1. Title

This Agreement shall be known as the Ipswich City Council Officers' Certified Agreement 2018.

2. Purpose and Objectives of the Agreement

This Agreement has been negotiated in accordance with ICCs continued commitment to collective bargaining.

3. Date and Period of Operation

This Agreement shall operate from the date of certification by the Queensland Industrial Relations Commission and shall remain in force until 1 October 2021.

4. Renegotiation of a Replacement Certified Agreement

The parties undertake to commence discussions on a replacement certified agreement six (6) months prior to the nominal expiry of this Agreement.

5. Who is Covered by this Agreement

This Agreement has been entered into between Ipswich City Council and the following unions on behalf of employees:

- Queensland Services, Industrial Union of Employees; and
- The Association of Professional Engineers, Scientists and Managers Australia, Queensland Branch, Union of Employees (APESMA).

This Agreement does not apply to:

- The Chief Executive Officer;
- Senior Officers;
- Chief Operating Officers responsible for the overall management of a Council department.

6. Conditions of Employment Senior Officers

- (a) Definition: A Senior Officer is an officer who is employed on a written contractual basis and who receives a base salary (not including ICC's contribution to LG Super) which is greater than the amount shown in Clause 28 Table 1 of this Agreement for an Officer classified at Level 8 Increment 5.
- (b) The Clauses in this Agreement as listed below shall not apply to an officer defined as a Senior Officer:
- (i) Clause 21 – Termination of Employment
 - (ii) Clause 28 – Salary
 - (iii) Clause 29 – Salary Increments
 - (iv) Clause 27 – Classification Issues
 - (v) Part 4 – Hours of Work – Clauses 35, 36, 37 and 38.
 - (vi) Schedule 1.
- (c) The conditions of employment and salary applicable to Senior Officers shall be negotiated individually and shall be entered into a written contract of employment. All other Clauses in this Agreement other than those exempted above shall continue to apply.

- (d) It is further agreed that should a position occupied by a Senior Officer be determined to be redundant under the provisions described in Clause 23 - Redundancy of this Agreement, those redundancy provisions may apply on the termination of the contractual arrangement by ICC in lieu of the "Termination on Notice by Council" clause shown in the contractual arrangement. The provisions of the Redundancy Clause shall apply where those provisions are proven to be more beneficial to the employee.
- (e) Clause 1.6 (d) will only apply where the following conditions are met:
- (i) a copy of the proposed contract is given to the Senior Officer or the person to be appointed as a Senior Officer within a reasonable time (preferably seven days) prior to the contract being entered into by the Senior Officer or the appointee;
 - (ii) the contract is voluntarily entered into by the Senior Officer or the appointee; and
 - (iii) at the time it is agreed and/or renewed, the contract's terms and conditions do not result, on balance, in a reduction in the overall terms and conditions of employment applicable to the Senior Officer if employed under the terms described in this Agreement.

7. How Agreement to be Read

This Agreement shall be read and interpreted wholly in conjunction with the *Queensland Local Government Industry (Stream A) Award – State 2017*. Provided that where there is any inconsistency between this Agreement and the above-mentioned Award this Agreement shall take precedence to the extent of that inconsistency.

8. Enterprise Agreement Consultative Committee

The Consultative Committee shall provide for equal representation of both ICC management and employees and shall not exceed twelve (12) members. Employee representatives should come from a cross-section of work sections and/or the Unions parties to this Agreement. Once formed, the Enterprise Agreement Consultative Committee will determine the date, time, place and frequency of meetings. The Consultative Committee will meet every three (3) months as a minimum.

The Committee will monitor the effective implementation of the Agreement. Matters in respect of the Agreement which have been dealt with by the Grievance and Dispute Settlement Procedure Clause may, if appropriate, be referred to the Consultative Committee.

Union Officials will receive an open invitation to attend and speak at the Consultative Committee meetings and be advised of the date, time and venue of meetings as soon as practical.

9. Availability of the Agreement

ICC shall ensure that an up-to-date copy of this Agreement is readily available for perusal by employees. Further, the Unions shall be permitted to post any official union notices in each office or place of business on a board provided for that purpose.

10. No Extra Claims

The parties agree that this Agreement is in settlement of all enterprise bargaining claims for the life of the Agreement. The industrial organisations undertake that during the period of operation of this Agreement, there shall be no further wage increase sought, or granted, except for those provided under the terms of this Agreement.

Any increase in pay or conditions obtained through this Agreement will absorb all safety net or like increases granted by the Queensland Industrial Relations Commission for the period of this Agreement.

Part 2 – Terms and conditions of employment

11. Grievance and Dispute Settlement Procedure

It is agreed that it is in the interest of all parties to manage resolution of any conflict by means which do not disrupt the operations of the workplace. In the event of any workplace grievance and/or disagreement between the parties as to the interpretation or implementation of this Agreement, the following procedure will be followed.

This Agreement recognises that employee grievances should be resolved speedily, effectively and informally between the employee and supervisor where possible and without the need for recourse to industrial action.

The following procedure will apply for the resolution of any dispute:

- (a) The employee is to notify, in writing or otherwise, the Supervisor the nature of the grievance and the remedy being sought. If, however, the dispute relates to or directly involves the employee's Supervisor, then the matter shall be referred directly to the next level of management.
- (b) A meeting between the employee and the Supervisor is to be held as soon as practicable to discuss the matter. The meeting should be held within forty-eight (48) hours of notification.
- (c) If the matter is not resolved at this meeting, the employee may request the Supervisor to refer the matter to the Head of the Department. Further discussions involving all parties are to be held again within forty-eight 48 hours, if practicable.
- (d) If the matter is not resolved at this meeting, the employee may request the Supervisor to refer the matter to the Chief Executive Officer. Further discussions involving all parties are to be held again within forty-eight 48 hours, if practicable.
- (e) If the matter remains unresolved, then either party may refer the matter to the Queensland Industrial Relations Commission in accordance with the *Industrial Relations Act 2016 (Qld)* for conciliation in the first instance and if necessary, arbitration. Any arbitrated decision will be binding on all parties.

This procedure does not preclude either party from raising the issue to a higher stage at any time having regard to the issues involved.

While this procedure is being followed, normal work is to continue, except where there are genuine matters of health or safety involved. In this case the employee will not work in an unsafe environment but where appropriate shall accept re-assignment to alternative suitable work/work environment in the meantime.

In any steps of this procedure, the employee may be represented by a member or members of the Enterprise Agreement Consultative Committee or the employee's local delegate of the relevant union.

12. Agreement to Work from Home

As a means of improving productivity, employees may be permitted to work from home subject to the demands of the position, relevant workplace health and safety legislation and the mutual agreement between the employee and the Head of the Department.

13. Appointment to Vacancies

The parties agree that if a position becomes vacant, which has to be filled in the short term prior to advertising, then the principle of 'cascading up' will be utilised and the position will be advertised within six (6) weeks unless exceptional circumstances exist.

- (a) The following positions may be filled by simultaneous advertising:
 - (i) all positions classified at the first increment of Level 5 of the General Salary Scale and above; and
 - (ii) any positions for which specialised skills are required, and which ICC believes are not currently possessed by an employee who may apply for the vacant position.

