Before implementation of any change to start and finish times Council shall take into account any personal / hardship issues raised by the Employee, or their nominated representative when a temporary alteration that is for more than six (6) months in duration or a permanent alteration is proposed by Council.

5.2 *Employees Supervising Other Award Employees*

- 5.2.1 All Employees covered by this Agreement who directly supervise Employees who work an ordinary 38 hour week, who are required to work the same hours, shall be paid for 38 hours per week worked at the hourly rate calculated for 36.25 hours per week. All hours worked in excess of 36.25 hours shall be paid at the appropriate penalty rate based on the hourly rate calculated on the 36.25 hours per week.

5.3 *Rostered Days Off*

- 5.3.1 The Parties to this Agreement recognise the importance of providing ongoing services to rate payers. To this end it is agreed that Employees shall work an amount of additional hours per

day that shall be accrued to allow the Employees to have one (1) Rostered Day Off (RDO) in each fortnight.

- 5.3.2 On receipt of two (2) days' notice and on an agreed basis where possible, an Employee may be required to work on an RDO. Consideration shall be made by Council of any prior commitments by the Employee for their RDO. Such an RDO shall be classed as a banked RDO, at ordinary hours, to be taken at a mutually agreeable day between the Employee and their supervisor, or paid at the appropriate penalty rate.
- 5.3.3 If a statutory holiday falls on the day on which the Employee is rostered off, such Employee shall take the RDO on the next business day or at a mutually convenient time if agreed to between the Employee and their supervisor.
- 5.3.4 It shall be clearly understood and agreed that rostering of Employees to accommodate the nine (9) day fortnight shall be prepared in such a manner as to maintain existing service levels and efficiency. This may result in a relatively strict roster, which will not always accommodate individual Employees' preferences as to which days are rostered for them, however, Council shall not unreasonably deny an Employee's preference.
- 5.3.5 Any Employee who falls sick on an RDO shall not receive any further day in lieu thereof.
- 5.3.6 An Employee may bank up to a maximum of ten (10) days, whether initiated by Council or the Employee.
- 5.3.7 Banked RDOs shall be taken at a time mutually agreed between the Employee and the Supervisor. The banked RDOs shall be taken within six (6) months of the date on which the first RDO was accrued.
- 5.3.8 If the banked RDOs are not taken within six (6) months, Employee initiated RDOs shall be paid out at single time and Council initiated RDOs shall be paid out at the appropriate penalty rates.

PART SIX: LEAVE ENTITLEMENTS

Leave entitlements under Part Six of this Agreement are provided for in the Queensland Employment Standards (QES) in Part 3 Divisions 5, 6, 7, 8, 9 and 11 of the *Industrial Relations Act 2016*. Clauses 6.1 – 6.10 of this Agreement supplement the QES and the relevant conditions stipulated by Stream A Award.

6.1 Sick/Carer's Leave

- 6.1.1 Sick/carers Leave is conditional upon an Employee being ill or injured, or being required to care or provide support to a member of the Employee's immediate family or household, or in accordance with clause 6.1.10, for preventative health and medical appointments. It is an insurance to protect the Employee and their family against hardship should the Employee be unable to continue their work and should only be utilised when an Employee is ill or injured or is required to provide care or support.
- 6.1.2 Where an Employee is unable to attend work due to illness, injury or the need to provide care for an ill family member or household they are required to contact their Supervisor directly by telephone and inform them of their absence as soon as practicable but no later than half an hour after the Employee's scheduled starting time.
- 6.1.3 Text messages or emails or notification to a third party, such as another Employee are not acceptable. In contacting their Supervisor, the Employee must advise Council of the period, or expected period of the sick leave.
- 6.1.4 Full-time Employees shall accrue sick/carers Leave at the rate of one (1) day per month in the first twelve (12) months of employment, thereafter the rate of fifteen (15) days per year for each year of continuous service with Council, credited at the start of the second and each subsequent year of service on their anniversary date. Part-time and fixed-term Employees shall accrue sick/carers leave on a pro-rata basis in relation to the ordinary hours worked. Employees may take up to their total accrued sick leave as carers leave, in accordance with clause 6.1.1.
- 6.1.5 Council shall recognise prior continuous service and provide portability of sick leave in accordance with clause 20 of Division 2 - Section 1 of Stream A Award. Upon commencement of employment with Council, the accrual of sick leave shall be in accordance with clause 6.1.4.
- 6.1.6 Unused sick/carers leave is cumulative from year to year, however, it shall not be paid out on termination.
- 6.1.7 Due to the nature of the employment contract casual Employees shall not accrue any paid sick/carers leave.
- 6.1.8 To be entitled to be paid sick/carers leave, an Employee must provide Council with notice as required under clause 6.1.2. Documentary evidence (such as a medical certificate or other document suitable such as a statutory declaration, detailing the nature of the absence (i.e. sick/carers leave or preventative leave) is required for all sick/carers Leave claimed:
 - a) in excess of two (2) days; or
 - b) when taken immediately preceding or following a public holiday and/or rostered day off.
- 6.1.9 Where a statutory declaration is provided in support of a claim for paid sick/carers leave, such statutory declaration, shall be limited to periods of sick/carers leave of up to four (4) days. sick/carers leave extending beyond four (4) days shall require a medical certificate from a Registered Health Practitioner (as defined in clause 1.9.5 of this Agreement).

