**(Gazette, 10 January 2003)**

PURSUANT to the Declaration of the Commission as to a General Ruling made on 21 August 2009, the said Award is amended as follows as from 1 September 2009:

1. By deleting clause 5.2 and inserting the following in lieu thereof:

Arising from these adjustments certain "Excess Payments" have also been identified and are payable to employees engaged in such classifications as part of their award rate. These "Excess Payments" are not subject to absorption of the Safety Net Adjustment. Such "Excess Payments" shall not have any subsequent percentage based wage increase applied to them.

\* Has application to Quality Control Operators translated to Level 3A.

\*\* Has application to Plant Operators translated to Level 2.

The rates of pay in this Award are intended to include the arbitrated wage adjustment payable under the 1 September 2009 Declaration of General Ruling and earlier Safety Net Adjustments and arbitrated wage adjustments. This arbitrated wage adjustment may be offset against any equivalent amount in rates of pay received by employees whose wages and conditions of employment are regulated by this Award which are above the wage rates prescribed in the Award. Such payments include wages payable pursuant to certified agreements, currently operating enterprise flexibility agreements, Queensland workplace agreements, award amendments to give effect to enterprise agreements and overaward arrangements. Absorption which is contrary to the terms of an agreement is not required.

Increases made under previous State Wage Cases or under the current Statement of Principles, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated wage adjustments.