A report showing positions advertised under the provisions of Clause (13(a)(ii)) will be provided to the Enterprise Agreement Consultative Committee.

- (b) No permanent position other than those positions referred to in subclause (a) above, including newly created positions, shall be filled by ICC unless applications are invited first from any interested employees of ICC regardless of whether such employees are permanent employees or whether they are employed in terms of this Agreement or any other Certified Agreement. In the event of no such applications being in the opinion of ICC suitable for appointment to the position or where internal recruitment activities attract four (4) or less applicants, applications may be invited from outside the service of ICC. Where a decision is made to seek external applicants, ICC shall inform all internal applicants and the relevant Union of this in writing.
- (c) ‘Simultaneous advertising’ means advertising a vacant position to employees of ICC and externally to the public at large, seeking applications for the filling of the vacant position by means of appropriate advertisements timed to appear at the same time.

14. Probation

Employees will initially be employed on a probationary period of three (3) months. If the employee does not successfully complete the probationary period, ICC may elect to extend the probationary period for a further three (3) months or terminate the employment. Employees may be dismissed during the probationary period on one (1) weeks’ notice. If at the end of the probationary period the employee is not notified that their probationary period has been successfully completed or extended, the employment will come to an end.

15. Part Time Employment

15.1. Approval of Employment

ICC may employ an employee on a part-time basis.

16. Definition of Part Time Employee

A ‘part-time employee’ means an employee who is engaged as a part-time employee to work on pre-determined days of the week for a regular number of hours.

16.1. Payment

Part-time employees shall be paid an equivalent hourly rate for the classification under which they are engaged. Such rate shall be calculated on the thirty-eight (38) hour rate for that classification.

The ordinary working hours of part-time employees shall not be less than three (3) hours per day and ten (10) hours per week but shall not exceed 7.6 hours per day or ten (10) hours per day by agreement or thirty-eight (38) hours per week. The provisions relating to weekend work applicable to full-time employees shall apply.

Work rosters will be mutually agreed in advance and may be altered to meet operational requirements and/or work life balance issues. Changes to work rosters, including any increased or decreased hours, are to be mutually agreed.

16.2. Overtime

A part-time employee who works in excess of the ordinary working hours or ordinary daily hours as prescribed above by this Agreement, shall be paid overtime in accordance with the applicable Award.

16.3. Leave Entitlements

Part-time employees shall be entitled to receive pro-rata entitlements to Annual leave, Sick/Carer’s Leave and Long Service Leave in accordance with the provisions contained in this Agreement.

17. Casual employment

17.1. Conversion of Casual Officers

Definition:

“**Casual Officer**” shall mean an Officer engaged and paid as such by ICC, who is employed on an hourly basis, and whose employment is subject to termination at any time without notice. The role of casual employees is to cater for peaks in demand for labour. Casual employees should not be employed for extended fixed periods nor should they be used to permanently replace permanent employees.

“**Appropriate Hourly Rate**” shall mean the ordinary hourly rate of the casual officer not including casual loadings as detailed in Clause 17.4.

Employees employed on long fixed term arrangements should be employed on a permanent basis.

This provision shall apply to a Casual Officer who has been engaged to work a sequence of periods of employment during a period of six (6) months.

A Casual Officer who has been engaged in accordance with this subclause shall, at the completion of six (6) months service, have a right to elect to have their employment converted to full-time or part-time employment if it could be reasonably expected that their employment is to continue. Council shall advise the Officer in writing of their right to elect to have their employment converted to full-time or part-time employment. The Officer retains his or her right of election under this clause if ICC fails to comply with this subclause.

ICC is not obliged to convert the Officer to a permanent appointment where there are reasonable grounds. Reasonable grounds for refusal are where the Casual Officer:

- (a) is a student;
- (b) is a genuine retiree;
- (c) is performing work which will either cease to be required or will be performed by a non casual staff member within twenty six (26) weeks (from date of application);
- (d) has a full time occupation with ICC, or elsewhere
- (e) is performing work which is ad hoc, intermittent, unpredictable or involves hours that are irregular.

An Officer who converts shall be employed as either a part-time or full-time according to the pattern of ordinary hours worked in the proceeding six (6) month period or otherwise by mutual agreement in writing.

An Officer must not be engaged and re-engaged to avoid any obligation under this Agreement.

These casual conversion provisions will have effect from the certification of this Agreement for Officers who had, at that date, worked a sequence of periods of employment during a period of six months.

17.2. Hours of Duty

The ordinary hours of duty of Casual Officers shall not exceed 7.6 hours on any one day or thirty-eight (38) hours in any one week. Such ordinary hours shall be worked between the hours of 6.00 am and 9.30 pm Mondays to Fridays, both days inclusive and between the hours of 6.00am and 6pm on Saturdays and Sundays.

17.3. Minimum Period of Engagement

Casual Officers shall be provided for a minimum period of three (3) hours' work on each engagement or be paid for a minimum of three (3) hours at the appropriate casual rate, except for staff employed in Libraries where a minimum period of two (2) hours shall apply, for the purposes of training.

17.4. Rates of Pay

The ordinary hourly rate of pay of Casual Officers shall be ascertained by dividing the annual salary for the classification in which the Officer is employed by 52, dividing the resultant answer by 38 and adding the

following loadings:

- (a) 6.00 am and 6.00 pm Mondays to Fridays (both inclusive) 25%
- (b) 6.00pm and 9.30pm Mondays to Fridays (both inclusive) 31%
- (c) Between 6.00am and 6.00pm Saturday 75%
- (d) Between 6.00am and 6.00pm Sunday 125%

17.5. Overtime

Overtime will be paid for at the appropriate hourly rate, plus 50% on Mondays to Fridays, and plus 100% on Saturdays and Sundays.

17.6. Public Holidays

All times worked by a Casual Officer on any of the public holidays mentioned in Clause 39 Statutory Holidays shall be paid for at the appropriate hourly rate plus 150% with a minimum payment of four (4) hours work.

17.7. Crib Breaks

Casual Officers required to continue working for more than five (5) consecutive hours shall be allowed a crib break of thirty (30) minutes which shall not be counted as time worked. If such crib break is not given prior to the commencement of the fifth (5th) hour of work, double rates shall be paid for all work performed until a break of thirty (30) minutes is given or until the cessation of work, whichever is the earlier.

17.8. Other Conditions

The provision of Clause 23 Redundancy, Part 5 Statutory Holidays & Leave, Clause 13 Appointment to Vacancies and Clause 37 Overtime shall not apply to Casual Officers. All other provisions of this Agreement shall apply except to the extent they are superseded or modified by the provisions of Clause 17 Casual Employment.

