PART 3 - COMMUNICATION, CONSULTATION AND DISPUTE RESOLUTION

3.1 Grievance and dispute settling procedure

The objectives of the procedure are to promote the prompt resolution of grievances by consultation, co-operation and discussion; to reduce the level of disputation; and to promote efficiency, effectiveness and equity in the workplace.

The matters to be dealt with in this procedure will include all grievances or disputes between an employee and Golden Casket in respect to any industrial matter and all other matters that the parties agree on and are specified in this Award. Such procedures shall apply to a single a employee or to any number of employees.

- 3.1.1 In the event that an employee having a grievance or dispute the employee shall in the first instance attempt to resolve the matter with the immediate supervisor, who shall respond to such request as soon as reasonably practicable under the circumstances. Where the dispute concerns alleged actions of the immediate supervisor the employee/s may bypass this level in the procedure.
- 3.1.2 If the grievance or dispute is not resolved under clause 3.1.1, the employee or the employee's representative may refer the matter to the next higher level of management for discussion. Such discussion should, if possible, take place within 24 hours after the request by the employee or the employee's representative.
- 3.1.3 If the grievance involves allegations of unlawful discrimination by a supervisor the employee may commence the grievance resolution process by reporting the allegations to the next level of management beyond that of the supervisor concerned. If there is no level of management beyond that involved in the allegation the employee may proceed directly to the process outlined at clause 3.1.5.
- 3.1.4 If the grievance or dispute is still unresolved after discussions mentioned in clause 3.1.2, the matter shall, in the case of a member of a Union, be reported to the relevant officer of that Union and the senior management of Golden Casket or Golden Casket's nominated industrial representative. An employee who is not a member of the Union may report the grievance or dispute to senior management or the nominated industrial representative. This should occur as soon as it is evident that discussions under clause 3.1.2 will not result in resolution of the

dispute.

- 3.1.5 If, after discussion between the parties, or their nominees mentioned in clause 3.1.4, the dispute remains unresolved after the parties have genuinely attempted to achieve a settlement thereof, then notification of the existence of the dispute is to be given to the Commission in accordance with the provisions of the Act.
- 3.1.6 Whilst all of the above procedure is being followed, normal work shall continue except in the case of a genuine safety issue.
- 3.1.7 The *status quo* existing before the emergence of the grievance or dispute is to continue whilst the above procedure is being followed.
- 3.1.8 All parties to the dispute shall give due consideration to matters raised or any suggestion or recommendation made by the Commission with a view to the prompt settlement of the dispute.
- 3.1.9 Any Order or Decision of the Commission (subject to the parties' right of appeal under the Act) will be final and binding on all parties to the dispute.
- 3.1.10 Discussions at any stage of the procedure shall not be unreasonably delayed by any party, subject to acceptance that some matters may be of such complexity or importance that it may take a reasonable period of time for the appropriate response to be made. If genuine discussions are unreasonably delayed or hindered, it shall be open to any party to give notification of the dispute in accordance with the provisions of the Act.

- (c) For the purpose of such discussion, Golden Casket will provide in writing to the employees concerned and their Union or Unions, all relevant information about the changes including the nature of the changes proposed, the expected effects of the changes on employees, and any other matters likely to affect employees. Golden Casket will not be required to disclose confidential information, the disclosure of which would be inimical to Golden Casket's interests.

4.12 **Redundancy**

4.12.1 *Discussions before terminations*

- (a) Where Golden Casket has made a definite decision that Golden Casket no longer wishes the job the employee has been doing to be done by anyone, and this is not due to the ordinary and customary turnover of labour, and that decision may lead to termination of employment, Golden Casket will hold discussions with the employees directly affected and where relevant, their Union or Unions.
- (b) The discussions will take place as soon as it is practicable after Golden Casket has made a definite decision which will invoke clause 4.12.1, and will cover *inter alia*, the reasons for the proposed terminations, measures to avoid or minimise the terminations and measures to mitigate the adverse effects of any terminations of the employees concerned.
- (c) For the purpose of the discussion Golden Casket will, as soon as practicable, provide in writing to the employees concerned and their Union or Unions, all relevant information about the proposed terminations including the reasons for the proposed terminations, the number and categories of employees likely to be affected, the number of workers normally employed and the period over which the terminations are likely to be carried out. 4.12.2 *Transfer to lower paid duties*

