NOTE: The rates of pay in this Award are intended to include the arbitrated wage adjustment payable under the 1 September 2009 Declaration of General Ruling and earlier Safety Net Adjustments and arbitrated wage adjustments. This arbitrated wage adjustment may be offset against any equivalent amount in rates of pay received by employees whose wages and conditions of employment are regulated by this Award which are above the wage rates prescribed in the Award. Such payments include wages payable pursuant to certified agreements, currently operating enterprise flexibility agreements, Queensland workplace agreements, award amendments to give effect to enterprise agreements and overaward arrangements. Absorption which is contrary to the terms of an agreement is not required.

Increases made under previous State Wage Cases or under the current Statement of Principles, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated wage adjustments. Increases in amounts as a result of the State Wage Case in 2009 and subsequent years are to be added to the amounts prescribed by this Award and not absorbed in any way.

(c) Translation

In implementing the amendments to this Award arising from the QIRC decisions of 24 March 2006 and 27 June 2006, employees are to receive the wage rate consistent with the classification and paypoint to which they were entitled immediately prior to such amendments.

- (d) No employee (qualified or unqualified) shall suffer any reduction in pay as the result of the introduction of the above structure and/or wage rates.
