PART 3 - COMMUNICATION, CONSULTATION AND DISPUTE RESOLUTION

3.1 Grievance and dispute settling procedures

The matters to be dealt with in this procedure shall include all grievances or disputes between an employee and an employer in respect to any industrial matter and all other matters that the parties agree on and are specified herein. Such procedures shall apply to a single employee or to any number of employees.

- 3.1.1 In the event of an employee having a grievance or dispute the employee shall in the first instance attempt to resolve the matter with the immediate supervisor, who shall respond to such request as soon as reasonably practicable under the circumstances. Where the dispute concerns alleged actions of the immediate supervisor the employee/s may bypass this level in the procedure.
- 3.1.2 If the grievance or dispute is not resolved under clause 3.1.1, the employee or the employee's representative may refer the matter to the next higher level of management for discussion. Such discussion should, if possible, take place within 24 hours after the request by the employee or the employee's representative.
- 3.1.3 If the grievance involves allegations of unlawful discrimination by a supervisor the employee may commence the grievance resolution process by reporting the allegations to the next level of management beyond that of the

supervisor concerned. If there is no level of management beyond that involved in the allegation the employee may proceed directly to the process outlined at clause 3.1.5.

- 3.1.4 If the grievance or dispute is still unresolved after discussions mentioned in clause 3.1.2, the matter shall, in the case of a member of a Union, be reported to the relevant officer of that Union and the senior management of the employer or the employer's nominated industrial representative. An employee who is not a member of a Union may report the grievance or dispute to senior management or the nominated industrial representative. This should occur as soon as it is evident that discussions under clause 3.1.2 will not result in resolution of the dispute.
- 3.1.5 If, after discussion between the parties, or their nominees mentioned in clause 3.1.4, the dispute remains unresolved after the parties have genuinely attempted to achieve a settlement thereof, then notification of the existence of the dispute is to be given to the Commission in accordance with the provisions of the Act.
- 3.1.6 Whilst all of the above procedure is being followed, normal work shall continue except in the case of a genuine safety issue.
- 3.1.7 The *status quo* existing before the emergence of the grievance or dispute is to continue whilst the above procedure is being followed.

- 3.1.9 Any Order or Decision of the Commission (subject to the parties' right of appeal under the Act) will be final and binding on all parties to the dispute.
- 3.1.10 Discussions at any stage of the procedure shall not be unreasonably delayed by any party, subject to acceptance that some matters may be of such complexity or importance that it may take a reasonable period of time for the appropriate response to be made. If genuine discussions are unreasonably delayed or hindered, it shall be open to any party to give notification of the dispute in accordance with the provisions of the Act.

PART 6 - HOURS OF WORK, BREAKS, OVERTIME, SHIFT WORK, WEEKEND WORK

6.1 Hours of work

6.1.1 Except as may otherwise be mutually agreed upon between the employer and majority of employees and subject to clause 6.2 (Implementation of hours of work), and to the exceptions provided in clause 6.1, the ordinary hours of work shall be an average of 38 per week, to be worked on one of the following bases:

- (a) 38 hours within a work cycle not exceeding 7 consecutive days; or
- (b) 76 hours within a work cycle not exceeding 14 consecutive days; or
- (c) 114 hours within a work cycle not exceeding 21 consecutive days; or
- (d) 152 hours within a work cycle not exceeding 28 consecutive days.

6.1.2 The ordinary hours of work prescribed for day workers may be worked on not more than 5 consecutive days in the week, Monday to Sunday inclusive, subject to the following:

- (a) All ordinary hours worked on a Saturday by day workers shall be paid at the rate of time and a-half.
- (b) All time worked on Sundays shall be paid for at the rate of double time.

6.1.3 The ordinary hours of work prescribed in this award for day workers shall be worked continuously, except for meal breaks and rest pauses, between 6.00 a.m. and 6.00 p.m.

6.1.4 The ordinary starting and finishing times of employees may be changed or staggered, subject to the agreement of the employer and the majority of employees. The ordinary hours of work shall not exceed 10 hours on any day. Where the ordinary working hours are to exceed 8 on any day, the arrangement of hours shall be subject to the agreement of the employer and the majority of employees. Employees are required to observe the nominated starting and finishing times for the working day, including designated breaks to maximize available working time. Preparation for work and cleaning up of the employee's person shall be in the employee's time.

6.1.5 A roster for all employees showing normal starting and finishing times and the surname and initial of each employee shall be prepared by the employer and shall be posted 7 days in advance in a place accessible to the employee concerned. The roster shall be alterable by mutual consent at any time or by amendment with 7 days' notice.

