shall be to redeploy an employee into another position by Agreement.
- 7.4.2** Redeployment and retraining are processes that provide continued employment and the redeployment and retraining process shall be completed before consideration of voluntary retrenchment.
- 7.4.3** Until the redeployment process is completed, employees are to be given meaningful work.

- 7.4.4** Prior to initiating any recruitment activity, Council shall be satisfied that there are no suitable redeployees to fill the vacancy. People & Culture Branch team members will notify hiring Managers of any potential suitable redeployees upon initiation of the request to recruit.
- 7.4.5** Assessment of a redeployee shall be in terms of suitability with regard to the selection criteria as opposed to relative merit. Where a number of redeployees are being considered for a single position, relative merit shall be used as the basis for determining the selection.
- 7.4.6** Redeployment to a lower level role via agreement may occur subject to salary and wage maintenance provisions contained within this Agreement.
- 7.4.7** All surplus employees are to be redeployed unless a VR offer is made by Council at its discretion, subject to clause 7.7. All reasonable steps must be taken to redeploy the employee who is surplus to requirements.
- 7.4.8** Redeployees are entitled to:
- a) reasonable time off and travel reimbursement to attend job interviews;
  - b) exceed maximum leave accruals;
  - c) resume writing support;
  - d) relevant retraining opportunities
- 7.4.9** The timeframe to complete the redeployment process is 6 months from the date of identification of the position as no longer required by Council. After 6 months the redeployment process shall be reviewed by Council and can be extended for an additional 6 months.

## **7.5 Managing Organisational Change - Employees' Rights and Obligations**

- 7.5.1** Employees are to be treated fairly at all times during the redeployment and separation processes. Employees shall be allowed reasonable time i.e. not less than 2 weeks, to consider options put them under this change process.
- 7.5.2** All employees who hold positions deemed surplus or who themselves are deemed surplus to requirements shall actively participate in the redeployment process including participation in relevant training/retraining opportunities.
- 7.5.3** Council shall provide employees in redundant positions and employees deemed surplus to requirements with the opportunity to undertake job skills analysis to determine their current level of skills, knowledge and abilities and to assist in the development of an individual action plan for the employee.

## **7.6 Managing Organisational Change - Income Maintenance**

- 7.6.1** Income maintenance of employees undergoing redeployment and retraining will occur to ensure that their income at the time redeployment is maintained, including all permanent allowances and loadings in the nature of wages and salary, is not reduced.
- 7.6.2** Income will be maintained by way of classification level salary maintenance for those staff who elect to be redeployed to a lower classification level for a maximum period of 12 months. After this time the employee will be paid at the maximum level of the classification level applicable to the position held.

## **7.7 Managing Organisational Change - Voluntary Redundancy (VR)**

- 7.7.1** Once notified that their position has been deemed surplus to organisational requirements, Council may at its discretion invite affected permanent employees to express their interest in receiving a VR. Provided that an employee who as a result of the change process is unable to be redeployed to a position at level, will be allowed the option to take a VR.
- 7.7.2** This expression of interest (EOI) approach should initially be limited to individually affected employees or particular groups of employees affected by specific decisions. Council may, following consultation with relevant parties to this Agreement, determine in its sole discretion, to extend the EOI to consider a VR to other unaffected groups of employees.
- 7.7.3** Council shall indicate in any EOI to consider a VR that:
- a) It is made on the basis that the decision about which role(s) are redundant (and which employees are therefore declared surplus to requirements) is the decision of Council;
  - b) That a positive response to an invitation does not guarantee an offer of a VR;

- c) That it does not negate Council's obligation to attempt to redeploy surplus employees;
- d) That the response to the invitation is time limited to 10 working days.

**7.7.4** Should Council decide to seek EOI's for the offer of a VR, and more EOI's expressing interest are received than the proposed number of VR's to be offered for that specific type of role, the following criteria may be used when making VR offers to staff:

- a) The practicality and utility of deploying an employee across Council or related entities, into a similar role utilising their existing skill set;
- b) The capacity of an employee to be retrained to perform another role;
- c) The performance of an employee in undertaking their responsibilities (it should be noted that poor performance is not to be used as a factor for determining that an employee be made a VR offer);
- d) Cost and affordability considerations, and;
- e) Length of service, where all other criteria are equal

**7.7.5** Where an employee who is surplus to requirements is not interested in or declined an offer of VR, the offer of a VR may be made to another employee, provided the employee who is surplus to requirements is able to perform the role that is continued to be required ("job swap") and the employee being made the offer is not subject to any performance management processes.

**7.7.6** A VR package will consist of the following entitlements:

- a) accrued annual leave entitlements; and
- b) accrued long service leave entitlements, provided that the employee has completed one full year of service; and
- c) severance benefit of two weeks per year of service including pro rata payment for any incomplete year of service (with a minimum of 4 weeks, and a maximum 52 weeks payment);
- d) applicable superannuation contributions for the severance payments and;
- e) an early separation payment of 8 weeks in lieu of notice, where the employee elects to leave Council employment within two weeks of notification of acceptance of a VR.