18. Employment Security, Use of Contractors and Consultation

18.1. Employment Security

The parties agree that:

- (a) ICC is committed to using its employees to provide services on a competitive basis.
- (b) Employment security is strengthened and maximised by the achievement of competitive performance in delivering ICC's corporate and operational plans through the strategies in this Agreement, particularly the acquisition and the use of the broadest range of skills by employees. ICC will provide relevant training and support.
- (c) ICC's preferred option is to engage a competitive workforce comprising predominantly of full-time and part-time employees. Accordingly, subject to Clause 18.2 and 18.3, where there is a need for additional employees on a permanent basis, ICC will employ full-time or permanent part-time employees. Otherwise where appropriate, casual or temporary employees may be engaged.
- (d) However, there will be times when specialized or urgent services or an excess of work will require the use of contractors. ICC will not utilize contractors or labour hire employees for the purpose of reducing the pay, conditions or employment security of ICC employees.
- (e) Employment security will not prevent ICC from engaging contractors or outsourcing in accordance with the terms of this Clause 18.

18.2. Use of Contractors

Subject to the consultation obligations in Clause 18.3, the engagement of contractors or the leasing of services will only be appropriate in the following circumstances:

- (a) in the event of critical shortages of skilled staff;
- (b) where there is excess of work, that is not permanent in nature, that cannot be accommodated by ICC's workforce;
- (c) where there is a requirement for urgent or specialised services;
- (d) extraordinary or unforeseen circumstances;
- (e) it can be clearly demonstrated that it is in the public interest that such services should be contracted out; or
- (f) where the operational requirements of ICC cannot otherwise be met.

18.3. Consultation

18.3.1. Contracting Out - Services Currently Supplied by ICC Employees

Should any proposed contract (including any significant variation to the scope of work to a contract existing at the time of certification of this Agreement) relate to the services currently provided by ICC employees, the relevant Unions will be notified and consulted as early as possible.

Notification and consultation will take place before any steps are taken to call for tenders or to enter into any otherwise binding legal arrangement for provision of services by an external provider.

If, after full consultation with unions and employees, employees are affected by a decision to contract out or lease current services, ICC will ensure that those employees have the maximum opportunity to accept retraining and/or redeployment in ICC or accept redundancy in accordance with the provisions of Clause 23 Redundancy, of this Agreement.

18.3.2. Procedure to Apply Where Proposed use of Contractors does not Relate to Services Currently Provided by ICC

In these circumstances ICC will ensure that:

- (a) Prior to the commencement of a new contractual arrangement for the provision of services for works of a value greater than \$500,000, the relevant Unions are advised of the details of the contractor, the type of work to be undertaken and the location of the work;
- (b) Where the commencement of a new contractual arrangement will result in a 'significant effect on employees' as defined in Clause 22 Consultation – Introduction of Major Change, consultation will occur in accordance with Clause 22;
- (c) When assessing tenders or quotations for the use of contractors, such contractors confirm that the contractors will:
 - (i) Meet quality assurance requirements of the contract;
 - (ii) Meet all relevant workplace health and safety regulations and requirements;
 - (iii) Comply with the relevant Award or industrial instrument under which the employee is engaged by the contractor;
 - (iv) Meet all relevant Federal, State or Local Government Legislation or Local Laws.

19. Flex Time Agreement

All employees are permitted to work flextime in accordance with the Flextime Agreement as shown in Schedule 1 of this Agreement.

20. Travel Arrangements

- (a) When an employee is required to work a shift which commences or finishes at a time when the employees normal means of private or public transport is not available, ICC must reimburse the reasonable cost of a taxi fare, as appropriate from:
- (i) the employee's home to the place of employment; and/or
 - (ii) from the place of employment to the employee's home.
- (b) Provided the maximum reimbursement for such journeys shall be limited to journeys of no more than fifteen (15) kilometres away.
- (c) This subclause does not apply where ICC provides transport in the situation set out in sub-clause (20(a)) above free of charge to the employee.

21. Termination of Employment

21.1. Notice of Termination by Employee

The notice period for all employees (excluding casual staff) shall be two (2) weeks.

If an employee fails to give the required notice, ICC shall, to the extent permitted by law have the right to withhold monies due to the employee with an amount equal to the ordinary time rate for the period of notice not provided.

21.2. Notice of Termination by Council

In order to terminate the employment of an employee ICC shall give the following notice:

- (a) for all positions classified up to Level 5:

<u>Period of Continuous Service</u>	<u>Period of Notice</u>
Up to completion of three (3) years	Two (2) weeks
Three years and up to the completion of five (5) years	Three (3) weeks

- (d) Employees on stand-by may be required to perform emergency work which does not require the employee to perform a call-out as the work can be completed from home. Emergency work performed from home shall be paid at the prescribed rates for that day, from the time the work commences until the time the work is completed. The payment received in these circumstances shall not be less than one half hours salary at ordinary time rates. This provision does not apply to Senior Officers.

An annual audit to balance out periods not worked or periods worked over the year on standby roster will be undertaken. Where the audit reveals a difference to actual hours worked in relation to the predetermined annual on standby roster, an annual adjustment will be made in accordance with the salary percentage increase indicated in Clause 28.4.

Part 5 – Statutory Holidays, Leave

39. Statutory Holidays

39.1. Christmas, New Year, Easter, Anzac Day and Australia Day

All work done by any employee on Good Friday, Christmas Day, Anzac Day, New Years Day, Australia Day, Easter Saturday (the day after Good Friday), Easter Sunday, Easter Monday, the birthday of the Sovereign, and Boxing Day and a day reserved for the Ipswich Show holiday or any day appointed under the *Holidays Act 1983*, to be kept in place of any such holiday, shall be paid for at the rate of double time and a-half with a minimum of four (4) hours.

39.3. Work Outside Normal Times

All time worked on any of the statutory holidays outside the ordinary starting and ceasing times for the day of the week on which such holiday falls will be paid for at double the rate prescribed by the Agreement for such time when worked outside the ordinary starting and ceasing times on an ordinary working day.

39.4. Stand Down

39.4.1. Christmas

Any and every employee who, having been dismissed or stood down by ICC during the month of December in any year, shall be re-employed by ICC at any time before the end of the month of January in the next succeeding year shall, if that employee shall have been employed by ICC for a continuous period of two (2) weeks or longer immediately prior to being so dismissed or stood down, be entitled to be paid and shall be paid by ICC (at the ordinary rate payable to that employee when so dismissed or stood down) for any one or more of the following holidays, namely Christmas Day, Boxing Day, and the first day of January occurring during the period on and from the date of their dismissal or standing down to and including the date of their re-employment.

39.4.2. Easter

Where works are closed down at the Easter period, payment shall be made for the following holidays at ordinary rates to employees who have been employed for a period of not less than three (3) months: Good Friday and Easter Monday.

Provided that the qualification of three (3) months' prior employment above shall not apply to deprive an employee of payment for Good Friday and Easter Monday where the period between Christmas and Easter is less than three (3) months, if such employee has been continuously engaged between Christmas and Easter and is re-engaged on re-opening the works after Easter. Temporary breaks through wet weather shall not be deemed to break the continuity of employment.

39.4.3. Fixed Day Off

When the ordinary work cycle provides for a fixed day off and a statutory holiday falls on that day, the fixed day off shall be moved to a day mutually agreed between ICC and the employees concerned.

39.4.4. Substitution of Holidays

Where there is agreement between the majority of employees concerned and ICC and subject to statutory limitations, other ordinary working days may be substituted for the statutory holidays specified in this Clause. Provided that, where an employee is required to work on such substituted day, the employee shall be paid the rate applicable for the holiday that has been substituted.