6.1.6 Such roster shall show the starting and ceasing times and the days upon which an employee is engaged to work as well as the number of hours to be worked each week to suit the exigencies of the establishment; provided that:

- (a) Part-time employees will be entitled to predictability and regularity of hours in their employment.
- (b) Wherever practical and possible, rosters shall not be changed from week to week, or fortnight to fortnight.

6.2 Implementation of hours of work

6.2.1 The 38 hour week shall be implemented on one of the following bases, most suitable to the particular employer, after consultation with, and giving reasonable consideration to the wishes of the employees concerned.

- (a) By employees working less than 8 ordinary hours each day; or
- (b) By employees working less than 8 ordinary hours on one or more days each work cycle; or
- (c) By fixing one or more work days on which all employees will be off during a particular work cycle; or
- (d) By rostering employees off on various days of the week during a particular work cycle, so that each employee has one work day off during that cycle.

6.2.2 Subject to clause 6.1.4, employees may agree that the ordinary hours of work are to exceed 8 on any day, thus enabling more than one work day to be taken off during a particular work cycle.

6.2.3 Notwithstanding any other provision in clause 6.2, where the arrangement of ordinary hours of work provides for a rostered day off, the employer and the majority of employees concerned, may agree to accrue up to a maximum

of 5 rostered days off. Where such agreement has been reached, the accrued rostered days off shall be taken within 12 calendar months of the date on which the first rostered day off was accrued. Consent to accrue rostered days off shall not be unreasonably withheld by either party.

6.2.4 When the ordinary work cycle provides for a rostered day off, the rostered day off shall not fall on a public holiday, but shall be on the ordinary working day immediately before or immediately after the public holiday, or deferred in accordance with clause 6.2.3. Different methods of implementation of the 38 hour week may apply to individual employees, groups or sections of employees in the organisation concerned.

6.3 38 hour week - procedures for enterprise level discussions

6.3.1 The employer and all employees concerned in each establishment shall consult over the most appropriate means of implementing and working a 38 hour week.

6.3.2 The objective of such consultation shall be to reach agreement on the method of implementing and working the 38 hour week in accordance with clause 6.2.

6.3.3 The outcome of such consultation shall be recorded in writing.

6.3.4 In cases where agreement cannot be reached as a result of consultation between the parties, either party may request the assistance or advice of their relevant employee or employer organisation.

6.3.5 Notwithstanding the consultative procedures outlined above, and notwithstanding any lack of agreement by employees, the employer shall have the right to make the final determination as to the method by which the 38 hour week is implemented or worked from time to time.

6.3.6 After implementation of the 38 hour week, upon giving 7 days' notice or such shorter period as may be mutually agreed upon, the method of working the 38 hour week may be altered, from time to time, following negotiations between the employer and employees concerned, using the foregoing provisions of clause 6.3, including clause 6.3.5.

6.4 Method of payment for ordinary hours of work

Ordinary hours for all employees (excluding part-time employees and casuals), shall be paid on the basis of not more than 38 per week, on an averaged basis according to the work cycle, notwithstanding that in excess of 38 ordinary hours may be worked to maximize leisure time off.

6.5 Shift work

6.5.1 Employees covered by this Award may be required to perform shift work under and in accordance with the provisions of clause 6.5.

6.5.2 The ordinary working hours of shift workers shall not exceed on average 38 in any one week or 8 on any one day to be worked according to a roster agreed upon between the employer and the majority of the employees concerned.

6.5.3 Shift workers shall be allowed 30 minutes for crib during each shift of 8 hours to be taken by the employee at such time and in such manner as will not interfere with the continuity of work. Such crib shall be regarded as part of the employee's ordinary working time.

6.5.4 Afternoon and night shift allowance

(a) In addition to the rates of pay prescribed by clause 5.2, employees whilst engaged on Afternoon Shift and Night Shift, as established pursuant to clause 6.1, shall be paid an additional penalty rate for each such shift as follows:

Afternoon Shift: 12.5% (or \$9.70 whichever is the greater)

Night Shift: 15% (or \$9.70 whichever is the greater)

(b) For the purposes of clause 6.5 the percentage which is quoted shall be the amount which is payable for each shift in addition to the employee's ordinary time wage rate.

(c) This extra rate shall not apply to shift work performed on Saturdays and Sundays when extra payments apply to continuous shift workers.

(d) No employee shall, as a result of clause 6.5, suffer any reduction to their current entitlement to shift allowance.