Where an employee is transferred to other duties for reasons set out in clause 4.12.1, the employee will be entitled to the same period of notice of transfer the employee would have been entitled to if their employment had been terminated, and Golden Casket may, at Golden Casket's option, make payment in lieu thereof of an amount equal to the difference between the former ordinary time rate of pay and the new lower ordinary time rates for the number of weeks of notice still owing.

4.12.3 *Time off during notice period*

- (a) Where a decision has been made to terminate an employee in the circumstances outlined in clause 4.12.1, the employee will be allowed up to one day's time off without loss of pay during each week of notice for the purpose of seeking other employment.
- (b) If the employee has been allowed paid leave for more than one day during the notice period for the purpose of seeking other employment, the employee will, at the request of Golden Casket, be required to produce proof of attendance at an interview or the employee will not receive payment for the time absent. For this purpose a statutory declaration will be sufficient.

4.12.4 *Notice to Centrelink*

Where a decision has been made to terminate 15 or more employees in the circumstances outlined in clause 4.12.1 Golden Casket will notify Centrelink thereof as soon as possible giving relevant information including a written statement of the reasons for the terminations, the number and categories of the employees likely to be affected and the period over which the terminations are intended to be carried out.

4.12.5 *Severance pay*

4.12.6 *Superannuation benefits*

Subject to further order of the Commission where an employee who is terminated receives a benefit from a superannuation scheme, such employee will only receive under clause 4.12.5 the difference between the severance pay specified in that clause and the amount of the superannuation benefit such employee receives which is attributable to Golden Casket's contributions only. If this superannuation benefit is greater than the amount due under clause 4.12.5 then the employee will receive no payment under that clause.

4.12.7 *Employee leaving during notice*

An employee whose employment is terminated for reasons set out in clause 4.12.1 may terminate such employment during the period of notice, and, if so, will be entitled to the same benefits and payments under this clause had such employee remained with Golden Casket until the expiry of such notice:

In such circumstances the employee will not be entitled to payment in lieu of notice.

4.12.8 *Alternative employment*

Golden Casket, in a particular case, may make application to the Commission to have the general severance pay prescription amended if Golden Casket obtains acceptable alternative employment for an employee.

4.12.9 *Employees with less than one year's service*

Clause 4.12 will not apply to employees with less than one year's continuous service and the general obligation on Golden Casket should be no more than to give relevant employees an indication of the impending redundancy at the first reasonable opportunity, and to take such steps as may be reasonable to facilitate the obtaining by the employees of suitable alternative employment.

4.12.10 *Employees exempted*

Clause 4.12 will not apply:

- (a) where employment is terminated as a consequence of misconduct on the part of the employee;
- (b) to employees engaged for a specific period of time or for a specified task or tasks; or

 - (v) An employee, other than a shift worker, directed to work overtime on the first and/or third day of such employee's rostered days off during a work cycle will be paid at the rate of time and a-half for the first 3 hours and double time thereafter with a minimum of 2 hours' work or payment thereof.
 - (vi) An employee, other than a shift worker, directed to work overtime on the second and/or 4th day of such employee's rostered days off during a work cycle will be paid at the rate of double time, with a minimum of 2 hours' work or payment thereof.
 - (vii) Overtime will be calculated to the nearest quarter of an hour in the total amount of time in respect to which overtime is claimed by an employee.
 - (viii) Where an employee is temporarily filling a position at a higher Classification Level and is receiving a higher duties allowance or is being paid at the salary rate for the higher classification any authorised overtime worked will be paid for at the higher Classification Level.