40. Annual Leave

40.1. Entitlement

40.1.1. Amount of Annual Leave

Every employee (other than a casual employee) covered by this Agreement shall at the end of each year of employment, be entitled to annual leave on full pay as follows:

- (a) not less than five (5) weeks equivalent if employed on shift work where three (3) shifts per day are worked over a period of seven (7) days per week;
- (b) not less than four (4) weeks equivalent in any other case.

40.2. Statutory Holidays Excluded

Annual leave shall be exclusive of any statutory holiday which may occur during the period of that annual leave and shall if requested by the employee be paid for by ICC in advance.

40.3. Applicable Pay Rate

ICC shall, subject to Clause 40.7 Calculation of Annual Leave, pay:

- (a) to employees in receipt of higher duties payment during the preceding twelve (12) months in accordance with Clause 41 Higher Duties; and
- (b) in every other case, at the ordinary rate payable to the employee concerned immediately prior to that leave under this Agreement.

40.4. Payment on Termination of Employment

Employees will be paid any accrued but untaken annual leave on termination of employment calculated in accordance with the Award.

40.5. Annual Leave Accrual

- (a) Annual leave shall not accrue for approved absences in excess of three (3) months on leave without pay. Each period of such leave shall be treated separately and will not be treated cumulatively.
- (b) Leave without pay does not include any period of absence less than three (3) months during which the employee is entitled to payment under the *Workers' Compensation and Rehabilitation Act 2003*.

40.6. Taking Annual Leave in Advance

If an employee and ICC agree, annual leave may be taken wholly or partly in advance before the employee has become entitled to annual leave.

An employee who has taken leave in advance is not entitled to any further annual leave until they have a positive annual leave accrual.

An employee who has taken annual leave in advance, part of the annual leave that would be due at the end of a year of employment, becomes entitled at the end of that year of employment to the part of the annual leave not already taken.

Annual leave shall be granted at such time as is convenient to ICC but not later than three (3) months after it becomes due except where ICC and an employee mutually agree to defer the taking of the leave.

Unless the employee otherwise agrees ICC shall give the employee at least fourteen (14) days' notice of the date from which the employee's annual leave shall be taken.

40.7. Calculation of Annual Leave Pay

Payment for annual leave will be calculated as follows:

(a) Shift Workers

The rate of wage to be paid to a shift worker shall be the rate payable for work in ordinary time according to the employees roster or projected roster, including Saturday, Sunday or holiday shifts.

(b) All Employees

The employee's ordinary wage rate as prescribed by the Agreement for the period of the annual leave (excluding shift premiums and weekend penalty rates) plus 17.5 %.

40.8. Leave Debits

Annual Leave Debits will be equivalent to the ordinary hours employees would have worked had they not been on paid leave. Such leave will therefore be paid and debited on the basis of hours actually taken.

40.9. Closedowns

Where ICC closes down its operations or a section or sections thereof, for the purposes of allowing annual holidays to all or the bulk of the employees in that section or sections concerned, the following provisions shall apply:

- (a) ICC may stand down for the duration of the closedown all employees in the plant or section or sections concerned and allow employees to take accrued annual leave as per Clause 39.4.
- (b) all time during which an employee is stood down without pay for the purpose of this subclause shall count as service for the purpose of accruals.

Should a dispute arise between management and employees in regard to the close down provisions, that dispute shall be resolved through Clause 11- Grievance and Dispute Settlement Procedure.

Provided that the foregoing conditions shall also apply in the event of annual leave being staggered so that employees entitled to annual leave may be broken into two groups which overlap into a closedown of not more than two (2) working weeks (plus statutory holidays occurring therein), and employees with a lesser period of service may be stood down as in paragraph (a) above.

40.9.1. Christmas Closure

ICC will close down each year from Christmas Day to New Years Day. ICC shall nominate one day during the Christmas New Year period, as a day which rostered employees are entitled to take off work with pay and without applying for any other forms of leave. Employees may accrue up to three (3) days in form of TOIL (TOIL shall be time for time), overtime, flextime or banked RDO's, for the specific purpose of taking this time off during the period. Staff whose RDO's or who are on leave at this time will be credited with one (1) additional day leave to be used when best suited to operational requirements. Employee who are required to work on this day (Granted Day) will be paid ordinary rates and that day will be taken at another time as agreed by the Supervisor.

40.10. Requirement To Take Leave

Annual leave shall be granted at such time as is convenient to ICC but not later than three (3) months after it becomes due except where ICC and an employee mutually agree to defer the taking of the leave. Unless the employee shall otherwise agree ICC shall give the employee at least eight (8) weeks' notice of the date from which the employee's annual leave shall be taken.

41. Higher Duties Allowance

An employee performing higher duties immediately prior to the taking of annual leave will be entitled to annual leave at the following rates:

An employee having performed higher duties for:	Proportion of Annual Leave to be paid at higher duties rate
Less than three (3) months	25%
Three months or more but less than six (6) months	50%
Six months or more but less than nine (9) months	75%
Nine (9) months or more	100%

The relevant period of time is the aggregate of the time the employee has performed the higher duties during the twelve (12) months preceding the taking of annual leave. However, there will be no double counting of any period the employee has performed higher duties and for which payment on annual leave was made.

Provided that no contrived arrangement involving the deployment of any employee will be entered into so as to deprive an employee of, or affect the benefits of this provision.

42. Sick / Carers' Leave

42.1. Entitlement

Sick Leave and Carers' Leave are unlike Annual Leave and Long Service Leave in that they are conditional upon an employee being ill or injured to the point of being unfit for duty or required to provide care in circumstances set out in this Clause. It is an insurance to protect the employee against hardship should the employee be unable to continue in their normal occupation and must only be utilised in these circumstances.

An employee (excluding a short- or long-term casual employee) may take paid sick / carers' leave if the leave is taken:

- (a) because the employee is not fit for work because of a personal illness, or personal injury affecting the employee; or
- (b) to provide care or support to a member of their employee's immediate family, or a member of the employee's household, who requires care and support because of:
 - (i) a personal illness, or personal injury affecting the member; or
 - (ii) an unexpected emergency affecting the member.
- (c) the term 'immediate family' includes:
 - (i) a spouse (including a former spouse, de facto spouse and a former de facto spouse) of the employee; A de facto spouse means a person of the opposite/same sex to the employee who lives with the employee as his or her husband or wife on a bona fide domestic basis; and
 - (ii) a child or an adult child (including an adopted child, an ex-foster child, a step child or an ex-nuptial child), parent, grandparent, grandchild or sibling of the employee.

Employees (other than a casual employee) accrue three (3) weeks sick / carers leave per annum.

Calculation of the leave entitlement will be the average number of ordinary hours worked per week multiplied by three (3) weeks. For example, employees who works a thirty-eight (38) hour week will receive 114 hours sick leave per annum.

42.2. Certificate Required

Payment for absence from work that in any instance exceeds two (2) consecutive days where the employee is ill or exceeds one (1) day for carers' leave shall be contingent upon production by the employee concerned of either a certificate from a duly qualified medical practitioner or other evidence of illness satisfactory to ICC.