6.5.5 Where continuous shift work is performed, one and a half times the ordinary rate shall be paid from midnight Friday to midnight Sunday.

6.5.6 Where a change is made from day work to shift work, reasonable notice shall be given to the employee concerned before the provisions of clause 6.5 shall be applicable.

6.6 Overtime

6.6.1 *Day workers* - All time worked outside of the ordinary working hours each day for each class of employee shall, except as provided in clause 6.6, be paid for at the rate of time and a-half for the first 3 hours, and double time thereafter.

6.6.2 An employee who works so much overtime between the termination of ordinary work on one day and the commencement of ordinary work on the next day, that the employee has not had at least 10 consecutive hours off duty between those times shall, subject to clause 6.6.2, be released after the completion of such overtime until the employee has had 10 consecutive hours off duty without loss of pay for ordinary working time occurring during such absence. If on the instructions of the employer such an employee resumes or continues work without having had such 10 consecutive hours off duty, the employee shall be paid double rates until released from duty for such period. The employee shall then be entitled to be absent until the employee has had 10 consecutive hours off duty, without loss of pay, for ordinary working time occurring during each absence. Where an employee is recalled to work overtime and works not more than 2 hours' overtime, clause 6.6.2 shall not apply.

6.6.3 *Call back* - An employee recalled to work overtime after leaving the employer's business premises (whether notified before or after leaving the premises) shall be paid for a minimum of 3 hours' work at the appropriate rate for each time the employee is so recalled. Except in the case of unforeseen circumstances arising, the employee shall not be required to work the full 3 hours if the job the employee was recalled to perform is completed within a shorter period. Clause 6.6.3 shall not apply in cases where it is customary for an employee to return to the employer's premises to perform a specific job outside the employee's ordinary working hours, or where the overtime is continuous (subject to a reasonable meal break), with the completion or commencement of ordinary working time.

6.6.4 Payment at the appropriate overtime rate shall be calculated from time of leaving home to commence that work, until the employee returns home from that work. Where employees are called out between midnight and 6.00 a.m, they shall be paid at the rate of double time for all time so worked, up to the ordinary starting time Monday to Friday, and up to 7.00 a.m. on Saturday, with a minimum payment as for 3 hours work at that rate.

6.6.5 Shift workers

For all employees engaged on continuous shift work, all time worked in excess of 8 hours on any one day, or the hours as arranged in the roster prescribed in clause 6.5, shall be considered as overtime and shall be paid for at the rate of double time. If an employee is called upon to work on the day the employee is rostered off, the employee shall be paid for such work at double time.

6.7 Meal breaks

6.7.1 All employees shall be entitled to a meal break of not less than 30 minutes or more than one hour for an unpaid meal break provided that no employee shall be required to commence a meal break earlier than 3 hours after normal starting time, nor later than 5 and a-half hours after normal starting time. The break shall be taken at such time as will not interfere with continuity of work where continuity is necessary, and where practical shall be taken at a regular time each day.

6.7.2 All work done during the recognized meal period shall be paid for at the rate of double time, such payment to continue until a meal period has commenced. Such meal period shall be of the prescribed duration. Clause 6.7.2 shall not apply where the meal break is altered to suit continuity.

6.7.3 Any employee who is required to continue working without notification on the previous day or earlier, for more than 2 hours after the ordinary ceasing time, or one hour if overtime continues past 6.00 p.m., shall be allowed 30 minutes for a meal after the first hour worked, also 30 minutes after each further 4 hours worked. If the employee works through the 30 minute meal break the employee shall be paid an additional 30 minutes at ordinary time.

6.8 Rest pauses

6.8.1 All employees covered by this Award shall be allowed a 10 minute rest pause at a time convenient to the employer each morning and afternoon, which shall be paid for at ordinary time.

- 6.8.2 Where there is agreement between the majority of employees and the employer, the rest pauses may be combined into one 20 minute rest pause to be taken in the first part of the ordinary working day with the combined rest pause and the meal break arranged in such a way that the ordinary working day is broken up into 3 approximately equal working periods.
- 6.8.3 Such rest pauses may be staggered or be taken at such times as will not interfere with continuity of work where continuity is necessary.

6.9 Saturday work

If employees (other than shift workers) are called upon to work overtime commencing on Saturday they shall be paid at the rate of time and a-half for the first 3 hours and double time thereafter, with a minimum of 2 hours work or payment therefore.

6.10 Sunday work

All time worked on Sundays by employees other than watchpersons shall be paid at the rate of double time, with a minimum of 3 hours work or payment therefore.