- 6.1.10 Employees shall be entitled to access sick leave of up to two (2) full time working days of sick leave per annum, (pro-rata for part-time Employees) to attend preventative health or routine medical appointments with a Registered Health Practitioner, as defined by the Australian Health Practitioner Regulation Agency. Employees shall be required to seek approval from their supervisor a minimum of one (1) working day prior to the sick leave being taken for appointments, or earlier if practicable. Where an Employee is subject to absenteeism management, they may be required to provide a medical certificate for each instance of sick leave taken for preventive health.
- 6.1.11 Sick/carer's leave may be taken in a minimum of thirty (30) minute blocks then fifteen (15) minute blocks thereafter.
- 6.1.12 An Employee who becomes ill whilst on annual leave and/or long service leave shall be paid sick leave and a corresponding amount of time added to the Employee's annual leave or long service leave entitlement, provided that:
- (a) a Registered Health Practitioner certifies that the Employee would be unfit to perform normal duties for a period of not less than five (5) working days; and
 - (b) the Employee notifies Council as soon as practicable.
- 6.1.13 An Employee in receipt of worker's compensation may opt to use sick leave accruals to make up the difference between payments received from Local Government WorkCare and the Employee's average weekly earnings which shall be calculated by:
- (a) Taking the Employee's weekly wages for the three (3) months prior to the injury and averaging these wages to devise a standard rate. The difference between payment by Local Government WorkCare and this calculated rate shall be the gross amount to be paid by Council to the injured Employee.
 - (b) The amount debited against the Employee's sick leave accrual shall be calculated by dividing the additional payment by the Employee's ordinary hourly rate.

6.2 Absenteeism Management

- 6.2.1 Sick/carer's leave should only be claimed when the physical consequences of injury or illness or the requirement to care for an immediate family member or household member prevent an Employee from attending work.
- 6.2.2 The Parties to this Agreement recognise that absenteeism and/or misuse of sick/carer's leave is a controllable overhead and misuse of this benefit is detrimental to the operations of Council in respect to services to rate payers. In recognising this, the Parties have agreed on the following procedure to manage sick/carer's leave misuse and absenteeism:
- 6.2.2.1 Sick/carer's leave is unlike annual or long service leave in that it is conditional upon an Employee being ill or injured to the point of being unfit for duty, or a possible risk to others or they are required to care for an immediate family member or household member.
- 6.2.2.2 It is an insurance to protect Employees and their families against financial hardship should the Employee be unable to continue in his normal occupation.
- 6.2.2.3 This procedure is designed to curtail sick/carer's leave misuse and absenteeism by Employees who are absent from work and who are not genuinely unfit for duty and is to operate notwithstanding other provisions of this Agreement.
- 6.2.2.4 Council shall, from time to time, review Employee sick leave records with a view to establishing a list of Employees who have a record of attendance which gives cause for reasonable concern.

6.2.2.5 Any Employee with a record of attendance which gives cause for reasonable concern shall be interviewed by Council. The Employee shall be notified, at the time of setting the interview time and date, that they are entitled to have an advocate or a support person of their choice present at the initial and any subsequent meeting. If the discussion does not provide satisfactory reason for the Employee's absences, then a letter of warning is to be sent to the Employee and appropriate actions for improvement documented.

