S130-REVIEW OF AWARDS

BRISBANE

9.11 AM, FRIDAY, 31 MAY 2013

DAY 1

HEARING

WARNING: The publication of information or details likely to lead to the identification of persons in some proceedings is a criminal offence. This is so particularly in relation to the identification of children who are involved in criminal proceedings or proceedings for their protection under the *Child Protection Act 1999*, and complainants in criminal sexual offences, but is not limited to those categories. You may wish to seek legal advice before giving others access to the details of any person named in these proceedings.

COMMISSIONER: Apparently there's no appearances today so I will just note that there's no appearances. Today was listed to deal with those matters where no objection has been received in respect of the corporation awards. I have a list of those corporation awards. We have received correspondence from Together
5 Queensland to say that they don't wish the Queensland Institute of Medical Research, QIMR award 2003, to be listed, so I'll take that out at this stage, and I'll lift that from this list. So I'll make the list of corporations award exhibit A.

10 **EXHIBIT #A ADMITTED AND MARKED**

COMMISSIONER: And we'll make those obsolete as of today. The Queensland Institute of Medical Research, QIMR award 2003, we'll list as AR6, and we'll list
15 that for hearing on the next occasion, which is the 19th of July, after we do the directives issue. Anything further. On that base, we'll adjourn.