All employees who are unable to attend work due to illness or carers' responsibilities on any work day or shift shall notify their immediate Supervisor, Superintendent or Branch Manager of their inability to attend work as soon as possible but in any event, within half an hour of their normal starting time for the day or shift on which they are absent and shall advise of the reason for the absence (sick/carers) and of the expected duration of such absence. For Carers' Leave, the name of

the person requiring care and their relationship to the employee must also be provided. Failure to provide this information may result in the non-payment of leave for that absence.

By agreement with the relevant Unions, ICC may introduce a system where employees who are unable to attend work due to illness or carers' responsibility are required to notify a nominated third party. The relevant Unions shall not unreasonably withhold agreement.

In cases where an employee's record of attendance at work deteriorates to a point where it can be deemed to be unsatisfactory, ICC may introduce a system whereby the employee will be required to produce satisfactory evidence, which may include a doctor's certificate before payment of any sick / carers leave is made. Prior to implementing this requirement, ICC must meet to discuss the employee's attendance record and their concerns. The employee must be advised that they may be accompanied by a Union Representative at this meeting.

42.3. Carers Leave

Carers' leave is intended to provide interim arrangements for care of immediate family. It is not intended to be utilised to provide long term care arrangements. Carers' Leave shall be restricted to a maximum of ten (10) days per application unless otherwise approved by the Department Head. All applications in excess of one (1) month must be approved by the Chief Executive Officer, provided approvals will not be unreasonably withheld.

42.4. Portability

Credit shall be allowed for sick leave accumulated with previous employing Queensland Local Governments (excluding Brisbane City Council) provided that the employee's service as between such Queensland Local Governments (excluding Brisbane City Council) has been continuous and that the employee at time of engagement produces a certificate from the previous Queensland Local Government certifying the amount of sick leave accumulated to the employee's credit.

Provided that for the purpose of this Clause 'continuous service' shall mean service with a Queensland Local Government (excluding Brisbane City Council) or with more than one (1) Queensland Local Government (excluding Brisbane City Council) which has been continuous except for the employee having been dismissed or stood down, or by the employee having terminated the employee's service with the Queensland Local Government (excluding Brisbane City Council) provided that the employee shall have been re-employed by that Queensland Local Government (excluding Brisbane City Council) or some other Queensland Local Government (excluding Brisbane City Council) within a period not exceeding the combination of whatever period of accrued, untaken annual leave was standing to the employee's credit when the employee ceased employment with the employee's previous Queensland Local Government (excluding Brisbane City Council) plus a further period of four (4) weeks.

42.5. Additional Sick / Carer's Leave

The granting of Sick / Carers Leave with pay over and above the requirements of this Clause shall be entirely at the discretion of ICC.

42.6. Whilst on Annual Leave or Long Service Leave

If an employee on Annual Leave or Long Service Leave would be entitled to sick leave for a period of five (5) working days, the employee may apply to have such period of illness debited to the employee's sick leave entitlement and the employee's annual leave entitlement shall be adjusted accordingly.

42.7. Unpaid Leave for Caring Purposes

An employee may with the consent of Management, take unpaid leave for the purpose of providing care to a family member who has a medical condition.

43. Long Service Leave

43.1. Entitlement

Subject to the provisions of Clause 43.7 the entitlement of an employee to Long Service Leave on full pay pursuant to this Agreement shall be as follows:

- (a) In the case of an employee who has completed an initial period of ten (10) years' continuous service, thirteen (13) weeks multiplied by normal weekly hours;
- (b) In the case of an employee who has completed an initial period of seven (7) years but less than ten (10) years' continuous service, and who terminates that service, or who dies, or ICC terminates that service for reason other than misconduct, a proportionate amount calculated on the basis of thirteen (13) weeks multiplied by normal hours per week, for ten (10) years' service;
- (c) In the case of an employee who has completed an initial or a subsequent period of ten (10) years' service and who continues that service until the employee has completed a further period of ten (10) years' service, a further thirteen (13) weeks multiplied by the normal hours per week; and
- (d) In the case of an employee who continues in the service of ICC after having completed an initial or a subsequent period of ten (10) years' service and whose employment is terminated for any reason other than misconduct, or who dies, before completion of a further period of (10) years' service, a proportionate further amount on the basis of thirteen (13) weeks multiplied by normal hours per week, for ten (10) years' service.
- (e) Provided that employees who have an entitlement to pro-rata leave after seven (7) years' service will be permitted to take such leave.
- (f) Employees will be entitled to take any long service leave at double the time or request to be paid at half pay or to be paid at half the applicable rate of pay, subject to approval. Leave accruals will be debited accordingly. For example, two (2) weeks at double payment equals four (4) weeks entitlement.
- (g) For the purposes of this Clause, service does not include any period of leave without pay in excess of three (3) months or any period of unapproved leave without pay.

43.2. Continuous Service

For the purpose of this Agreement 'continuous service' shall mean service with ICC or with more than one Queensland Local Government which has been continuous except for:

- (a) Absence from work on leave granted by ICC including such absence through illness or injury on leave so granted, and any absence through illness or injury during the last five (5) years of the employee's service, shall be included in the period in respect of which Long Service Leave is computed;
- (b) The employee having been dismissed or stood down by ICC, or the employee having terminated service with ICC by reason of illness or injury, provided that the employee shall have been re-employed by ICC or another Queensland Local Government and shall not have been engaged in any other calling whether on the employee's own account or as an employee subsequent to having been so dismissed or stood down or to having so terminated service, and before being so re-employed; and provided further that the period during which that employee was absent by reason of such dismissal or standing down or termination of service shall not by reason only of this paragraph be taken into account in calculating the period of service;
- (c) The employee having been dismissed or stood down by ICC, or the employee having terminated service with ICC, provided that the employee shall have been re-employed by this Council or some other Queensland Local Government within a period not exceeding three (3) months.

43.3. Pro-Rata Payment

Any *pro rata* payment made at the employee's request shall not break the continuity of the employee's service for Long Service Leave purposes, but the quantum of Long Service Leave to which the employee may become entitled in the event of the employee re-joining the service of the same or another Queensland Local Government shall be reduced by the period of service in respect of which the *pro rata* payment was made.

43.4. Previous Defence Service

Service as a member of the Naval, Military or Air Forces and (other than the British Commonwealth Occupation Forces in Japan) of the Commonwealth or of the Civil Construction Corps established under the *National Security Act 1939*, as amended by subsequent Acts, of the Commonwealth, shall be deemed to be service with ICC by which that employee was last employed before the employee commenced to serve as such member.

This subclause shall not apply in respect of service whether for a specified period or without limit of time, with any of the permanent Naval, Military or Air Forces of the Commonwealth or with the British Commonwealth Occupation Forces in Japan.

43.5. Future Defence Service

Upon enlistment in Her Majesty's Armed Forces for active war service of any employee employed under this Agreement, ICC will be liable to pay to such employee, if the employee so requests, the monetary equivalent of the proportionate amount of Long Service Leave calculated as set out in this Agreement.