6.2.2.6 If no improvement is observed in the next period, the Employee will again be interviewed and if the interview results in unsatisfactory reasons being given, then a second letter of warning is to be sent to the Employee, also indicating proof of illness or a certificate may be required for any subsequent absence. This letter of warning shall also inform the Employee that unless their attendance record improves further disciplinary action, up to and including termination of employment may follow.

6.2.2.7 If the above action still results in unsatisfactory attendance, the Employee shall need to provide Council with reasons why their employment should not be terminated.

6.2.3 The above procedure does not withdraw Council's right to take action against fraudulent behaviour which may justify summary dismissal. Filling out a false sick leave or carer's leave application and claiming sick or carer's leave payment, when that Employee's application is not genuine, may be considered to be fraudulent.

6.3 Unpaid Leave

6.3.1 Employees shall be entitled to apply for a period of unpaid leave of absence from work. Unpaid absence from work shall fall into three (3) streams as detailed below:

- (a) Stream 1 – shall mean any unpaid leave for less than six (6) months;
- (b) Stream 2 – shall mean any unpaid leave from between six (6) and 12 months;
- (c) Stream 3 – shall mean any unpaid leave in excess of 12 months.

6.3.2 Any requests for unpaid leave under Stream 1 shall require the Employee to provide their Manager with a written request for unpaid leave with a minimum of four (4) weeks' notice or as otherwise agreed. Written requests are to provide full details of the reason for the leave as well as the time required.

6.3.3 Any requests for unpaid leave under Stream 2 shall require the Employee to provide their Executive Director/Chief Officer with a written request for unpaid leave with a minimum of six (6) weeks' notice or as otherwise agreed. Written requests are to provide full details of the reason for the leave as well as the time required.

6.3.4 Any requests for unpaid leave under Stream 3 shall require the Employee to provide the Chief Executive Officer with a written request for unpaid leave with a minimum of eight (8) weeks' notice or as otherwise agreed. Written requests are to provide full details of the reason for the leave as well as the time required.

6.3.5 Periods of unpaid leave shall not break the Employee's continuity of service, however, the period of unpaid leave shall not count towards the accrual of any entitlements that would usually apply statutorily to the Employee.

6.4 Annual Leave

6.4.1 Accrual

6.4.1.1 Full-time Employees who work 36.25 ordinary hours per week shall be entitled to 145 hours of paid annual leave at the completion of each year of service. Annual leave is accrued proportionately on a fortnightly basis.

6.4.1.2 Part-time and fixed-term Employees shall accrue annual leave on a pro-rata basis according to the Employee's ordinary hours of work. Due to the nature of the employment contract casual Employees shall not accrue any annual leave.

6.4.1.3 Continuous Shift Workers, as defined in clause 1.9.1 of this Agreement, who work 36.25 ordinary hours of work per week shall be entitled to an additional 36.25 hours of paid annual leave at the completion of each year of service. Annual leave is accrued proportionately on a fortnightly basis. Provided that where an Employee does not work the full year on continuous shift work, they shall be entitled to a pro-rata benefit for the time worked on continuous shift work.

6.4.2 Access to Annual Leave

Annual leave shall be exclusive of any statutory holiday that occurs during the period. An Employee may elect, with the consent of Council, to take annual leave in single day periods not exceeding five (5) occurrences in any calendar year or as otherwise agreed.

6.4.3 Access to Annual Leave at half pay

6.4.3.1 Annual leave may be taken at half pay, effectively doubling the period for which leave can be taken.

6.4.3.2 The minimum period of annual leave taken at half pay is ten (10) days (i.e. five (5) days at full pay taken over ten (10) days) and the maximum period of annual leave taken at half pay is eight (8) weeks (i.e. up to a total of four (4) weeks at full pay taken over eight (8) weeks). This applies to any twelve (12) month period.

6.4.3.3 Notwithstanding clause 6.4.3.2, parental leave can be combined with an unlimited period of annual leave at half pay to a maximum combined period of 52 weeks.

6.4.3.4 Applications for half pay annual leave will not be unreasonably denied, taking into consideration the following:

- (a) Whether the taking of half pay annual leave meets the area's business and operational requirements;
- (b) The Employee's current leave balance to ensure accrued leave remains below Council's maximum leave accrual rate; and
- (c) The ability to provide coverage for the leave period, including the cost associated with arranging coverage.