## **7.8 Employment Security**

**7.8.1** The parties agree that changes to work practices and productivity initiatives must be consistent with the efficient operation of Council. Further, the parties acknowledge that the current workforce of Council is a critical element in the improvement of quality service provision. Arbitrary job reductions will not be pursued to secure the ongoing improvements in productivity and efficiency sought under Enterprise Bargaining processes.

**7.8.2** This employment security clause will be read in conjunction with the Managing Organisational Change provisions.

**7.8.3** The parties are committed to optimising the employment security of employees by:

- a) Ensuring that no forced redundancies will take place during the life of this Agreement for employees covered by this Agreement (excluding fixed term appointments, casual and temporary employees).
- b) Training and developing employees' levels of skill and ability and providing retraining when necessary.
- c) Providing an environment which supports career development and equal employment opportunity.
- d) Implementing consultative mechanisms to ensure timely advice and discussion between employees and management about any significant changes to service delivery which may impact upon labour requirements.
- e) Continuing to manage Council's workforce to minimise the need for involuntary labour reductions in the future.
- f) Introducing measures to increase the security of employees' employment.

- g) Considering measures aimed at ensuring that new employees are recruited with the aim of reducing the level of unemployment in the occupations, trades, industries or callings specified in the Award.

**7.8.4** The Procedure is set out in sections 7.1 to 7.8 of this Agreement.

**7.8.5** With regards to the VR component of this procedure, the parties agree that should there be a need to apply the provisions of the VR scheme over the life of this Agreement, then those sections of the procedure that do not conform with the Australian Taxation Commission's requirements to be an approved VR Scheme will be amended accordingly.

**7.8.6** The parties agree to the provisions contained in Council's Procedure for Managing Organisational Change within Council that are to be followed by the Council, employees and by Unions for dealing with employees who, for reasons set out in the Agreement, become affected by or subject to retraining, redeployment or redundancy.

## **7.9 Contracting / Outsourcing**

**7.9.1** It is the clear position of Council to utilise and promote the use of its in-house permanent Council employees for the undertaking of Council's works, services and operations. During the life of this Agreement, Council will, where appropriate, minimise the contracting out or leasing of any works and services currently provided by Council. Provided that Council may determine to contract out source works and services in the following circumstances:

- a) In the event of a critical shortage of skilled employees.
- b) Where there is a lack of available infrastructure capital or a cost in the provision of technology.
- c) It can be clearly demonstrated that it is in the public interest that such services should be contracted out.
- d) Extraordinary or unforeseen circumstances.
- e) Subject to the above criteria, Council has, where relevant fully utilised and optimised its permanent workforce and plant.

## **7.10 Consultation Process**

**7.10.1** Where Council decides to contract out or lease any Council works and services provided by in-house Council employees in accordance with the above criteria, the affected employees, and where relevant their Unions, shall be consulted as early as possible. Such consultations shall occur in accordance with clause 7.1 Managing Organisational Change - Notification and Consultation of this Agreement.

**7.10.2** For the purpose of consultation, the relevant Unions will be given all relevant documentation where possible, including the relevant components of the business case that supports Council's decision. It is the responsibility of the relevant Union to participate fully in discussions on any proposals to contract out or lease any Council functions.

## **7.11 Shared Services**

While it is not currently Council's intention to engage in any shared resource, joint enterprise or shared service company arrangements, Council reserves the right to make a determination regarding such arrangements. In the event that Council does determine to engage in such an arrangement the consultation process set out in Clause 7.1 Managing Organisational Change - Notification and Consultation will occur following such decision and prior to any implementation of such arrangements.

## **7.12 Transmission of Business**

**7.12.1** In this clause "transmission of business" shall be defined in the relevant Award or appropriate legislation. Where a business or part of a business of the Council is transmitted from Council to another employer (the transmittee) and an employee, who at the time of such transmission was an employee of Council, and becomes an employee of the transmittee, Council shall include, as part of the tender specifications, that this employee is to continue to receive terms and conditions of employment no less favourable than those which would apply to their employment with Council.

**7.12.2** Where council makes a decision to transmit a business or part of a business, council must as soon as practicable notify and consult with the affected employees and the relevant Unions to which they belong in accordance with Clause 7.1 Notification and Consultation of this Agreement.

**7.12.3** Where employees are to be transmitted with the business, or part of the business, the Council must ensure that recognition of previous service, and accrued entitlements, for the purposes set out below are transmitted to the transmittee:

- a) Annual Leave;
- b) Long service leave;
- c) Personal/Carer's leave;
- d) Redundancy.

**7.12.4** Where employees are not to be transmitted with the business or part of the business or where Council declares any positions redundant, as a consequence of a transmission of business, the Managing Organisational Change provisions of this Agreement shall be followed.