43.6. Payout on Demise of Employee during Defence Service

Where an employee covered by this Agreement enlists for active war service in any of Her Majesty's Armed Forces and subsequently dies during the period of such enlistment, a pro rata payment of Long Service Leave due to the employee shall be paid to the employee's personal representative.

In the event of the employee being totally incapacitated by reason of war service to the extent of being unable to resume duties with ICC, a pro rata payment for Long Service Leave shall be paid to the employee or calculated in accordance with provisions of this Agreement, provided that for the purposes of this subclause there shall be no minimum qualifying period of eligibility for Long Service Leave.

43.7. Higher Rate Prior to Long Service Leave

Provided that, in the case of an employee who immediately before the period of Long Service Leave is being paid for ordinary time worked by the employee at a rate in excess of the rate payable under this Agreement, the Long Service Leave shall be paid for at that excess rate as ordinary time deemed for the purpose of such payment at such excess rate to be worked continuously by that employee during the period of Long Service Leave except that, if the rate payable under this Agreement is varied during the period of Long Service Leave, then:

- (a) if the variation increases the rate payable under this Agreement to an amount greater than the aforesaid excess rate, the long service leave shall be paid for at that increased rate for any part of the period thereof in respect of the increased rate; or
- (b) if the variation decreases the rate payable under this Agreement, the Long Service Leave may be paid for at the higher rate less the whole or any portion of the decrease for any part of the period in respect of the amount of the decreased rate.

43.8. Statutory Holidays Excluded

Any Long Service Leave shall be exclusive of any statutory holiday occurring during the period when that Long Service Leave is taken and shall be paid for by ICC as ordinary time.

43.9. Current Local Government Responsible for Payment

The Local Government with which the employee is employed at the time Long Service Leave entitlement is claimed, shall be liable as between itself and such employee to pay the whole of the amount to which such employee is entitled as payment for Long Service Leave.

43.10. Previous Local Governments to Contribute

Once an employee becomes eligible for pro rata Long Service Leave each Queensland Local Government with which the employee had previously been employed during the qualifying period for Long Service Leave shall contribute to such entitlement in the proportion which the employee's period of service with it bears to the qualifying service at the ordinary rate of pay which the employee was receiving on the cessation of employment with such contributing Queensland Local Government.

43.11. All Contributions to Follow Employee

Once such contribution is made and the employee concerned is employed by yet another Queensland Local Government the aforesaid employing Queensland Local Government shall be liable between it and the new employing Queensland Local Government for all Long Service Leave contributions that had been forwarded to it and which had accrued during the period of employment.

43.12. Time and Manner of Payment

ICC and the employee concerned may agree upon the times and the manner in which the employee shall be paid for Long Service Leave.

Employees are required to ensure their Long Service Leave balance remains below twenty-six (26) weeks. Should an employee fail to maintain their leave balance below 26 weeks ICC may direct an employee to reduce their balance to twenty-six (26) weeks by providing three (3) months written notice. ICC will only direct an employee to take leave once in a twelve (12) month period for no less than four (4) weeks at one time. This Clause shall not be read as to restrict ICC's ability to direct employees to take Long Service Leave under the Act.

43.13. Payment Upon Death of Employee

If an employee who is entitled to any amount of Long Service Leave dies before taking that amount of Long Service Leave, or after commencing but before completing the taking of that amount of Long Service Leave, ICC shall pay to that employee's personal representative a sum equal to payment as prescribed by Clause 43 for the period of the amount of Long Service Leave not taken or, as the case may be, the taking of which has not been completed by that employee.

43.14. Grievances Process

In the event of any dispute arising in connection with any part of this clause, such a dispute shall be processed in accordance with Clause 11 Grievance and Dispute Settlement Procedure.

3 years full service	10 weeks ordinary time rates

Eligible employees have the option of taking an additional two (2) weeks leave to be deducted from the employees Sick Leave credits.

Access to the additional optional two (2) weeks leave is conditional upon the employee having sufficient Sick Leave balances to retain a minimum balance of two (2) weeks Sick Leave at all times.

The employee has the option of taking the leave outlined above at ordinary time rates or taking double the time at half the ordinary time rate.

Paid Parental leave shall be effective from the commencement of the Parental Leave and will form part of the maximum Parental Leave entitlement of fifty-two (52) weeks. Parents who are both employees of ICC may share the paid Parental Leave but the provisions of the Award relating to Parental Leave absences shall apply.

45. Bereavement Leave

45.1. Applicability

An employee is entitled to three (3) days Bereavement Leave for the purpose of attending the funeral service of an immediate family member or member of their household. Proof of such death shall be furnished by the employee to the satisfaction of ICC.

48. Secondment by Emergency Services

When an employee, by reason of membership of an emergency service agency, is required to be absent from work in order to assist or undertake such emergency work, that employee shall be allowed leave with pay equivalent to the ordinary time earnings of such absence. This shall not construe any responsibility on ICC for the conduct of such assistance or work undertaken by the employee during the secondment, or for any expenses incurred.

49. Natural Disaster and Extreme Weather Leave

When a situation occurs where an employee is affected as a result of a Natural Disaster (including an undeclared natural disaster) or Extreme Weather Event caused by but not limited to, a natural flood, cyclone, bushfire, tsunami or

- (b) secure their residence and belongings;

Schedule 1 - Flexitime Agreement 38 hour week

1. Introduction

The proposed scheme will cover those persons employed by ICC under the provisions of the Local Government (Stream A) Award – State 2017.

Flexitime is designed to allow staff maximum flexibility in determining their own working hours within each seventy-six (76) hour fortnight. In operation, the necessary constraints would be that present work through-puts and service to the public must not be reduced and overtime must not increase. On the other hand, it would be important for supervisors to recognise that staff should be allowed the greatest possible freedom to select their working hours within these constraints. So success of flexitime would depend largely upon co-operation between staff and management.

2. Definitions of Commonly Used Terms

The following terms are used to describe the scheme -

Bandwidth: Refers to that time between the start of the morning flex period and the end of the afternoon flex period. It is proposed that this would be 6.00 am to 8.00 pm.

Normal Hours: Normal hours of duty are those presently worked by the staff, ie. 8.00 am to 4.36 pm with a lunch break of one (1) hour.

Standard Day: A standard working day is 7 hours 36 minutes.

Maximum Hours: The maximum number of hours which can be worked in any one (1) day (exclusive of overtime) is ten (10) hours.

Core Time: These are the periods during the day when all Officers are normally required to be present. Core times proposed are 9.30 am to 12 noon, and 2.00 pm to 3.30 pm, except where mutually agreed between Head of Department and staff.

Flex Debit: A flex debit is an allowable amount below the normal hours that one is required to work, e.g. if an Officer has worked 7 hours on the one day, he has a flex debit of 36 minutes for that day.

Flex Credit: A flex credit is an allowable amount above the normal hours that one is required to work, e.g. if an Officer has worked 8 hours on the one day, he has a flex credit of 24 minutes for that day.

Flex Plan: This is a statement of planned times of attendance for each day in the next or any other future settlement period, completed by an employee for approval by his Supervisor.

Settlement Period: This is a period of ten (10) working days during which an Officer is required to work a normal total of 76 hours. Settlement periods will correspond to the present pay periods.