6.4.4 Notice of Taking of Annual leave

Employees shall be required to provide Council with two (2) weeks' written notice of their intention to take annual leave unless otherwise agreed. Council shall attempt to comply with an Employee's request for annual leave and where mutual agreement cannot be gained or operational requirements dictate, Council may refuse to grant the request for annual leave.

6.4.5 Payment

6.4.5.1 All monies owing to an Employee for annual leave purposes shall be paid to the Employee incrementally on their usual pay day, unless other arrangements are mutually agreed between the Employee and Council. Payment for annual leave shall attract an additional payment of a leave loading of 17.5% on the Employee's ordinary hourly rate of pay.

6.4.5.2 Should an Employee's employment be terminated under the terms of this Agreement prior to the Employee working a full year, the Employee shall be paid any annual leave they have accrued in line with this Agreement.

6.4.6 Annual Leave Reduction Scheme

6.4.6.1 Where an Employee has accrued an excessive amount of annual leave, being greater than two (2) years of entitlements, the Employee shall be required to participate in a leave reduction scheme. Such scheme shall require the Employee to reduce their accrued bank of annual leave over an agreed period of time.

6.4.6.2 Notwithstanding the provision of sub-clause 6.4.6.1, where an Employee accrues in excess of two years' entitlements of annual leave Council may direct the Employee to take such excess leave on the provision of four (4) weeks' notice.

6.5 Purchased Leave

6.5.1 Employees may, with the employer's approval, purchase additional periods of annual leave up to a maximum of six (6) additional weeks' leave in any twelve (12) month period. Employees' continuous service shall not be impacted by entering into a Purchased Leave arrangement

6.5.2 Superannuation entitlements shall be based on an Employees' gross salary prior to commencing a Purchased Leave arrangement.

6.5.3 Leave loading is not applicable to Purchased Leave as this arrangement is outside the annual leave provisions of any industrial instrument.

6.5.4 Purchased Leave will be subject to the employer's directives and procedures.

6.6 Long Service Leave

6.6.1 All permanent full time Employees shall accrue a long service leave entitlement at the rate of 1.3 weeks for each year of continuous service, which shall not be payable prior to seven (7) years continuous service.

6.6.2 Part time and long term casual Employees shall be entitled to long service leave on a pro rata basis in relation to the ordinary hours worked.

6.6.3 Long service leave may be taken on a pro rata basis whilst in service after completion of seven (7) years continuous service with a Local Government in Queensland.

6.6.4 Accrued Long service leave may be taken in minimum lots of four (4) days at one time.

Long service leave may be taken at half pay, effectively doubling the period for which leave can be taken. The minimum period of long service leave taken at half pay is ten (10) days (i.e. a total of five (5) days at full pay taken over ten (10) days) and the maximum period of long service leave to be taken at half pay is fifty-two (52) weeks (i.e. up to a total of twenty-six (26) weeks at full pay taken over 52 weeks). This applies to any twelve (12) month period.

6.6.5 Notwithstanding clause 6.6.4, parental leave can be combined with an unlimited period of long service leave at half pay to a maximum combined period of 52 weeks.

6.5.1 Long Service Leave Reduction Scheme

Except in exceptional circumstances, the Employee shall be required to participate in a leave reduction scheme where an Employee has accrued in excess of 26 weeks' long service leave. Such scheme shall require the Employee to reduce their accrued bank of long service leave over an agreed period of time to the maximum of 26 weeks accrued long service leave. If the Employee and Council cannot agree, Council may decide when the Employee is to take leave by giving the Employee at least three (3) months written notice of the date on which the Employee must take at least four (4) weeks' long service leave.

