WHS matter subject of the dispute

On 29 January 2019 the RTBU, on behalf of the Willawong Bus Operator Workgroup, filed a complaint with Workplace Health and Safety Queensland against Brisbane City Council.

This complaint was made on the following grounds:

a). Implementation of new partial bus screens has failed to achieve a meaningful elimination of risks associated with assault perpetrated by passengers.

b). The design and manufacture of the partial screens create a very dangerous risk of elevating the potential for collision for the bus and its occupants. As the screens are highly reflective and visually obstructing, they produce an effect where they project a mirror image of what is occurring on the right-hand side of the Bus.

Is a decision made by an inspector to exercise, or not to exercise, compliance powers under part 10 to assist in resolving the dispute subject to review under part 12? YES NO