Core Time Leave: This refers to an approved absence during core time. An Officer can only take core time leave if:

- (a) The employee's Superior approves the absence; and
- (b) The employee has sufficient flex credits to cover his core time absence.

Carryover: This is the amount of flex credit (or in certain cases, flex debit) that may be carried over into the next settlement period. The maximum carryover is (+) 15 hours 12 minutes or the equivalent of two (2) standard days.

Officer: Wherever used in this outline, it refers not only to permanent staff but also includes all department employees except those specifically excluded from flextime.

3. Co-operation and Supervision

It is essential for the smooth running of any large organisation that there be co-operation. These two factors apply to a very large degree under flextime.

Officers must at all times obey directions given by their Supervisors regarding hours of attendance. If a Supervisor directs any of his staff to commence or cease work at a time at which the individual would prefer to be absent, the Supervisor's directions are to be followed.

It is essential therefore, that all staff working flextime be aware that the first priority is the maintenance of acceptable workflows. Accordingly, there will need to be co-operation between staff, supervisors and management in planning of working time so that during flex periods resources are available to service the needs of the public, other departments and organisations, and to enable the continuance of inter-office communication and services. This has to be carefully balanced against the objective of the system that staff should be afforded maximum flexibility in choosing their working hours consistent with the requirements of the system and the ultimate achievement of the group's and the department's work objectives.

Many of the problems that could occur under flextime will be avoided by mutual co-operation between staff. Experiments in other organisations have invariably proved that generally, this co-operation is forthcoming. It is to be hoped that the same would apply within ICC and that officers would not abuse the system and its controls.

The success or failure of the system and its continuance, depends to a very great extent on the attitudes, responses and co-operation of both Officers and Supervisors. It is to be remembered that flextime has been designed primarily to enable Officers to work more efficiently and to enable them to have greater say in planning their working hours, and not to reduce the number of hours worked, nor result in reduced output, or to extend the hours worked beyond an acceptable level.

Supervisors have a most important role to play under flextime. As well as ensuring that their section's obligations are met in full, they should encourage their Officers to use the benefits of the scheme in a responsible manner. Particularly in the early stages, supervisors should closely examine Officers' flexplans to ensure that all the provisions of the scheme are adhered to. Should an Officer require variations to the adopted plan the Officer must receive approval for the variations

from the Supervisor prior to working the amended hours. The Supervisor and employee must ensure that the hours worked do not extend beyond the maximum carry over of 15 hours 12 minutes at the end of a settlement period and are not outside the permitted range.

Should an Officer's hours of attendance be unsatisfactory, the Supervisor should immediately counsel the Officer concerned. If the officer's attendance pattern continues to be unsatisfactory, details of the case should be referred to the Head of Department.

Because of the varying requirements of each unit or section, it is not practicable to specify operating rules under flexitime any further than those outlined herein. It is considered appropriate to leave these matters to the discretion of the Supervisors.

During any part of the period 6.00 am to 8.00 pm when the Supervisor is absent, the next most Senior Officer should assume responsibility for the area.

4. Who will Participate in Flexitime?

Staff who work 38 hours per week and are governed by Local Government (Stream A) Award – State 2017 will be eligible to participate in flexitime.

The degree to which staff will be able to avail themselves of the benefits will, of course, vary depending on such aspects as the designation and classification of Officers, the duties of their positions, the location of section, absence of other Officers, etc. Not all staff will be able to enjoy the full benefits of flexitime, but it would be desirable that the maximum freedom possible within the constraints of efficient operations be afforded to all staff.

The Department Head will at all times retain the right to determine who may be excluded from participation.

5. Provisions of Flexitime

5.1. Daily Working Hours

The following details relate to daily working hours in general:

- (a) Earliest starting time - 6.00 am
- (b) Latest finishing time - 8.00 pm
- (c) The maximum time which an Officer can work on any one-day (not including overtime) is ten (10) hours. Officers working outside of these hours will not be paid for any such duty unless they have been specifically directed to do so, in which case, overtime provisions will apply.

5.2. Daily Working Pattern

Flex Period	6.00 am to 9.30 am
Core Time	9.30 am to noon
Flex Period	noon to 2.00 pm
Core Time	2.00 pm to 3.30 pm
Flex Period	3.30 pm to 8.00 pm

5.3. Core Time

During the core time 9.30 am to noon and 2.00 pm to 3.30 pm, all Officers are to be in attendance unless on approved leave (see later section on leave).

5.4. Flex Plan

To facilitate the proper and efficient operation of each department which works in accordance with the Flexitime scheme, a Branch Manager may require an employee to submit to their Supervisor, no later than 3.30 pm on the

day before the final day of a Settlement Period, a plan of expected working hours day by day, during the subsequent Settlement Period.

The employee retains the right to amend the Flex Plan provided such amendment is, after consultation with the employee, approved by the Supervisor prior to the Officer working the amended hours.

The Head of the Department retains the right to amend the Flex Plan by requiring an Officer to work normal hours. This will facilitate the Supervisor's task of ensuring adequate service.

5.5. Flex Period

Subject to the requirements of the duties of the officer's position and direction of the officer's supervisor, an officer is free to elect their hours of duty and times of attendance during the flex periods 6.00 am to 9.30 am, 12 noon to 2.00 pm, and 3.30 pm to 8.00 pm

5.6. Lunch Breaks

Notwithstanding the provisions of the Award, there will be no fixed lunch break. Officers will take a lunch break between 12 noon and 2.00 pm, the only requirement being that a minimum of half an hour has to be taken.

5.7. Rest Pauses

No alteration is proposed to the way in which rest pauses for morning and afternoon teas are taken. Since rest pauses are in the ICC's time, Officers will not sign off during these periods.

5.8. Notification of Absence

Under flextime, the same conditions will apply as presently exist for notification of absences where prior approval has not been given. Officers who for any reason will not be attending for duty when expected and who have not received prior approval, are to notify their Supervisor within half an hour of their normal starting time for the day or shift on which they are absent.

Failure to do this could result in deduction from salary, disciplinary action or an officer being prevented from participating in flextime.

5.9. Settlement Period

For flextime the settlement period will be a fortnight corresponding to the weekly pay periods. The normal requirement will therefore be for all officers to work seventy-six (76) hours over a period of ten (10) days, between the hours of 6.00am to 8.00pm. The exception is that Officers are allowed to carry over to the next Settlement Period a maximum flex credit of 15 hours 12 minutes.

5.10. Flex Debit and Credit Build Up

Officers will be allowed to build up flex credits, and incur flex debits, during the Settlement Period, that is, they will not be required to work 7 hours 36 minutes each and every day. The following conditions will apply to the accrual of flex credits and flex debits:

(a) Flex Credit

Subject to the specified requirement of the scheme, eg. necessity for Officers to meet their functional responsibilities, co-operation with Supervisors, etc., an Officer may accrue a flex credit build-up in excess of 15 hours 12 minutes during a Settlement Period, however at no time may the Officer's flex credit carryover exceed 15 hours 12 minutes. The minimum flex credit that can be accrued at any one time during the Settlement Period is 15 minutes. The provision for Officers to establish credits will enable both Officers and their sections to plan for peaks and troughs. Additionally, it will enable Officers to have time off at times when normally they will be working.