6.6 Paid Parental Leave

- 6.6.1 Employees, other than casual Employees, shall be eligible to apply for paid parental leave after 12 months continuous service with Council.
- 6.6.2 Part-time Employees are eligible for paid parental leave on a pro-rata basis of the average weekly hours for the preceding 12 months.
- 6.6.3 All paid parental leave may be taken at full pay or at half pay.
- 6.6.4 All entitlements shall accrue during this period of paid leave.
- 6.6.5 Such absences for parental leave shall be supported by appropriate medical documentation.
- 6.6.6 After 12 months continuous service, female Employees are entitled to 14 weeks paid maternity leave.
- 6.6.7 An Employee shall be entitled to 14 weeks paid leave where the pregnancy of the Employee, not then on maternity leave, terminates after 28 weeks, other than by the birth of a living child.
- 6.6.8 The remaining maternity leave may be taken as leave without pay, or take the option of having any accrued paid leave (excluding sick leave) paid to a maximum of 52 weeks.
- 6.6.9 Employees shall, during maternity leave, be entitled to request to return to work part time for a period of 12 months. There shall be no eligibility for part time loading.
- 6.6.10 After 12 months continuous service, Employees are entitled to a total of two (2) weeks paid parental leave in connection with the birth or stillbirth of their partner's child or adoption of a child.
- 6.6.11 Employees, other than Employees taking paid parental leave, who will be the principal carer of the child, shall be entitled to ten (10) weeks paid leave for adopted children, as from the date of adoption provided that the child:
 - (a) is, or will be, under 16 as at the day of placement, or the expected day of placement, of the child; and
 - (b) has not, or shall not have, lived continuously with the Employee for a period of 6 months or more as at the day of placement, or the expected day of placement, of the child; and
 - (c) is not (otherwise than because of the adoption) a child of the Employee or the Employee's spouse or de facto partner.

6.7 Bereavement Leave

- 6.7.1 Employees, other than casual Employees, may be granted up to five (5) days Bereavement Leave, on full pay on each occasion, where:
 - (a) the deceased person was a member of the immediate family or household of the Employee; or
 - (b) The Employee, or the Employee's spouse, is pregnant and the pregnancy ends other than by the birth of a living child.
- 6.7.2 This shall be subject to the production of evidence of death satisfactory to Council, or the completion of a statutory declaration under the provisions of the *Oaths Act 1867*.

- 6.7.3 Periods of a longer duration shall be subject to approval by the CEO and shall be determined on an individual, case-by-case basis.
- 6.7.4 Where the deceased person does not qualify as immediate family as stated by clause 6.7.1 (a), the Employee shall be entitled to apply for special bereavement leave that shall be subject to the approval of the CEO and shall be determined on an individual, case-by-case basis.

6.8 Emergency Services Leave (SES/Rural Fire Brigades/QAS) and Armed Services Leave

- 6.8.1 Council supports Employees who participate in the above activities and shall provide paid leave in addition to annual leave for those Employees registered with Council as belonging to an Armed Service, subject to approval by the relevant Manager.
- 6.8.2 Where Employees are registered members of the Emergency Services and required to attend an emergency there shall be no loss of pay. Where Employees who are Emergency Services members are required to attend an emergency they must obtain approval from their immediate supervisor at the earliest opportunity.

6.9 Natural Disaster Leave

- 6.9.1 If an event beyond an Employee's reasonable control prevents an Employee from travelling from their normal place of residence to their normal place of work, then line management may approve "Natural Disaster Leave" paid at ordinary time only. Events may include but are not limited to flooding and bush fires.
- 6.9.2 Approval shall depend upon Employees being able to demonstrate that they made all reasonable efforts to attend work or were instructed not to attend work by their supervisor.
- 6.9.3 Where an Employee is able to present to any of Council's administrative offices, depots or other such places the Employee is required to do so. An Employee attending such a workplace shall, if required, carry out duties that are commensurate with the Employee's skill, training and experience even though the work required may not be the Employee's normal work.
- 6.9.4 Provided that during the day in question the Employee was able to present at Council's administrative offices, depots or other such places and they did not, no payment shall be provided for the day.

For example: An Employee cannot attend work due to water over the road at the Employee's usual time of leaving their residence and later in the day the water recedes to allow the Employee to attend work, they would be required to do so in order to receive payment for the day.

- 6.9.5 Employees shall not place themselves at risk in attempting to arrive at work to meet their obligations under the Natural Disaster Leave clauses.

6.10 Domestic and Family Violence Leave

- 6.10.1 Employees impacted by domestic and family violence are entitled to 10 days per year Domestic and Family Violence Leave. Employees may apply for additional leave, which is at the CEO's discretion.
- 6.10.2 Where an Employee affected by domestic or family violence is concerned for their safety or that of their colleagues, Council will work with the Employee to ensure that safety at work protocols are established.

6.10.3 Further provisions in regards to Domestic and Family Violence are stated in Council's Domestic and Family Violence Directive and Procedure.