6.3.4 *Rest period after overtime*

- (a) An employee who works so much overtime between the termination of ordinary work on one day and the commencement of ordinary work on the next day, that 10 consecutive hours off duty between those hours has not occurred will be released after completion of such overtime until 10 consecutive hours off duty occur without loss of pay for ordinary working time occurring during the absence.

- (b) If on the instructions of Golden Casket, the employee resumes or continues work without having had 10 consecutive hours off duty, the employee will be paid double time until released from duty for the period, and will then be entitled to be absent until 10 consecutive hours off duty has occurred without loss of pay for ordinary working time occurring during the absence.
- (c) For shift workers who rotate from one shift to another a requirement for 8 hours break between shifts, rather than 10 hours, is applicable where overtime is worked for the purpose of changing shift rosters; or in any other case where this is agreed between the supervisor and the employee/s concerned.

6.3.6 *On-call*

- (a) Where an employee is required by Golden Casket to be available on call outside ordinary or rostered working hours, such employee will be paid, in addition to their ordinary rate of pay an allowance based upon the hourly rate of the classification of professional officer level 2, Paypoint one in accordance with the following scale:
 - (i) Where the employee is on call throughout the whole of a rostered day off, an accumulated day off or a public holiday - 95% of the hourly rate in respect of such instances;
 - (ii) Where an employee is on call during the night only of a rostered day off, an accumulated day off or public holiday - 60% of the hourly rate per night; and
 - (iii) Where an employee is on call on any other night - 47% of the hourly rate per night.

For the purpose of calculating the hourly rate, the divisor will be based upon a 36.25 hour week. For the purposes of clause 6.3.6(a), a "night" is deemed to consist of those hours falling between 5.00 p.m. and 8.00 a.m. or mainly between such hours.

- (b) Monday to Friday - In the event of an employee on call being recalled to perform duty, such employee will be paid for the time worked at the prescribed overtime rate, such time to be calculated as from home and back to home with a minimum payment of 2 hours.
- (c) Saturday, Sunday and public holidays - An employee performing overtime work on recall on Saturday, Sunday or a public holiday may be paid for such overtime at the appropriate overtime rate with a minimum of 2 hours inclusive of travelling time, in respect of overtime worked on a Saturday or Sunday and 4 hours in respect of overtime worked on a public holiday, or at the employee's option be granted time off at a mutually convenient time, equivalent to the number of hours worked. Such time to be calculated as from home and back to home.

An employee who works overtime on a public holiday and who is granted equivalent time off will be paid at half the ordinary rate for the time so worked with a minimum of 4 hours. The accrued time off in lieu will be taken in periods mutually agreed between the Chief Executive and the employee.

- (d) In the event of an employee on call being requested by the Chief Executive, or a nominee of the Chief Executive, to provide advice (without the need to return to the facility), the employee will be paid at the prescribed overtime rate for the actual time worked up to a maximum of 2 hours on any one day. The employee will be responsible for the recording of such requests which will require subsequent verification by the Chief Executive or a nominee of the Chief Executive.
- (e) Any overtime payable will be in addition to the on call allowance.
- (f) Where an employee is recalled to perform work during an off duty period such employee will be provided with transport to and from the employee's home, or be refunded the cost of such transport.
- (g) Where practicable the Chief Executive will not require an employee to be continuously available on call for a period in excess of 6 weeks.
- (h) The provisions of clause 6.3.3 will apply when an employee has actually worked in excess of 2 hours inclusive of travelling time on one or more of such recalls.

6.4 Meal breaks

- 6.4.1 All employees are entitled to not less than 30 minutes for an unpaid meal break between the 3rd and the 6th hours of work.
- 6.4.2 Meal breaks taken by shift workers, where the shift worker is required to remain on Golden Casket's premises and may be required to return to duty during the meal break period will be paid at the employee's ordinary hourly rate.
- 6.4.3 Where an employee is required to work more than one hour of overtime, as defined, the employee will be entitled to take a 30 minute unpaid meal break.