(b) Flex Debit

Unless otherwise approved by the Branch Manager the maximum flex debit at any one time during the Settlement Period is one standard working day (7 hours 36 minutes). The minimum flex debit that can be taken at any one time during the settlement period is 15 minutes.

5.11. Carryover to Next Settlement Period

Officers will be allowed to carryover from one Settlement Period to the next, a flex credit of two (2) standard working days (15 hours 12 minutes). Carryover of a flex debit will not normally be permitted.

5.12. Core Time Leave

All Officers will be required to be present during core time, eg. between 9.30 am to 12 noon and 2.00 pm to 3.30 pm, unless on approved leave. However, in order to give more flexibility to the scheme, Officers will be allowed to take off a maximum of two (2) full core time leaves in any Settlement Period. Examples:

- (a) Two (2) mornings
- (b) Two (2) afternoons
- (c) One (1) morning and one (1) afternoon (separately or as a full day).

Core time leave can only be taken, subject to the following conditions:

- (a) Flex credits must be established prior to being used for core time leave;
- (b) Prior approval of the supervisor must be obtained (verbal approval only will be required);
- (c) Core time leave can be taken on only two (2) occasions in any Settlement Period subject to (d) below;
- (d) The full extent of core time leave cannot be taken on each of two (2) consecutive working days even though they may be in a different Settlement Period. Exception may be authorised by a Supervisor when approval has been granted by the Head of the Department;
- (e) Officers' freedom to elect their own hours of duty must always be within the constraints of departmental efficiency as determined by the Department Head;
- (f) When core leave is taken on the day immediately preceding or after Annual Leave, such periods will not be included in any payment of higher duty allowance.

Officers will be directed to consult and co-operate with their Supervisors at all times, and whilst it is hoped that Supervisors will allow staff maximum flexibility under the scheme, it is appreciated that, at times, it will not be possible to allow all staff the freedom they may wish.

6. Leave & Annual Holidays

6.1. Annual Leave

Annual Leave must be applied for and approved in the usual way before being taken. Extended periods of leave without pay are treated similarly, as is Long Service Leave. Annual Leave can only be taken during the specified normal hours of duty on normal working days, i.e. Monday to Sunday between 6am and 8pm.

6.2. Core Leave Prior to Annual Leave

The Pay Clerk is to be notified in writing seven (7) days in advance when the core leave is approved for the working day preceding commencement of annual leave.

6.3. Sick Leave

Sick Leave can only be taken during the specified normal hours of duty on normal working days ie. Monday to Friday. If an Officer will not be attending for duty during the morning core time (ie. 9.30 am to 12 noon) due to

illness, they must notify their Supervisor within half an hour of their normal starting time for the day or shift on which they are absent. If an Officer is absent due to illness in the morning extending into core time, ie. later than 9.30 am, the Officer may apply for Sick Leave commencing from 8.00 am, the Officer has an option, however, to apply for Sick Leave to cover the period of core time only, the balance debited against flex credits.

Short periods of illness or other absences outside of core time may be covered by flex credits or flex debits without deduction from leave credits.

6.4. Bereavement Leave

The provisions of Clause 6.3 – Sick Leave will also apply to Bereavement Leave. . The Supervisor is required to certify that leave granted is in accordance with the provisions of the Enterprise Agreement.

6.5. Public Holidays

All officers will be credited with 7 hours 36 minutes each Public Holiday.

6.6. Special Leave (Short Periods)

Under flextime procedures, special leave for short periods of absence taken by Officers to attend to private business or to attend for doctor's or dentist's appointments of short duration outside of core time, would no longer be required, as these absences can be accommodated during the flex periods.

All absences during core time must be covered by an appropriate approval for core time or Sick Leave or an application for Annual Leave.

6.7. Sick Leave During Flextime Day Off

Should an Officer feel indisposed on an approved day off, he may apply for Sick Leave of 7 hours 36 minutes instead. He is then free to seek approval for further core time leave during the same Settlement Period.

Example

The following example of a typical leave situation may serve to demonstrate application of these principles:

An Officer works from 8.00 am to 2.30 pm with a half hour lunch break, i.e. he works 6 hours. They wish to cease work at 2.30 pm. Now, since this involves one hour of core time, they must first:

- (i) have at least one hour, thirty-six minutes flex credit; and*
- (ii) obtain their supervisor's permission for core time leave.*

Provided these requirements are satisfied, he may cease work at 2.30 pm. They will thus be credited with 6 hours for that day.

6.8. Overtime

In general, the amount of overtime worked should neither increase or decrease as a result of flextime.

- (a) Overtime would be payable when specifically directed - Monday to Friday:

- (i) for all work outside bandwidth;
- (ii) for work required to be performed in excess of 7 hours 36 minutes where the employee so elects, and in all cases for work required to be performed in excess of 10 hours in any one day, subject to subclause (b) below;
- (iii) for work required to be performed outside normal hours when a flex credit of 15 hours 12 minutes is exceeded; and

- (iv) for work required to be performed if an Officer is not permitted to take a lunch break in accordance with Clause 5.6 in such a case overtime will be payable until the Officer is permitted to take a lunch break of at least one half hour.
- (b) The employee may refuse to work more than 7 hours 36 minutes on any day unless overtime rates are paid for the time worked in excess of 7 hours 36 minutes, subject to the following constraints:
 - (i) the obligation of the employee to work during core time is not diminished; and
 - (ii) overtime shall not be performed without the express approval of an authorised officer.
- (c) the employer retains the right to insist that employees work during normal hours;
- (d) the employee retains the right to insist that he work during normal hours;

7. Notification of Termination

When an employee gives notice that they wish to terminate their employment, the employee automatically ceases to participate in flexitime. Any debit existing three (3) days before termination will be deducted as leave without pay. Where a credit balance exists, the Officer will be entitled to take this time.

8. Time Recording

All staff are honour bound to record their attendance accurately and truthfully. Any Officer who does not observe this requirement may be excluded from participation in the scheme. An Officer who deliberately falsifies their attendance record will be subject to disciplinary action. Absences for short periods during the day and other leave must also be recorded.

The accrued flex credits or flex debits will be calculated at the end of each pay period. Within the Settlement Period, it will be the duty of the Supervising Officers to calculate flexitime credits for Officers under their control before approving leave under the facility.

Flexitime credits will not accrue in respect of the five minutes immediately prior to the standard commencing time (viz. 8.00 am) nor will it apply to the five minutes immediately following the standard ceasing time (viz. 4.36 pm).

9. Transfers and New Employees

The date a new employee commences flexitime will not necessarily correspond to the start of a Settlement Period. Each expired day of the Settlement Period before commencement is calculated at normal hours (7 hours 36 minutes).

The total is placed in the leave summary section of the attendance record, e.g. 'Commencement adjustment 14.30 hours.'

10. Termination of Flex Time

The employee must serve 24 hours' notice on ICC should the employee intend to exercise their right to cease working flex time hours.

ICC must serve 24 hours' notice on an employee should ICC require that such employee cease to work flex time hours.