PART SEVEN: WORKING ARRANGEMENTS

7.1 Fatigue Rest Provision

- 7.1.1 There shall be a ten (10) hour consecutive break between the conclusion of ordinary work on one day and the commencement of work on the next day (including weekends and public holidays) and shall be in accordance with the relevant Award provisions, Monday to Sunday inclusive.
- 7.1.2 Where an Employee has been required to work extended hours in response to a genuine work need (whether physically attending to call outs or attending to out of hours telephone calls), and they consider they have not had reasonable rest prior to the commencement of the following workday, the following process is to apply:
- (a) The Employee should contact their direct supervisor within 30 minutes of their normal start time, and advise of the work related issue they have attended to out of hours and the circumstances of why they do not feel adequately rested to commence duties at the start of the following work day.
 - (b) The Employee and supervisor should then make a mutually suitable arrangement for the Employee to recommence duties after they have had a reasonable rest period.
- 7.1.3 The Employee shall be paid for any ordinary time lost as a result of being on a rest period and the time recorded as ordinary time.
- 7.1.4 In the situation where an Employee is fatigued due to providing assistance to the community, for example involvement in an emergency service or jury duty, the Employee can seek an appropriate paid rest period from their supervisor.

Example: an Employee is called out to a job at 11:00 pm and performs work on the job until 4:00 am, the Employee is not required to present to work at the ordinary commencement time on that day; however, they shall be required to present to work at 2:00 pm and shall cease work at the ordinary finishing time and shall be paid for that day as if that Employee was in attendance for the whole ordinary work day.

7.2 End of Year Closedown

- 7.2.1 In line with providing ongoing services to rate payers Council shall determine which offices and depots shall remain open over the Christmas/New Year period. Determination shall be made on a business needs basis and may change from year to year. Council shall inform relevant Employees attached to offices and depots at least 12 weeks prior to the Christmas/New Year break if the office or depot is required to remain open.
- 7.2.2 The resourcing levels of the affected offices and depots shall be determined by Council. In the first instance, Council shall call for Employees to agree to work during this period. Where the number of Employees agreeing to work is not sufficient, as determined by Council, to meet the business needs, Council shall direct the necessary Employees to work.
- 7.2.3 Employees not required to work during this period may use banked RDOs, accrued TOIL, accrued annual leave, or else take the time off as unpaid leave.

7.3 Work Life Balance

The Parties agree to support the concept of flexible working arrangements including provisions for job sharing arrangements, part time employment and agreed flexible working hours for Employees with family responsibilities.

7.4 Job Sharing

7.4.1 Any permanent full time position may be filled by two (2) Employees on a Job Sharing basis where job sharing is convenient to the requirements of the position and there is agreement between the Employees and Council.

7.4.2 Employees so employed shall be entitled to all leave as prescribed by Stream A Award on a pro-rata basis. All other provisions of the Award and this Agreement shall apply. All job sharing appointments made pursuant to this clause shall be subject to an annual review process in order to assess the effectiveness of a position being performed in this manner and in order to decide whether to continue with this arrangement. The concerned Employees and management shall jointly conduct the review.

7.5 Temporary Flexible Working Arrangements

7.5.1 Upon application by an Employee, Council may consent to a reasonable request for temporary flexible working hours and/or the accrual of "extra time". These arrangements must be compatible with the requirements of the position and be reviewed on a six (6) monthly basis to assess their effectiveness and to decide whether to continue with this arrangement.

7.5.2 Any such agreed arrangement between Council and the Employee shall be documented in writing and may include the working of hours that are less than, or in excess of, the normal working hours and, as such, no overtime or part-time loadings, applicable under Stream A Award, shall apply.

7.6 Time Off In Lieu of Payment for Overtime

7.6.1 Where overtime is worked by an Employee with the prior approval of Council, it shall be paid at the applicable overtime rate as stated in Stream A Award. Time off in lieu (TOIL) may only be accrued by agreement between Council and the Employee in accordance with the provisions of this clause.

7.6.2 Council shall, if requested by an Employee, provide payment, at the rate provided for the payment of overtime in Stream A Award for any overtime worked where such time has not been taken within four (4) weeks of accrual.

7.6.3 Where an Employee has not approached Council within four (4) weeks of the TOIL being worked, Council shall be entitled to direct the Employee to take such accrued time off work with two (2) weeks' notice. Where Council has directed the Employee to take an amount of accrued TOIL, clause 7.6.2 of this Agreement shall have no effect.