Where an employee is required to continue to work overtime for one hour or more in addition to 7.25 hours, they will then be entitled to a further 30 minute unpaid meal break.
- 6.4.5 *Payment for work done during meal breaks*

Where an employee is directed to work during an unpaid meal break, and where the meal break is unable to be rescheduled within the 3rd and 6th hours of duty, the employee concerned will be paid one-half hour at overtime rates in lieu of the meal break and will still be entitled to an unpaid meal break prior to the conclusion of duty.

6.4.6 Crib time

A shift worker who is required to continue working for more than 2 hours after their ordinary ceasing time will be allowed 30 minutes for crib after the first 2 hours worked.

6.5 Rest pauses

- 6.5.1 Every employee is entitled to a rest pause of 10 minutes' duration in Golden Casket's time in the first and second half of the working day. Rest pauses will be taken at times that will not interfere with continuity of work.
- 6.5.2 Golden Casket may combine the rest pauses into one 20 minute rest pause in the first part of the ordinary working day where this is more suitable to operational requirements.
- 6.5.3 Employees engaged for 6 hours or less are only entitled to one rest pause of 10 minutes.

6.6 Implementation of the 38 hour week

- 6.6.1 The 38 hour week will be implemented on one of the following bases, most suitable to each location, after consultation with, and giving reasonable consideration to the wishes of the employees concerned:
- (a) By employees working less than 8 ordinary hours each day; or
 - (b) By employees working less than 8 ordinary hours on one or more days each work cycle; or
 - (c) By fixing one or more work days on which all employees will be off during a particular work cycle; or
 - (d) By rostering employees off on various days of the week during a particular work cycle, so that each employee has one work day off during that cycle.
- 6.6.2 The objective of such consultation is to reach agreement on the method of implementing and working the 38 hour week in accordance with clause 6.1.1.
- 6.6.3 Subject to the provisions of clause 6.2.4, employees may agree that the ordinary hours of work are to exceed 8 on any day, thus enabling more than one work day to be taken off during a particular work cycle.
- 6.6.4 The outcome of such consultation shall be recorded in writing.
- 6.6.5 Notwithstanding the consultative procedures outlined above, and notwithstanding any lack of agreement by employees, Golden Casket has the right to make the final determination as to the method by which the 38 hour week is implemented or worked from time to time.
- 6.6.6 After implementation of the 38 hour week, upon giving 7 days' notice or such shorter period as may be mutually agreed upon, the method of working the 38 hour week may be altered, from time to time, following negotiations between Golden Casket and employees concerned, in accordance with clause 6.6.4.

- 6.6.7 Different methods of implementation of the 38 hour week may apply to individual employees, groups or sections of employees in each location concerned.
- 6.6.8 The ordinary hours of work, excluding the meal breaks will not exceed 10 hours per day. Except where the ordinary working hours are to exceed 8 on any day, the arrangement of hours will be subject to the agreement of Golden Casket and the majority of employees concerned.
- 6.6.9 The ordinary starting and finishing times of various groups of employees or individual employees may be staggered, where there is agreement between Golden Casket and the majority of employees concerned.
- 6.6.10 Employees are required to observe the nominated starting and finishing times for the work day, including designated breaks, to maximise available working time. Preparation for work and cleaning up of the employee's person will be in the employee's time.
- 6.6.11 Notwithstanding any other provision in clause 6.6, where the arrangement of ordinary hours of work provides for an accrued day off, Golden Casket and the majority of employees concerned, may agree to bank up to a maximum of 5 accrued days off. Where agreement has been reached, such accrued days off will be taken within 12 calendar months of the date on which the first rostered day off was accrued. Consent to bank accrued days off will not be unreasonably withheld by either party.
- 6.6.12 Where, as at the date of termination of service, an employee has accumulated time towards an accrued day or days off in accordance with clause 6.6, such employee will be paid for the time so accrued at the employee's ordinary rate of pay.
- 6.6.13 The provisions of clause 6.6 will only apply to those employees who, as at 13 May 1996, were working a 38 hour week as a result of prior applications to reduce standard hours to 38 hours per week, and to those employees who, as a result of the introduction of the predecessor of this Award, had their hours of duty reduced to 38 hours per week.
