

QUEENSLAND INDUSTRIAL RELATIONS COMMISSION

*Industrial Relations Act 1999*

**RABBIT BOARD EMPLOYEES AWARD - STATE 2003**

**(Gazette, 14 March 2003)**

PURSUANT to the Declaration of the Commission as to a General Ruling made on 21 August 2009, the said Award is amended as follows as from 1 September 2009:

By deleting clause 5.2.1 and inserting the following in lieu thereof:

5.2.1 Subject to clause 5.2 the minimum rates of wages payable to the following classes of employees in the Southern Division Eastern District shall be:

Classification	Award Rate Per Week \$
General construction and maintenance worker Grade 1	589.80

Provided that any new employee who is undertaking training shall receive a full-time wage of not less than 75% of the rate for the general construction and maintenance worker Grade I, for a period not exceeding 8 months:

Provided further that the training rate shall not apply to those employees who are adequately skilled to perform the duties of the general construction and maintenance worker Grade I.

NOTE: The rates of pay in this Award are intended to include the arbitrated wage adjustment payable under the 1 September 2009 Declaration of General Ruling and earlier Safety Net Adjustments and arbitrated wage adjustments. This arbitrated wage adjustment may be offset against any equivalent amount in rates of pay received by employees whose wages and conditions of employment are regulated by this Award which are above the wage rates prescribed in the Award. Such payments include wages payable pursuant to certified agreements, currently operating enterprise flexibility agreements, Queensland workplace agreements, award amendments to give effect to enterprise agreements and overaward arrangements. Absorption which is contrary to the terms of an agreement is not required.

Increases made under previous State Wage Cases or under the current Statement of Principles, excepting those resulting from enterprise agreements, are not to be used to offset arbitrated wage adjustments.

For the purpose of deciding the rate of wages of employees who are working on or in charge of fences running from one district to another, such employees shall be paid according to the rate prescribed for the district that contains the greater portion of the fence which such employees are working on or in charge of.

Dated 1 October 2009.

G.D. SAVILL,  
Registrar.