7.6.4 Notwithstanding clause 7.6.3, an Employee may elect to maintain TOIL accrual of up to one (1) full time equivalent work day.

7.7 Make Up Time

7.7.1 An Employee may elect, with the consent of Council, to work "make-up time", under which the Employee takes time off ordinary hours and works those hours at a later time that is suitable to both Council and the Employee.

7.7.2 Where the Employee chooses to work the make-up hours that would attract any Award penalty, overtime payment, allowance, these Award provisions shall have no effect for the "make-up" time worked.

7.8 Change in Work Location

7.8.1 Where an Employee's normal work location is required to permanently change, except where it is customary for that Employee to work in other locations, to meet business and service delivery needs, the Employee shall be provided with one (1) months' notice in writing. Individual circumstances shall be taken into consideration as much as possible.

- 7.8.2 Where an Employee considers that the permanent change shall result in personal hardship there are two options available - redeployment, where possible, and a separation payment.
- 7.8.3 For redeployment, Council shall endeavour to find suitable alternative employment within Council at the normal work location for Employees who have been requested to change their normal work location and where personal circumstances would result in undue hardship for the Employees changing their normal work location. All such Employees shall be individually interviewed to determine what options may exist for their retraining by Council.
- 7.8.4 Where suitable alternative employment is found for an Employee at a classification with a lower rate of pay, that Employee shall continue to receive, as a minimum for all work performed, the actual rate of pay for the classification held at the time of transfer for a period of 12 months or until the rate for the lower classification exceeds the actual rate, whichever is earlier.
- 7.8.5 Employees who are transferred to other positions shall be eligible for separation payment should it be found within three (3) months by either themselves or Council that the alternate position is unsatisfactory.
- 7.8.6 Should an Employee not accept a suitable redeployment position and opt to take the separation payment, they are not eligible to apply for that vacancy, should it be advertised externally, within a six (6) month period of receiving that separation payment.
- 7.8.7 Where it is considered that the only option available is to seek early separation from Council, the Employee may request consideration of a separation payment equivalent to two (2) weeks' ordinary pay for each completed year of service plus other payments which they would normally be entitled to on termination.
- 7.8.8 Separation payment shall be capped at 26 weeks.

PART EIGHT: MISCELLANEOUS

8.1 Professional Association and Registration Fees

- 8.1.1 Where Employees must hold a registration or maintain membership of a professional association and licences (excluding C class driver's licence) as part of their employment, Council shall pay the additional costs for obtaining and renewing a required licence, registration and/or membership.
- 8.1.2 For clarification, this clause does not cover 'C' class driver's licences, however, it shall cover such things as renewals for truck driver's licences as well as mobile and fixed plant operators tickets, where such costs are in addition to any costs for the maintenance of a 'C' class driver's licence.

Example: Where the renewal fee is the same as the 'C' endorsed licence irrespective of the additional endorsements the Employee will not be reimbursed for the cost of the licence renewal. Council will pay for licence upgrades for example (MR to HR) with these costs representing the test fees.

8.2 Transmission of Business

- 8.2.1 Where a business or any part of a business is transmitted from Council to a new Employer, and where, at the time of such transmission, an Employee of Council becomes an Employee of the transmittee:
- (a) The continuity of service of the Employee shall be deemed not to have been broken by reason of such transmission; and
 - (b) The service that the Employee has had with Council or service with another Council that has been recognised by Council, shall be deemed to be service of the Employee with the transmittee.

Thirdly, before concluding whether suitable alternative employment opportunities are available. Council will assess whether Employees individually can be retrained to perform alternative roles. Fourthly, Council must consider whether it would be appropriate to exercise a discretion to invite applications from Employees for voluntary retrenchment.

4.3 It is only after these steps are completed that Council should decide as a matter of finality whether involuntary retrenchments must be made.

4.4 If involuntary retrenchments are to be made, Council will take all reasonable steps to assist Employees to find employment outside the service of Council.

- 8.2. Where suitable alternative employment is found for an Employee at a classification with a lower rate of pay, that Employee shall continue to receive, as a minimum for all work performed, the actual rate of pay for the classification held at the time of transfer for a period of twelve (12) months or until the rate for the lower classification exceeds that actual rate, whichever is the earlier.

- 8.3. Employees who are transferred to other positions shall be eligible for redundancy benefits should it be found, within three (3) months, by either themselves or Council that the alternative position is unsatisfactory.
